INTERNAL REVENUE CODE

APPROVED FEBRUARY 10, 1939

UNITED STATES
GOVERNMENT PRINTING OFFICE
WASHINGTON : 1939

PREFACE

The Internal Revenue Code, approved February 10, 1939, and published in this volume as Public Act No. 1 of the Seventy-sixth Congress, is the first Federal act of its kind since the Revised Statutes of the United States, approved June 22, 1874. Title XXXV of the Revised Statutes embraces the general and permanent statutes relating exclusively to internal revenue, in force on December 1, 1873.

The internal revenue title, which comprises all of the Code except the preliminary sections relating to its enactment, is intended to contain all the United States statutes of a general and permanent nature relating exclusively to internal revenue, in force on January 2, 1939; also such of the temporary statutes of that description as relate to taxes the occasion of which may arise after the enactment of the Code. These statutes are codified without substantive change and with only such change of form as is required by arrangement and consolidation. The title contains no provision, except for effective date, not derived from a law approved prior to January 3, 1939.

The derivation of the title, in its textual sequence, is shown in the appendix, part I, table A. Conversely, the placement of the statutes in the title, cited in their chronological order, is shown in table B. The Revised Statutes of the United States and the Statutes at Large of the United States are the sources of the law codified. The Revised Statutes cover the period ended December 1, 1873. The Statutes at Large codified cover the period following December 1, 1873, and are published in the 35 volumes numbered 18 to 52, inclusive. The separate enactments carried into the internal revenue title, wholly or in part, from the Statutes at Large are 143 in number, exclusive of 93 statutes involving express amendment, reenactment, or repeal. The 277 Revised Statutes sections codified were derived from 21 basic statutes. The whole body of internal revenue law in effect on January 2, 1939, therefore, has its ultimate origin in 164 separate enactments of Congress. The earliest of these was approved July 1, 1862; the latest, June 16, 1938.

The Internal Revenue Code is an enactment without change of the 1939 edition of the Codification of Internal Revenue Laws prepared by Mr. Colin F. Stam and Mr. L. L. Stratton, of the staff of the Joint Committee on Internal Revenue Taxation, with the assistance of the Department of the Treasury and the Department of Justice. The bill embodying that codification, H. R. 2762, was introduced on January 18, 1939, by Mr. Doughton, of North Carolina, chairman of the Committee on Ways and Means of the House of Representatives and vice chairman of the Joint Committee on Internal Revenue Taxation. Mr. Doughton submitted the unanimously favorable report of the Committee on Ways and Means on January 20. Unanimous consent for consideration of the bill was requested and objected to on January 23. It was called up on the following Calendar Wednesday, January 25, and passed on that date by a vote of 350 to 16. On January 27, the bill was messaged to the Senate and referred to the Committee on Finance, before whom a hearing was held on the 30th. At the direction of Mr. Harrison, of Mississippi, chairman of the Joint Committee on Internal Revenue Taxation and of the Committee

on Finance, Mr. George, of Georgia, a member of both committees, submitted the unanimously favorable report of the Committee on Finance on February 1. The bill was considered by the Senate on the following day and passed without a record vote.

The 1939 codification was the fourth to be published by the staff of the Joint Committee on Internal Revenue Taxation. The first, published in 1930, embraced the general and permanent internal revenue laws in force on December 1, 1930; the second, published in 1933, the laws in force on July 16, 1932; and the third, published in 1938, the laws in force at the beginning of that year.

In the preparation of these codifications, invaluable assistance was received from the Department of the Treasury, the Department of Justice, and the Legislative Reference Service of the Library of Congress. To the Division of Research and Publication of the Department of State grateful acknowledgment is made of the index to this volume and of their expert aid in the revision of the proof of the appendix.

The appendix, published under the provisions of section 9 of the Internal Revenue Code, is divided into four parts. Part I consists of tables of reference to internal revenue statutes. Tables A and B have been described above. Table C cites the statutes expressly repealed, in whole or in part, together with the repealing statutes. Table D cites the statutes expressly amended or reenacted, with the amending or reenacting statutes. The derivation of the sections of the Revised Statutes relating to internal revenue is shown in table E. Mr. W. H. McClenon, of the Legislative Reference Service of the Library of Congress, rendered indispensable aid in the preparation of these tables, as well as of the Code generally.

Part II of the appendix contains the provisions of the Constitution of the United States relating to taxation.

Part III of the appendix, prepared by the Department of the Treasury, contains miscellaneous statutory and treaty provisions affecting the administration of internal revenue laws but omitted from the Code for the reason that they are of a temporary nature or do not relate exclusively to internal revenue.

Part IV of the appendix digests several court opinions construing the repeal provisions of the Revised Statutes. The similarity of the repeal provisions of the Revised Statutes and those of the Code suggests the possible applicability of these decisions to questions that may arise affecting the Code.

UNITED STATES OF AMERICA

AN ACT

To consolidate and codify the internal revenue laws of the United States.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the laws of the United States hereinafter codified and set forth as a part of this act under the heading "Internal Revenue Title" are hereby enacted into law.

SEC. 2. CITATION.—This act and the internal revenue title incorporated herein shall be known as the Internal Revenue Code and may be cited as "I. R. C.".

SEC. 3. EFFECTIVE DATE.—Except as otherwise provided herein, this act shall take effect on the day following the date of its enactment.

SEC. 4. REPEAL AND SAVINGS PROVISIONS.—(a) The Internal Revenue Title, as hereinafter set forth, is intended to include all general laws of the United States and parts of such laws, relating exclusively to internal revenue, in force on the 2d day of January 1939 (1) of a permanent nature and (2) of a temporary nature if embraced in said Internal Revenue Title. In furtherance of that purpose, all such laws and parts of laws codified herein, to the extent they relate exclusively to internal revenue, are repealed, effective, except as provided in section 5, on the day following the date of the enactment of this act.

(b) Such repeal shall not affect any act done or any right accruing or accrued, or any suit or proceeding had or commenced in any civil cause before the said repeal, but all rights and liabilities under said acts shall continue, and may be enforced in the same manner, as if said repeal had not been made; nor shall any office, position, employment, board, or committee, be abolished by such repeal, but the same shall continue under the pertinent provisions of the Internal Revenue Title.

(c) All offenses committed, and all penalties or forfeitures incurred under any statute hereby repealed, may be prosecuted and punished in the same manner and with the same effect as if this act had not been passed.

1a CODIFICATION OF INTERNAL REVENUE LAWS

(d) All acts of limitation, whether applicable to civil causes and proceedings, or to the prosecution of offenses, or for the recovery of penalties or forfeitures, hereby repealed shall not be affected thereby, but all suits, proceedings, or prosecutions, whether civil or criminal, for causes arising, or acts done or committed, prior to said repeal, may be commenced and prosecuted within the same time as if this act had not been passed.

(e) The authority vested in the President of the United States, or in any officer or officers of the Treasury Department, by the law as it existed immediately prior to the enactment of this act, hereafter to give publicity to tax returns required under any internal revenue law in force immediately prior to the enactment of this act or any information therein contained, and to furnish copies thereof and to prescribe the terms and conditions upon which such publicity may be given or such copies furnished, and to make rules and regulations with respect to such publicity, is hereby preserved. And the provisions of law authorizing such publicity and prescribing the terms, conditions, limitations, and restrictions upon such publicity and upon the use of the information gained through such publicity and the provisions of law prescribing penalties for unlawful publicity of such returns and for unlawful use of such information are hereby preserved and continued in full force and effect.

SEC. 5. CONTINUANCE OF EXISTING LAW.—Any provision of law in force on the 2d day of January 1939 corresponding to a provision contained in the Internal Revenue Title shall remain in force until the corresponding provision under such Title takes effect.

SEC. 6. ARRANGEMENT, CLASSIFICATION, AND CROSS REFERENCES.—The arrangement and classification of the several provisions of the Internal Revenue Title have been made for the purpose of a more convenient and orderly arrangement of the same, and, therefore, no inference, implication or presumption of legislative construction shall be drawn or made by reason of the location or grouping of any particular section or provision or portion thereof, nor shall any outline, analysis, cross reference, or descriptive matter relating to the contents of said Title be given any legal effect.

SEC. 7. EFFECT UPON SUBSEQUENT LEGISLATION.—The enactment of this act shall not repeal nor affect any act of Congress passed since the 2d day of January 1939, and all acts passed since that date shall have full effect as if passed after the enactment of this act; but, so far as such acts vary from, or conflict with, any provision contained in this act, they are to have effect as subsequent statutes, and as repealing any portion of this act inconsistent therewith.

SEC. 8. COPIES AS EVIDENCE OF ORIGINAL.—Copies of this act printed at the Government Printing Office and bearing its imprint shall be conclusive evidence of the original Internal Revenue Code in the custody of the Secretary of State.

(1) If no portion of the gross income consists of interest allowed as a credit by section 26 (a) (relating to interest on certain obligations of the United States and Government corporations), or of dividends of the class with respect to which credit is allowed by section 26 (b), then the tax computed under this subsection shall be equal to \$3,525, plus 32 per centum of the amount of the net income in excess of \$25,000.

(2) CORPORATE CHARITABLE CONTRIBUTIONS.—No deduction shall be allowable under paragraph (1) to a corporation for any contribution or gift which would be allowable as a deduction under subsection (q) were it not for the 5 per centum limitation therein contained and for the requirement therein that payment must be made within the taxable year.

For disallowance of loss deduction in the case of sales of stock or securities where within thirty days before or after the date of the sale the taxpayer has acquired substantially identical property, see section 118.

(k) BAD DEBTS.—

(1) GENERAL RULE.—Debts ascertained to be worthless and charged off within the taxable year (or, in the discretion of the Commissioner, a reasonable addition to a reserve for bad debts); and when satisfied that a debt is recoverable only in part, the Commissioner may allow such debt, in an amount not in excess of the part charged off within the taxable year, as a deduction. This paragraph shall not apply in the case of a taxpayer, other than a bank, as defined in section 104, with respect to a debt evidenced by a security as defined in paragraph (3) of this subsection.

In the case of property held by one person for life with remainder to another person, the deduction shall be computed as if the life tenant were the absolute owner of the property and shall be allowed to the life tenant. In the case of property held in trust the allowable deduction shall be apportioned between the income beneficiaries and the trustee in accordance with the pertinent provisions of the instrument creating the trust, or, in the absence of such provisions, on the basis of the trust income allocable to each.

(m) DEPLETION.—In the case of mines, oil and gas wells, other natural deposits, and timber, a reasonable allowance for depletion and for depreciation of improvements, according to the peculiar conditions in each case; such reasonable allowance in all cases to be made under rules and regulations to be prescribed by the Commissioner, with the approval of the Secretary. In any case in which it is ascertained as a result of operations or of development work that the recoverable units are greater or less than the prior estimate thereof, then such prior estimate (but not the basis for depletion) shall be revised and the allowance under this subsection for subsequent taxable years shall be based upon such revised estimate. In the case of leases the deductions shall be equitably apportioned between the lessor and lessee. In the case of property held by one person for life with remainder to another person, the deduction shall be computed as if the life tenant were the absolute owner of the property and shall be allowed to the life tenant. (5) a domestic fraternal society, order, or association, operating under the lodge system, but only if such contributions or gifts are to be used exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals;

to an amount which in all the above cases combined does not exceed 15 per centum of the taxpayer's net income as computed without the benefit of this subsection. Such contributions or gifts shall be allowable as deductions only if verified under rules and regulations prescribed by the Commissioner, with the approval of the Secretary.

For unlimited deduction if contributions and gifts exceed 90 per centum of the net income, see section 120.

(p) PENSION TRUSTS.—

(1) GENERAL RULE.—An employer establishing or maintaining a pension trust to provide for the payment of reasonable pensions to his employees shall be allowed as a deduction (in addition to the contributions to such trust during the taxable year to cover the pension liability accruing during the year, allowed as a deduction under subsection (a) of this section) a reasonable amount transferred or paid into such trust during the taxable year in excess of such contributions, but only if such amount (1) has not theretofore been allowable as a deduction, and (2) is apportioned in equal parts over a period of ten consecutive years beginning with the year in which the transfer or payment is made.

(2) DEDUCTIONS UNDER PRIOR INCOME TAX ACTS.—Any deduction allowable under section 23 (q) of the Revenue Act of 1928, 45 Stat. 802, or the Revenue Act of 1932, 47 Stat. 182, or the Revenue Act of 1934, 48 Stat. 691, under section 23 (p) of the Revenue Act of 1936, 49 Stat. 1661, or the Revenue Act of 1938, 52 Stat. 464, which under such section was apportioned to any taxable year beginning after December 31, 1937, shall be allowed as a deduction in the years to which so apportioned to the extent allowable under such section if it had remained in force with respect to such year.

(3) EXEMPTION OF TRUSTS UNDER SECTION 165.—The provisions of paragraphs (1) and (2) of this subsection shall be subject to the qualification that the deduction under either paragraph shall be allowable only with respect to a taxable year (whether the year of the transfer or payment or a subsequent year) of the employer ending within or with a taxable year of the trust with respect to which the trust is exempt from tax under section 165.

(q) CHARITABLE AND OTHER CONTRIBUTIONS BY CORPORATIONS.—

In the case of a corporation, contributions or gifts payment of which is made within the taxable year to or for the use of a domestic corporation, or domestic trust, or domestic community chest, fund, or foundation, organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes or the prevention of cruelty to children (but in the case of contributions or gifts to a trust, chest, fund, or foundation, only if such contributions or gifts are to be used within the United States exclusively for such purposes), no part of the net earnings of which inures to the benefit of any private shareholder or individual, and no substantial part of the activities of which is carrying on propaganda, or otherwise attempting, to influence legis-

(1) Personal, living, or family expenses;

(3) Any amount expended in restoring property or in making good the exhaustion thereof for which an allowance is or has been made;

(4) Premiums paid on any life insurance policy covering the life of any officer or employee, or of any person financially interested in any trade or business carried on by the taxpayer, when the taxpayer is directly or indirectly a beneficiary under such policy; or

(5) Any amount otherwise allowable as a deduction which is allocable to one or more classes of income other than interest (whether or not any amount of income of that class or classes is received or accrued) wholly exempt from the taxes imposed by this chapter.

(b) LOSSES FROM SALES OR EXCHANGES OF PROPERTY.—

(1) LOSSES DISALLOWED.—In computing net income no deduction shall in any case be allowed in respect of losses from sales or exchanges of property, directly or indirectly—

(A) Between members of a family, as defined in paragraph (2) (D);

(B) Except in the case of distributions in liquidation, between an individual and a corporation more than 50 per centum in value of the outstanding stock of which is owned, directly or indirectly, by or for such individual;

(C) Except in the case of distributions in liquidation, between two corporations more than 50 per centum in value of the outstanding stock of each of which is owned, directly or indirectly, by or for the same individual, if either one of such corporations, with respect to the taxable year of the corporation preceding the date of the sale or exchange was, under the law applicable to such taxable year, a personal holding company or a foreign personal holding company;

(D) Between a grantor and a fiduciary of any trust;

(E) Between the fiduciary of a trust and the fiduciary of another trust, if the same person is a grantor with respect to each trust; or

(F) Between a fiduciary of a trust and a beneficiary of such trust.

(2) STOCK OWNERSHIP, FAMILY, AND PARTNERSHIP RULE.—For the purposes of determining, in applying paragraph (1), the ownership of stock —

(A) Stock owned, directly or indirectly, by or for a corporation, partnership, estate, or trust, shall be considered as being owned proportionately by or for its shareholders, partners, or beneficiaries;

(B) An individual shall be considered as owning the stock owned, directly or indirectly, by or for his family;

(C) An individual owning (otherwise than by the application of subparagraph (B)) any stock in a corporation shall be considered as owning the stock owned, directly or indirectly, by or for his partner;

(D) The family of an individual shall include only his brothers and sisters (whether by the whole or half blood), spouse, ancestors, and lineal descendants; and

(E) Constructive Ownership as Actual Ownership.—Stock constructively owned by a person by reason of the application of subparagraph (A) shall, for the purpose of applying subparagraph (A), (B), or (C), be treated as actually owned by such person, but stock constructively owned by an individual by reason of the application of subparagraph (B) or (C) shall not be treated as owned by him for the purpose of again applying either of such subparagraphs in order to make another the constructive owner of such stock.

(c) UNPAID EXPENSES AND INTEREST.—In computing net income no deduction shall be allowed under section 23 (a), relating to expenses incurred, or under section 23 (b), relating to interest accrued—

(1) If such expenses or interest are not paid within the taxable year or within two and one half months after the close thereof; and

(2) If, by reason of the method of accounting of the person to whom the payment is to be made, the amount thereof is not, unless paid, includible in the gross income of such person for the taxable year in which or with which the taxable year of the taxpayer ends; and

(3) If, at the close of the taxable year of the taxpayer or at any time within two and one half months thereafter, both the taxpayer and the person to whom the payment is to be made are persons between whom losses would be disallowed under section 24 (b).

(d) HOLDERS OF LIFE OR TERMINABLE INTEREST.—Amounts paid under the laws of any State, Territory, District of Columbia, possession of the United States, or foreign country as income to the holder of a life or terminable interest acquired by gift, bequest, or inheritance shall not be reduced or diminished by any deduction for, shrinkage (by whatever name called) in the value of such interest due to the lapse of time, nor by any deduction allowed by this chapter (except the deductions provided for in subsections (1) and (m) of section 23) for the purpose of computing the net income of an estate or trust but not allowed under the laws of such State, Territory, District of Columbia, possession of the United States, or foreign country for the purpose of computing the income to which such holder is entitled.

(e) TAX WITHHELD ON TAX-FREE COVENANT BONDS.—

For nondeductibility of tax withheld on tax-free covenant bonds, see section 143 (a) (3).

SEC. 25. CREDITS OF INDIVIDUAL AGAINST NET INCOME.

(a) CREDITS FOR NORMAL TAX ONLY.—There shall be allowed for the purpose of the normal tax, but not for the surtax, the following credits against the net income:

(1) INTEREST ON UNITED STATES OBLIGATIONS.—The amount received as interest upon obligations of the United States which is included in gross income under section 22.

(2) INTEREST ON OBLIGATIONS OF INSTRUMENTALITIES OF THE UNITED STATES.—The amount received as interest on obligations of a corporation organized under Act of Congress, if (A) such corporation is an instrumentality of the United States; and (B) such interest is included in gross income under section 22; and (C) under the Act authorizing the issue thereof, as amended and supplemented, such interest is exempt from normal tax.

18 CODIFICATION OF INTERNAL REVENUE LAWS

(3) EARNED INCOME CREDIT.—10 per centum of the amount of the earned net income, but not in excess of 10 per centum of the amount of the net income.

(4) EARNED INCOME DEFINITIONS.—For the purposes of this section—

(A) "Earned income" means wages, salaries, professional fees, and other amounts received as compensation for personal services actually rendered, but does not include any amount not included in gross income, nor that part of the compensation derived by the taxpayer for personal services rendered by him to a corporation which represents a distribution of earnings or profits rather than a reasonable allowance as compensation for the personal services actually rendered. In the case of a taxpayer engaged in a trade or business in which both personal services and capital are material income producing factors, a reasonable allowance as compensation for the personal services actually rendered by the taxpayer, not in excess of 20 per centum of his share of the net profits of such trade or business, shall be considered as earned income.

(B) "Earned income deductions" means such deductions as are allowed by section 23 for the purpose of computing net income, and are properly allocable to or chargeable against earned income.

(C) "Earned net income" means the excess of the amount of the earned income over the sum of the earned income deductions. If the taxpayer's net income is not more than \$3,000, his entire net income shall be considered to be earned net income, and if his net income is more than \$3,000, his earned net income shall not be considered to be less than \$3,000. In no case shall the earned net income be considered to be more than \$14,000.

(b) CREDITS FOR BOTH NORMAL TAX AND SURTAX.—There shall be allowed for the purposes of the normal tax and the surtax the following credits against net income:

(1) PERSONAL EXEMPTION.—In the case of a single person or a married person not living with husband or wife, a personal exemption of \$1,000; or in the case of the head of a family or a married person living with husband or wife, a personal exemption of \$2,500. A husband and wife living together shall receive but one personal exemption. The amount of such personal exemption shall be \$2,500. If such husband and wife make separate returns, the personal exemption may be taken by either or divided between them.

(2) CREDIT FOR DEPENDENTS.—\$400 for each person (other than husband or wife) dependent upon and receiving his chief support from the taxpayer if such dependent person is under eighteen years of age or is incapable of self-support because mentally or physically defective.

(3) CHANGE OF STATUS.—If the status of the taxpayer, insofar as it affects the personal exemption or credit for dependents, changes during the taxable year, the personal exemption and credit shall be apportioned, under rules and regulations prescribed by the Commissioner with the approval of the Secretary, in accordance with the number of months before and after such change. For the purpose of such apportionment a fractional part of a month shall be disregarded unless it amounts to more than half a month in which case it shall be considered as a month.

SEC. 26. CREDITS OF CORPORATIONS.

In the case of a corporation the following credits shall be allowed to the extent provided in the various sections imposing tax—

(a) INTEREST ON OBLIGATIONS OF THE UNITED STATES AND ITS INSTRUMENTALITIES.—The amount received as interest upon obligations of the United States or of corporations organized under Act

INCOME TAX 19

of Congress which is allowed to an individual as a credit for purposes of normal tax by section 25 (a) (1) or (2).

(b) **DIVIDENDS RECEIVED.**—85 per centum of the amount received as dividends from a domestic corporation which is subject to taxation under this chapter, but not in excess of 85 per centum of the adjusted net income. The credit allowed by this subsection shall not be allowed in respect of dividends received from a corporation organized under the China Trade Act, 1922, 42 Stat. 849 (U. S. C., Title 15, c. 4), or from a corporation which under section 251 is taxable only on its gross income from sources within the United States by reason of its receiving a large percentage of its gross income from sources within a possession of the United States.

(c) **NET OPERATING LOSS OF PRECEDING YEAR.**—

(1) **AMOUNT OF CREDIT.**—The amount of the net operating loss (as defined in paragraph (2)) of the corporation for the preceding taxable year (if beginning after December 31, 1937), but not in excess of the adjusted net income for the taxable year.

(2) **DEFINITION.**—As used in this chapter the term "net operating loss" means the excess of the deductions allowed by this chapter over the gross income, with the following exceptions and limitations—

(A) The deduction for depletion shall not exceed the amount which would be allowable if computed without reference to discovery value or to percentage depletion under section 114 (b) (2), (3), or (4);

(B) There shall be included in computing gross income the amount of interest received which is wholly exempt from the taxes imposed by this chapter, decreased by the amount of interest paid or accrued which is not allowed as a deduction by section 23 (b), relating to interest on indebtedness incurred or continued to purchase or carry certain tax-exempt obligations.

In the case of a taxable year beginning after December 31, 1937, and before January 1, 1939, the term "net operating loss" means net operating loss as defined in section 26 (c) of the Revenue Act of 1938, 52 Stat. 467.

(d) **BANK AFFILIATES.**—In the case of a holding company affiliate (as defined in section 2 of the Banking Act of 1933), the amount of the earnings or profits which the Board of Governors of the Federal Reserve System certifies to the Commissioner has been devoted by such affiliate during the taxable year to the acquisition of readily marketable assets other than bank stock in compliance with section 5144 of the Revised Statutes. The aggregate of the credits allowable under this subsection for all taxable years beginning after December 31, 1935, shall not exceed the amount required to be devoted under such section 5144 to such purposes, and the amount of the credit for any taxable year shall not exceed the adjusted net income for such year.

(e) **DIVIDENDS PAID CREDIT.**—

For corporation dividends paid credit, see section 27.

(f) **CONSENT DIVIDENDS CREDIT.**—

For corporation consent dividends credit, see section 28.

SEC. 27. CORPORATION DIVIDENDS PAID CREDIT.

(a) **DEFINITION IN GENERAL.**—As used in this chapter with respect to any taxable year the term "dividends paid credit" means the sum of:

(1) The basic surtax credit for such year, computed as provided in subsection (b);

(2) The dividend carry-over to such year, computed as provided in subsection (c);

(3) The amount, if any, by which any deficit in the accumulated earnings and profits, as at the close of the preceding taxable year

20 CODIFICATION OF INTERNAL REVENUE LAWS

(whether beginning on, before, or after January 1, 1939), exceeds the amount of the credit provided in section 26 (c) (relating to net operating losses), for such preceding taxable year (if beginning after December 31, 1937) ; and

(4) Amounts used or irrevocably set aside to pay or to retire indebtedness of any kind, if such amounts are reasonable with respect to the size and terms of such indebtedness. As used in this paragraph the term "indebtedness" means only an indebtedness of the corporation existing at the close of business on December 31, 1937, and evidenced by a bond, note, debenture, certificate of indebtedness, mortgage, or deed of trust, issued by the corporation and in existence at the close of business on December 31, 1937, or by a bill of exchange accepted by the corporation prior to, and in existence at, the close of business on such date. Where the indebtedness is for a principal sum, with interest, no credit shall be allowed under this paragraph for amounts used or set aside to pay such interest.

(b) BASIC SURTAX CREDIT.—As used in this chapter the term "basic surtax credit" means the sum of:

(1) The dividends paid during the taxable year, increased by the consent dividends credit provided in section 28, and reduced by the amount of the credit provided in section 26 (a), relating to interest on certain obligations of the United States and Government corporations;

(2) The net operating loss credit provided in section 26 (c) (1);

(3) The bank affiliate credit provided in section 26 (d).

The aggregate of the amounts under paragraphs (2) and (3) shall not exceed the adjusted net income for the taxable year.

(c) DIVIDEND CARRY-OVER.—There shall be computed with respect to each taxable year of a corporation a dividend carry-over to such year from the two preceding taxable years, which shall consist of the sum of—

(1) The amount of the basic surtax credit for the second preceding taxable year, reduced by the adjusted net income for such year, and further reduced by the amount, if any, by which the adjusted net income for the first preceding taxable year exceeds the sum of—

(A) The basic surtax credit for such year; and

(B) The excess, if any, of the basic surtax credit for the third preceding taxable year over the adjusted net income for such year; and

(2) The amount, if any, by which the basic surtax credit for the first preceding taxable year exceeds the adjusted net income for such year.

In the case of a preceding taxable year, referred to in this subsection, which begins in 1937, the adjusted net income shall be the adjusted net income as defined in section 14 of the Revenue Act of 1936, and the basic surtax credit shall be only the dividends paid credit computed under the Revenue Act of 1936 without the benefit of the dividend carry-over provided in section 27 (b) of such Act. In the case of a preceding taxable year, referred to in this subsection, which begins in 1938, the adjusted net income shall be the adjusted net income as defined in section 13 (a) of the Revenue Act of 1938, 52 Stat. 455, and the basic surtax credit shall be the basic surtax credit as defined in section 27 of the Revenue Act of 1938, 52 Stat. 468.

(d) DIVIDENDS IN KIND.—If a dividend is paid in property other than money (including stock of the corporation if held by the corporation as an investment) the amount with respect thereto which shall be used in computing the basic surtax credit shall be the adjusted basis of the property in the hands of the corporation at

INCOME TAX 21

the time of the payment, or the fair market value of the property at the time of the payment, whichever is the lower.

(e) **DIVIDENDS IN OBLIGATIONS OF THE CORPORATION.**—If a dividend is paid in obligations of the corporation, the amount with respect thereto which shall be used in computing the basic surtax credit shall be the face value of the obligations, or their fair market value at the time of the payment, whichever is the lower. If the fair market value of any such dividend paid in any taxable year of the corporation beginning after December 31, 1935, is lower than the face value, then when the obligation is redeemed by the corporation the excess of the amount for which redeemed over the fair market value at the time of the dividend payment (to the extent not allowable as a deduction in computing net income for any taxable year) shall be treated as a dividend paid in the taxable year in which the redemption occurs.

(f) **TAXABLE STOCK DIVIDENDS.**—In case of a stock dividend or stock right which is a taxable dividend in the hands of shareholders under section 115 (f), the amount with respect thereto which shall be used in computing the basic surtax credit shall be the fair market value of the stock or the stock right at the time of the payment.

(g) **DISTRIBUTIONS IN LIQUIDATION.**—In the case of amounts distributed in liquidation the part of such distribution which is properly chargeable to the earnings or profits accumulated after February 28, 1913, shall, for the purposes of computing the basic surtax credit under this section, be treated as a taxable dividend paid.

(h) **PREFERENTIAL DIVIDENDS.**—The amount of any distribution (although each portion thereof is received by a shareholder as a taxable dividend), not made in connection with a consent distribution (as defined in section 28 (a) (4)), shall not be considered as dividends paid for the purpose of computing the basic surtax credit, unless such distribution is pro rata, with no preference to any share of stock as compared with other shares of the same class, and with no preference to one class of stock as compared with another class except to the extent that the former is entitled (without reference to waivers of their rights by shareholders) to such preference.

For a distribution made in connection with a consent distribution, see section 28.

(i) **NONTAXABLE DISTRIBUTIONS.**—If any part of a distribution (including stock dividends and stock rights) is not a taxable dividend in the hands of such of the shareholders as are subject to taxation under this chapter for the period in which the distribution is made, such part shall not be included in computing the basic surtax credit.

SEC. 28. CONSENT DIVIDENDS CREDIT.

(a) **DEFINITIONS.**—As used in this section—

(1) **CONSENT STOCK.**—The term "consent stock" means the class or classes of stock entitled, after the payment of preferred dividends (as defined in paragraph (2)), to a share in the distribution (other than in complete or partial liquidation) within the taxable year of all the remaining earnings or profits, which share constitutes the same proportion of such distribution regardless of the amount of such distribution.

(2) **PREFERRED DIVIDENDS.**—The term "preferred dividends" means a distribution (other than in complete or partial liquidation), limited in amount, which must be made on any class of stock before a further distribution (other than in complete or partial liquidation) of earnings or profits may be made within the taxable year.

(3) **CONSENT DIVIDENDS DAY.**—The term "consent dividends day" means the last day of the taxable year of the corporation, unless during the last month of such year there have occurred one or more

22 CODIFICATION OF INTERNAL REVENUE LAWS

days on which was payable a partial distribution (as defined in paragraph (5)), in which case it means the last of such days.

(4) CONSENT DISTRIBUTION.—The term "consent distribution" means the distribution which would have been made if on the consent dividends day (as defined in paragraph (3)) there had actually been distributed in cash and received by each shareholder making a consent filed by the corporation under subsection (d), the specific amount stated in such consent.

(5) PARTIAL DISTRIBUTION.—The term "partial distribution" means such part of an actual distribution, payable during the last month of the taxable year of the corporation, as constitutes a distribution on the whole or any part of the consent stock (as defined in paragraph (1)), which part of the distribution, if considered by itself and not in connection with a consent distribution (as defined in paragraph (4)), would be a preferential distribution, as defined in paragraph (6).

(6) PREFERENTIAL DISTRIBUTION.—The term "preferential distribution" means a distribution which is not pro rata, or which is with preference to any share of stock as compared with other shares of the same class, or to any class of consent stock as compared with any other class of consent stock.

(b) CORPORATIONS NOT ENTITLED TO CREDIT.—A corporation shall not be entitled to a consent dividends credit with respect to any taxable year—

(1) Unless, at the close of such year, all preferred dividends (for the taxable year and, if cumulative, for prior taxable years) have been paid; or

(2) If, at any time during such year, the corporation has taken any steps in, or in pursuance of a plan of, complete or partial liquidation of all or any part of the consent stock.

(c) ALLOWANCE OF CREDIT.—There shall be allowed to the corporation, as a part of its basic surtax credit for the taxable year, a consent dividends credit equal to such portion of the total sum agreed to be included in the gross income of shareholders by their consents filed under subsection (d) as it would have been entitled to include in computing its basic surtax credit if actual distribution of an amount equal to such total sum had been made in cash and each shareholder making such a consent had received, on the consent dividends day, the amount specified in the consent.

(d) SHAREHOLDERS' CONSENTS.—The corporation shall not be entitled to a consent dividends credit with respect to any taxable year—

(1) Unless it files with its return for such year (in accordance with regulations prescribed by the Commissioner with the approval of the Secretary) signed consents made under oath by persons who were shareholders, on the last day of the taxable year of the corporation, of any class of consent stock; and

(2) Unless in each such consent the shareholder agrees that he will include as a taxable dividend, in his return for the taxable year in which or with which the taxable year of the corporation ends, a specific amount; and

(3) Unless the consents filed are made by such of the shareholders and the amount specified in each consent is such, that the consent distribution would not have been a preferential distribution—

(A) If there was no partial distribution during the last month of the taxable year of the corporation, or

(B) If there was such a partial distribution, then when considered in connection with such partial distribution;

and

INCOME TAX 23

(4) Unless in each consent made by a shareholder who is taxable with respect to a dividend only if received from sources within the United States, such shareholder agrees that the specific amount stated in the consent shall be considered as a dividend received by him from sources within the United States; and

(5) Unless each consent filed is accompanied by cash, or such other medium of payment as the Commissioner may by regulations authorize, in an amount equal to the amount that would be required by section 143 (b) or 144 to be deducted and withheld by the corporation if the amount specified in the consent had been, on the last day of the taxable year of the corporation, paid to the shareholder in cash as a dividend. The amount accompanying the consent shall be credited against the tax imposed by section 211 (a) or 231 (a) upon the shareholder.

(e) CONSENT DISTRIBUTION AS PART OF ENTIRE DISTRIBUTION.—If during the last month of the taxable year with respect to which shareholders' consents are filed by the corporation under subsection (d) there is made a partial distribution, then, for the purposes of this chapter, such partial distribution and the consent distribution shall be considered as having been made in connection with each other and each shall be considered together with the other as one entire distribution.

(f) TAXABILITY OF AMOUNTS SPECIFIED IN CONSENTS.—The total amount specified in a consent filed under subsection (d) shall be included as a taxable dividend in the gross income of the shareholder making such consent, and, if the shareholder is taxable with respect to a dividend only if received from sources within the United States, shall be included in the computation of his tax as a dividend received from sources within the United States; regardless of—

(1) Whether he actually so includes it in his return; and

(2) Whether the distribution by the corporation of an amount equal to the total sum included in all the consents filed, had actual distribution been made, would have been in whole or in part a taxable dividend; and

(3) Whether the corporation is entitled to any consent dividends credit by reason of the filing of such consents, or to a credit less than the total sum included in all the consents filed.

(g) CORPORATE SHAREHOLDERS.—If the shareholder who makes the consent is a corporation, the amount specified in the consent shall be considered as part of its earnings or profits for the taxable year, and shall be included in the computation of its accumulated earnings and profits.

(h) BASIS OF STOCK IN HANDS OF SHAREHOLDERS.—The amount specified in a consent made under subsection (d) shall, for the purpose of adjusting the basis of the consent stock with respect to which the consent was given, be treated as having been reinvested by the shareholder as a contribution to the capital of the corporation; but only in an amount which bears the same ratio to the consent dividends credit of the corporation as the amount of such shareholder's consent stock bears to the total amount of consent stock with respect to which consents are made.

(i) EFFECT ON CAPITAL ACCOUNT OF CORPORATION.—The amount of the consent dividends credit allowed under subsection (c) shall be considered as paid in surplus or as a contribution to the capital of the corporation, and the accumulated earnings and profits as of the close of the taxable year shall be correspondingly reduced.

(j) AMOUNTS NOT INCLUDED IN SHAREHOLDER'S RETURN.—The failure of a shareholder of consent stock to include in his gross income for the proper taxable year the amount specified in the consent made by him and filed by the corporation, shall have the same effect, with respect to the deficiency resulting therefrom, as is provided in section 272 (f) with respect to a deficiency resulting from a mathematical error appearing on the face of the return.

Part III—Credits Against Tax

SEC. 31. TAXES OF FOREIGN COUNTRIES AND POSSESSIONS OF UNITED STATES.

The amount of income, war-profits, and excess-profits taxes imposed by foreign countries or possessions of the United States shall be allowed as a credit against the tax, to the extent provided in section 131.

SEC. 32. TAXES WITHHELD AT SOURCE.

The amount of tax withheld at the source under section 143 or 144 shall be allowed as a credit against the tax.

SEC. 33. CREDIT FOR OVERPAYMENTS.

For credit against the tax of overpayments of taxes imposed by this chapter for other taxable years, see section 322.

Part IV—Accounting Periods and Methods of Accounting

SEC. 41. GENERAL RULE.

The net income shall be computed upon the basis of the taxpayer's annual accounting period (fiscal year or calendar year, as the case may be) in accordance with the method of accounting regularly employed in keeping the books of such taxpayer; but if no such method of accounting has been so employed, or if the method employed does not clearly reflect the income, the computation shall be made in accordance with such method as in the opinion of the Commissioner does clearly reflect the income. If the taxpayer's annual accounting period is other than a fiscal year as defined in section 48 or if the taxpayer has no annual accounting period or does not keep books, the net income shall be computed on the basis of the calendar year.

For use of inventories, see section 22 (c).

SEC. 42. PERIOD IN WHICH ITEMS OF GROSS INCOME INCLUDED.

The amount of all items of gross income shall be included in the gross income for the taxable year in which received by the taxpayer, unless, under methods of accounting permitted under section 41, any such amounts are to be properly accounted for as of a different period. In the case of the death of a taxpayer there shall be included in computing net income for the taxable period in which falls the date of his death, amounts accrued up to the date of his death if not otherwise properly includible in respect of such period or a prior period.

SEC. 43. PERIOD FOR WHICH DEDUCTIONS AND CREDITS TAKEN.

The deductions and credits (other than the corporation dividends paid credit provided in section 27) provided for in this chapter shall be taken for the taxable year in which "paid or accrued" or "paid or incurred", dependent upon the method of accounting upon the basis of which the net income is computed, unless in order to clearly reflect the income the deductions or credits should be taken as of a different period. In the case of the death of a taxpayer there shall be allowed as deductions and credits for the taxable period in which falls the date of his death, amounts accrued up to the date of his death (except deductions under section 28 (o)) if not otherwise properly allowable in respect of such period or a prior period.

SEC. 44. INSTALLMENT BASIS.

(a) DEALERS IN PERSONAL PROPERTY.—Under regulations prescribed by the Commissioner with the approval of the Secretary, a person who regularly sells or otherwise disposes of personal property on the installment plan may return as income therefrom in any taxable year that proportion of the installment payments actually received in that year which the gross profit realized or to be realized when payment is completed, bears to the total contract price.

(b) SALES OF REALTY AND CASUAL SALES OF PERSONALITY.—In the case (1) of a casual sale or other casual disposition of personal property (other than property of a kind which would properly be included in the inventory of the taxpayer if on hand at the close of the taxable year), for a price exceeding \$1,000, or (2) of a sale or other disposition of real property, if in either case the initial payments do not exceed 30 per centum of the selling price (or, in case the sale or other disposition was in a taxable year beginning prior to January 1, 1934, the percentage of the selling price prescribed in the law applicable to such year), the income may, under regulations prescribed by the Commissioner with the approval of the Secretary, be returned on the basis and in the manner above prescribed in this section. As used in this section the term "initial payments" means the payments received in cash or property other than evidences of indebtedness of the purchaser during the taxable period in which the sale or other disposition is made.

(c) CHANGE FROM ACCRUAL TO INSTALLMENT BASIS.—If a taxpayer entitled to the benefits of subsection (a) elects for any taxable year to report his net income on the installment basis, then in computing his income for the year of change or any subsequent year, amounts actually received during any such year on account of sales or other dispositions of property made in any prior year shall not be excluded.

(d) GAIN OR LOSS UPON DISPOSITION OF INSTALLMENT OBLIGATIONS.—If an installment obligation is satisfied at other than its face value or distributed, transmitted, sold, or otherwise disposed of, gain or loss shall result to the extent of the difference between the basis of the obligation and (1) in the case of satisfaction at other than face value or a sale or exchange—the amount realized, or (2) in case of a distribution, transmission, or disposition otherwise than by sale or exchange—the fair market value of the obligation at the time of such distribution, transmission, or disposition. Any gain or loss so resulting shall be considered as resulting from the sale or exchange of the property in respect of which the installment obligation was received. The basis of the obligation shall be the excess of the face value of the obligation over an amount equal to the income which would be returnable were the obligation satisfied in full. This subsection shall not apply to the transmission at death of installment obligations if there is filed with the Commissioner, at such time as he may by regulation prescribe, a bond in such amount and with such sureties as he may deem necessary, conditioned upon the return as income, by the person receiving any payment on such obligations, of the same proportion of such payment as would be returnable as income by the decedent if he had lived and had received such payment. If an installment obligation is distributed by one corporation to another corporation in the course of a liquidation, and under section 112 (b) (6) no gain or loss with respect to the receipt of such obligation is recognized in the case of the recipient corporation, then no gain or loss with respect to the distribution of such obligation shall be recognized in the case of the distributing corporation.

SEC. 45. ALLOCATION OF INCOME AND DEDUCTIONS.

In any case of two or more organizations, trades, or businesses (whether or not incorporated, whether or not organized in the United States, and whether or not affiliated) owned or controlled directly or indirectly by the same interests, the Commissioner is authorized to distribute, apportion, or allocate gross income or deductions between or among such organizations, trades, or businesses, if he determines that such distribution, apportionment, or allocation is necessary in order to prevent evasion of taxes or clearly to reflect the income of any of such organizations, trades, or businesses.

SEC. 46. CHANGE OF ACCOUNTING PERIOD.

If a taxpayer changes his accounting period from fiscal year to calendar year, from calendar year to fiscal year, or from one fiscal year to another, the net income shall, with the approval of the Commissioner, be computed on the basis of such new accounting period, subject to the provisions of section 47.

SEC. 47. RETURNS FOR A PERIOD OF LESS THAN TWELVE MONTHS.

(a) RETURNS FOR SHORT PERIOD RESULTING FROM CHANGE OF ACCOUNTING PERIOD.—If a taxpayer, with the approval of the Commissioner, changes the basis of computing net income from fiscal year to calendar year a separate return shall be made for the period between the close of the last fiscal year for which return was made and the following December 31. If the change is from calendar year to fiscal year, a separate return shall be made for the period between the close of the last calendar year for which return was made and the date designated as the close of the fiscal year. If the change is from one fiscal year to another fiscal year a separate return shall be made for the period between the close of the former fiscal year and the date designated as the close of the new fiscal year.

(b) INCOME COMPUTED ON BASIS OF SHORT PERIOD.—Where a separate return is made under subsection (a) on account of a change in the accounting period, and in all other cases where a separate return is required or permitted, by regulations prescribed by the Commissioner with the approval of the Secretary, to be made for a fractional part of a year, then the income shall be computed on the basis of the period for which separate return is made.

(c) INCOME PLACED ON ANNUAL BASIS.—If a separate return is made (except returns of the income of a corporation) under subsection (a) on account of a change in the accounting period, the net income, computed on the basis of the period for which separate return is made, shall be placed on an annual basis by multiplying the amount thereof by twelve and dividing by the number of months included in the period for which the separate return is made. The tax shall be such part of the tax computed on such annual basis as the number of months in such period is of twelve months.

(d) EARNED INCOME.—The Commissioner with the approval of the Secretary shall by regulations prescribe the method of applying the provisions of subsections (b) and (c) (relating to computing income on the basis of a short period, and placing such income on an annual basis) to cases where the taxpayer makes a separate return under subsection (a) on account of a change in the accounting period, and it appears that for the period for which the return is so made he has received earned income.

(e) REDUCTION OF CREDITS AGAINST NET INCOME.—In the case of a return made for a fractional part of a year, except a return made under subsection (a), on account of a change in the accounting period, the personal exemption and credit for dependents shall be reduced respectively to amounts which bear the same ratio to the full credits provided as the number of months in the period for which return is made bears to twelve months.

No joint return may be made if either the husband or wife is a nonresident alien.

(1) FEDERAL EMPLOYEES AND OTHER PERSONS.—It shall be unlawful for any collector, deputy collector, agent, clerk, or other officer or employee of the United States to divulge or to make known in any manner whatever not provided by law to any person the amount or source of income, profits, losses, expenditures, or any particular thereof, set forth or disclosed in any income return, or to permit any income return or copy thereof or any book containing any abstract or particulars thereof to be seen or examined by any person except as provided by law; and it shall be unlawful for any person to print or publish in any manner whatever not provided by law any income return, or any part thereof or source of income, profits, losses, or expenditures appearing in any income return; and any offense against the foregoing provision shall be a misdemeanor and be punished by a fine not exceeding \$1,000 or by imprisonment not exceeding one year, or both, at the discretion of the court; and if the offender be an officer or employee of the United States he shall be dismissed from office or discharged from employment.

(b) INSTALLMENT PAYMENTS.—The taxpayer may elect to pay the tax in four equal installments, in which case the first installment shall be paid on the date prescribed for the payment of the tax by the taxpayer, the second installment shall be paid on the fifteenth day of the third month, the third installment on the fifteenth day of the sixth month, and the fourth installment on the fifteenth day of the ninth month, after such date. If any installment is not paid on or before the date fixed for its payment, the whole amount of the tax unpaid shall be paid upon notice and demand from the collector.

(c) EXTENSION OF TIME FOR PAYMENT.—

(1) GENERAL RULE.—At the request of the taxpayer, the Commissioner may extend the time for payment of the amount determined as the tax by the taxpayer, or any installment thereof, for a period not to exceed six months from the date prescribed for the payment of the tax or an installment thereof. In such case the amount in respect of which the extension is granted shall be paid on or before the date of the expiration of the period of the extension.

(2) LIQUIDATION OF PERSONAL HOLDING COMPANIES.—At the request of the taxpayer, the Commissioner may (under regulations prescribed by the Commissioner with the approval of the Secretary) extend (for a period not to exceed five years from the date prescribed for the payment of the tax) the time for the payment of such portion of the amount determined as the tax by the taxpayer as is attributable to the short-term or long-term capital gain derived by the taxpayer from the receipt by him of property other than money upon the complete liquidation (as defined in section 115 (c)) of a corporation. This paragraph shall apply only if the corporation, for its taxable year preceding the year in which occurred the complete liquidation (or the first of the series of distributions referred to in such section), was, under the law applicable to such taxable year, a personal holding company or a foreign personal holding company. An extension under this paragraph shall be granted only if it is shown to the satisfaction of the Commissioner that the failure to grant it will result in undue hardship to the taxpayer. SEC. 102. SURTAX ON CORPORATIONS IMPROPERLY ACCUMULATING SURPLUS.

(a) IMPOSITION OF TAX. There shall be levied, collected, and paid for each taxable year (in addition to other taxes imposed by this chapter) upon the net income of every corporation (other than a personal holding company as defined in section 501 or a foreign personal holding company as defined in Supplement P) if such corporation, however created or organized, is formed or availed of for the purpose of preventing the imposition of the surtax upon its shareholders or the shareholders of any other corporation, through the medium of permitting earnings or profits to accumulate instead of being divided or distributed, a surtax equal to the sum of the following:

25 per centum of the amount of the undistributed section 102 net income not in excess of \$100,000, plus

35 per centum of the undistributed section 102 net income in excess of \$100,000.

(b) PRIMA FACIE EVIDENCE.—The fact that any corporation is a mere holding or investment company shall be prima facie evidence of a purpose to avoid surtax upon shareholders.

(c) EVIDENCE DETERMINATIVE OF PURPOSE.—The fact that the earnings or profits of a corporation are permitted to accumulate beyond the reasonable needs of the business shall be determinative of the purpose to avoid surtax upon shareholders unless the corporation by the clear preponderance of the evidence shall prove to the contrary.

(d) DEFINITIONS.—As used in this chapter—

(1) SECTION 102 NET INCOME.—The term "section 102 net income" means the net income minus the sum of—

(A) TAXES.—Federal income, war-profits, and excess-profits taxes paid or accrued during the taxable year, to the extent not allowed as a deduction by section 23, but not including the tax imposed by this section or a corresponding section of a prior income-tax law.

(B) DISALLOWED CHARITABLE, ETC., CONTRIBUTIONS.—Contributions or gifts payment of which is made within the taxable year, not otherwise allowed as a deduction, to or for the use of donees described in section 23 (o), for the purposes therein specified.

(C) DISALLOWED LOSSES.—Losses from sales or exchanges of capital assets which are disallowed as a deduction by section 117 (d).

(2) UNDISTRIBUTED SECTION 102 NET INCOME.—The term "undistributed section 102 net income" means the section 102 net income minus the basic surtax credit provided in section 27 (b), but the

36 CODIFICATION OF INTERNAL REVENUE LAWS

computation of such credit under section 27 (b) (1) shall be made without its reduction by the amount of the credit provided in section 26 (a), relating to interest on certain obligations of the United States and Government corporations.

(e) TAX ON PERSONAL HOLDING COMPANIES.—

For surtax on personal holding companies, see section 500.

SEC. 103. RATES OF TAX ON CITIZENS AND CORPORATIONS OF CERTAIN FOREIGN COUNTRIES.

Whenever the President finds that, under the laws of any foreign country, citizens or corporations of the United States are being subjected to discriminatory or extraterritorial taxes, the President shall so proclaim and the rates of tax imposed by sections 11, 12, 13, 14, 201 (b), 204 (a), 207, 211 (a), 231 (a), and 362 shall, for the taxable year during which such proclamation is made and for each taxable year thereafter, be doubled in the case of each citizen and corporation of such foreign country; but the tax at such doubled rate shall be considered as imposed by sections 11, 12, 13, 14, 201 (b), 204 (a), 207, 211 (a), 231 (a), or 362, as the case may be. In no case shall this section operate to increase the taxes imposed by such sections (computed without regard to this section) to an amount in excess of 80 per centum of the net income of the taxpayer. Whenever the President finds that the laws of any foreign country with respect to which the President has made a proclamation under the preceding provisions of this section have been modified so that discriminatory and extraterritorial taxes applicable to citizens and corporations of the United States have been removed, he shall so proclaim, and the provisions of this section providing for doubled rates of tax shall not apply to any citizen or corporation of such foreign country with respect to any taxable year beginning after such proclamation is made.

SEC. 104. BANKS AND TRUST COMPANIES.

(a) DEFINITION.—As used in this section the term "bank" means a bank or trust company incorporated and doing business under the laws of the United States (including laws relating to the District of Columbia), of any State, or of any Territory, a substantial part of the business of which consists of receiving deposits and making loans and discounts, or of exercising fiduciary powers similar to those permitted to national banks under section 11 (k) of the Federal Reserve Act, 38 Stat. 262 (U. S. C., Title 12, § 248k), as amended, and which is subject by law to supervision and examination by State, Territorial or Federal authority having supervision over banking institutions.

(b) RATE OF TAX.—Banks shall be taxable under section 14 (d).

SEC. 105. SALE OF OIL OR GAS PROPERTIES.

In the case of a bona fide sale of any oil or gas property, or any interest therein, where the principal value of the property has been demonstrated by prospecting or exploration or discovery work done by the taxpayer, the portion of the tax imposed by section 12 attributable to such sale shall not exceed 30 per centum of the selling price of such property or interest.

SEC. 106. CLAIMS AGAINST UNITED STATES INVOLVING ACQUISITION OF PROPERTY.

In the case of amounts (other than interest) received by a taxpayer from the United States with respect to a claim against the United States involving the acquisition of property and remaining unpaid for more than fifteen years, the portion of the tax imposed by section 12 attributable to such receipt shall not exceed 30 per centum of the amount (other than interest) so received.

Supplement B—Computation of Net Income

[Supplementary to Subchapter B, Part II]

SEC. 111. DETERMINATION OF AMOUNT OF, AND RECOGNITION OF, GAIN OR LOSS.

(a) **COMPUTATION OF GAIN OR LOSS.**—The gain from the sale or other disposition of property shall be the excess of the amount realized therefrom over the adjusted basis provided in section 113 (b) for determining gain, and the loss shall be the excess of the adjusted basis provided in such section for determining loss over the amount realized.

(b) **AMOUNT REALIZED.**—The amount realized from the sale or other disposition of property shall be the sum of any money received plus the fair market value of the property (other than money) received.

(c) **RECOGNITION OF GAIN OR LOSS.**—In the case of a sale or exchange, the extent to which the gain or loss determined under this section shall be recognized for the purposes of this chapter, shall be determined under the provisions of section 112.

(d) **INSTALLMENT SALES.**—Nothing in this section shall be construed to prevent (in the case of property sold under contract providing for payment in installments) the taxation of that portion of any installment payment representing gain or profit in the year in which such payment is received.

SEC. 112. RECOGNITION OF GAIN OR LOSS.

(a) **GENERAL RULE.**—Upon the sale or exchange of property the entire amount of the gain or loss, determined under section 111, shall be recognized, except as hereinafter provided in this section.

(b) **EXCHANGES SOLELY IN KIND.**—

(1) **PROPERTY HELD FOR PRODUCTIVE USE OR INVESTMENT.**—No gain or loss shall be recognized if property held for productive use in trade or business or for investment (not including stock in trade or other property held primarily for sale, nor stocks, bonds, notes, choses in action, certificates of trust or beneficial interest, or other securities or evidences of indebtedness or interest) is exchanged solely for property of a like kind to be held either for productive use in trade or business or for investment.

(2) **STOCK FOR STOCK OF SAME CORPORATION.**—No gain or loss shall be recognized if common stock in a corporation is exchanged solely for common stock in the same corporation, or if preferred stock in a corporation is exchanged solely for preferred stock in the same corporation.

(3) **STOCK FOR STOCK ON REORGANIZATION.**—No gain or loss shall be recognized if stock or securities in a corporation a party to a reorganization are, in pursuance of the plan of reorganization, exchanged solely for stock or securities in such corporation or in another corporation a party to the reorganization.

(4) **SAME.—GAIN OF CORPORATION.**—No gain or loss shall be recognized if a corporation a party to a reorganization exchanges property, in pursuance of the plan of reorganization, solely for stock or securities in another corporation a party to the reorganization.

(5) **TRANSFER TO CORPORATION CONTROLLED BY TRANSFEROR.**—No gain or loss shall be recognized if property is transferred to a corporation by one or more persons solely in exchange for stock or securities in such corporation, and immediately after the exchange such person or persons are in control of the corporation; but in the case of an exchange by two or more persons this paragraph shall apply only if the amount of the stock and securities received by each is substantially in proportion to his interest in the property prior to the exchange.

38 CODIFICATION OF INTERNAL REVENUE LAWS

(6) PROPERTY RECEIVED BY CORPORATION ON COMPLETE LIQUIDATION OF ANOTHER.—No gain or loss shall be recognized upon the receipt by a corporation of property distributed in complete liquidation of another corporation. For the purposes of this paragraph a distribution shall be considered to be in complete liquidation only if —

(A) the corporation receiving such property was, on the date of the adoption of the plan of liquidation, and has continued to be at all times until the receipt of the property, the owner of stock (in such other corporation) possessing at least 80 per centum of the total combined voting power of all classes of stock entitled to vote and the owner of at least 80 per centum of the total number of shares of all other classes of stock (except non-voting stock which is limited and preferred as to dividends), and was at no time on or after the date of the adoption of the plan of liquidation and until the receipt of the property the owner of a greater percentage of any class of stock than the percentage of such class owned at the time of the receipt of the property; and

(B) no distribution under the liquidation was made before the first day of the first taxable year of the corporation beginning after December 31, 1935; and either

(C) the distribution is by such other corporation in complete cancellation or redemption of all its stock, and the transfer of all the property occurs within the taxable year; in such case the adoption by the shareholders of the resolution under which is authorized the distribution of all the assets of such corporation in complete cancellation or redemption of all its stock, shall be considered an adoption of a plan of liquidation, even though no time for the completion of the transfer of the property is specified in such resolution; or

(D) such distribution is one of a series of distributions by such other corporation in complete cancellation or redemption of all its stock in accordance with a plan of liquidation under which the transfer of all the property under the liquidation is to be completed within three years from the close of the taxable year during which is made the first of the series of distributions under the plan, except that if such transfer is not completed within such period, or if the taxpayer does not continue qualified under subparagraph (A) until the completion of such transfer, no distribution under the plan shall be considered a distribution in complete liquidation.

If such transfer of all the property does not occur within the taxable year the Commissioner may require of the taxpayer such bond, or waiver of the statute of limitations on assessment and collection, or both, as he may deem necessary to insure, if the transfer of the property is not completed within such three-year period, or if the taxpayer does not continue qualified under subparagraph (A) until the completion of such transfer, the assessment and collection of all income, war-profits, and excess-profits taxes then imposed by law for such taxable year or subsequent taxable years, to the extent attributable to property so received. A distribution otherwise constituting a distribution in complete liquidation within the meaning of this paragraph shall not be considered as not constituting such a distribution merely because it does not constitute a distribution or liquidation within the meaning of the corporate law under which the distribution is made; and for the purposes of this paragraph a transfer of property of such other corporation to the taxpayer shall not be considered as not constituting a distribution (or one of a series of distributions) in complete cancellation or redemption of all the stock of such other corporation, merely because the carrying out of the plan involves (i) the transfer under

the plan to the taxpayer by such other corporation of property, not attributable to shares owned by the taxpayer, upon an exchange described in paragraph (4) of this subsection, and (ii) the complete cancellation or redemption under the plan, as a result of exchanges described in paragraph (3) of this subsection, of the shares not owned by the taxpayer.

(8) EXCHANGES AND DISTRIBUTIONS IN OBEDIENCE TO ORDERS OF SECURITIES AND EXCHANGE COMMISSION.—In the case of any exchange or distribution described in section 371, no gain or loss shall be recognized to the extent specified in such section with respect to such exchange or distribution.

(c) GAIN FROM EXCHANGES NOT SOLELY IN KIND.—

(1) If an exchange would be within the provisions of subsection (b) (1), (2), (3), or (5) of this section if it were not for the fact that the property received in exchange consists not only of property permitted by such paragraph to be received without the recognition of gain, but also of other property or money, then the gain, if any, to the recipient shall be recognized, but in an amount not in excess of the sum of such money and the fair market value of such other property.

(2) If a distribution made in pursuance of a plan of reorganization is within the provisions of paragraph (1) of this subsection but has the effect of the distribution of a taxable dividend, then there shall be taxed as a dividend to each distributee such an amount of the gain recognized under paragraph (1) as is not in excess of his ratable share of the undistributed earnings and profits of the corporation accumulated after February 28, 1913. The remainder, if any, of the gain recognized under paragraph (1) shall be taxed as a gain from the exchange of property.

(d) SAME—GAIN OF CORPORATION.—If an exchange would be within the provisions of subsection (b) (4) of this section if it were not for the fact that the property received in exchange consists not only of stock or securities permitted by such paragraph to be received without the recognition of gain, but also of other property or money, then—

(1) If the corporation receiving such other property or money distributes it in pursuance of the plan of reorganization, no gain to the corporation shall be recognized from the exchange, but

(2) If the corporation receiving such other property or money does not distribute it in pursuance of the plan of reorganization, the gain, if any, to the corporation shall be recognized, but in an amount not in excess of the sum of such money and the fair market value of such other property so received, which is not so distributed.

(e) LOSS FROM EXCHANGES NOT SOLELY IN KIND.—If an exchange would be within the provisions of subsection (b) (1) to (5), inclusive, of this section if it were not for the fact that the property received in exchange consists not only of property permitted by such paragraph to be received without the recognition of gain or loss, but also of other property or money, then no loss from the exchange shall be recognized.

(f) INVOLUNTARY CONVERSIONS.—If property (as a result of its destruction in whole or in part, theft or seizure, or an exercise of the power of requisition or condemnation, or the threat or imminence thereof) is compulsorily or involuntarily converted into property similar or related in service or use to the property so converted, or into money which is forthwith in good faith, under regulations prescribed by the Commissioner with the approval of the Secretary, expended in the acquisition of other property similar or related in service or use to the property so converted, or in the acquisition of control of a corporation owning such other property, or in the establishment of a replacement fund, no gain or loss shall be recog-

40 CODIFICATION OF INTERNAL REVENUE LAWS

nized. If any part of the money is not so expended, the gain, if any, shall be recognized, but in an amount not in excess of the money which is not so expended.

(g) DEFINITION OF REORGANIZATION.—As used in this section and section 113—

(1) The term "reorganization" means (A) a statutory merger or consolidation, or (B) the acquisition by one corporation in exchange solely for all or a part of its voting stock: of at least 80 per centum of the voting stock and at least 80 per centum of the total number of shares of all other classes of stock of another corporation; or of substantially all the properties of another corporation, or (C) a transfer by a corporation of all or a part of its assets to another corporation if immediately after the transfer the transferor or its shareholders or both are in control of the corporation to which the assets are transferred, or (D) a recapitalization, or (E) a mere change in identity, form, or place of organization, however effected.

(2) The term "a party to a reorganization" includes a corporation resulting from a reorganization and includes both corporations in the case of a reorganization resulting from the acquisition by one corporation of stock or properties of another.

(h) DEFINITION OF CONTROL.—As used in this section the term "control" means the ownership of stock possessing at least 80 per centum of the total combined voting power of all classes of stock entitled to vote and at least 80 per centum of the total number of shares of all other classes of stock of the corporation.

(i) FOREIGN CORPORATIONS.—In determining the extent to which gain shall be recognized in the case of any of the exchanges described in subsection (b) (3), (4), (5), or (6), or described in so much of subsection (c) as refers to subsection (b) (3) or (5), or described in subsection (d), a foreign corporation shall not be considered as a corporation unless, prior to such exchange, it has been established to the satisfaction of the Commissioner that such exchange is not in pursuance of a plan having as one of its principal purposes the avoidance of Federal income taxes.

(j) INSTALLMENT OBLIGATIONS.—

For nonrecognition of gain or loss in the case of installment obligations, see section 44 (d).

SEC. 113. ADJUSTED BASIS FOR DETERMINING GAIN OR LOSS.

(a) BASIS (UNADJUSTED) OF PROPERTY.—The basis of property shall be the cost of such property; except that—

(1) INVENTORY VALUE.—If the property should have been included in the last inventory, the basis shall be the last inventory value thereof.

(2) GIFTS AFTER DECEMBER 31, 1920.—If the property was acquired by gift after December 31, 1920, the basis shall be the same as it would be in the hands of the donor or the last preceding owner by whom it was not acquired by gift, except that for the purpose of determining loss the basis shall be the basis so determined or the fair market value of the property at the time of the gift, whichever is lower. If the facts necessary to determine the basis in the hands of the donor or the last preceding owner are unknown to the donee, the Commissioner shall, if possible, obtain such facts from such donor or last preceding owner, or any other person cognizant thereof. If the Commissioner finds it impossible to obtain such facts, the basis in the hands of such donor or last preceding owner shall be the fair market value of such property as found by the Commissioner as of the date or approximate date at which, according to the best information that the Commissioner is able to obtain, such property was acquired by such donor or last preceding owner.

(3) TRANSFER IN TRUST AFTER DECEMBER 31, 1920.—If the property was acquired after December 31, 1920, by a transfer in trust (other than by a transfer in trust by a bequest or devise) the basis shall be the same as it would be in the hands of the grantor, increased in the amount of gain or decreased in the amount of loss recognized to the grantor upon such transfer under the law applicable to the year in which the transfer was made.

(4) GIFT OR TRANSFER IN TRUST BEFORE JANUARY 1, 1921.—If the property was acquired by gift or transfer in trust on or before December 31, 1920, the basis shall be the fair market value of such property at the time of such acquisition.

(5) PROPERTY TRANSMITTED AT DEATH.—If the property was acquired by bequest, devise, or inheritance, or by the decedent's estate from the decedent, the basis shall be the fair market value of such property at the time of such acquisition. In the case of property transferred in trust to pay the income for life to or upon the order or direction of the grantor, with the right reserved to the grantor at all times prior to his death to revoke the trust, the basis of such property in the hands of the persons entitled under the terms of the trust instrument to the property after the grantor's death shall, after such death, be the same as if the trust instrument had been a will executed on the day of the grantor's death. For the purpose of this paragraph property passing without full and adequate consideration under a general power of appointment exercised by will shall be deemed to be property passing from the individual exercising such power by bequest or devise. If the property was acquired by bequest, devise, or inheritance, or by the decedent's estate from the decedent, and if the decedent died after August 26, 1937, and if the property consists of stock or securities of a foreign corporation, which with respect to its taxable year next preceding the date of the decedent's death was, under the law applicable to such year, a foreign personal holding company, then the basis shall be the fair market value of such property at the time of such acquisition or the basis in the hands of the decedent, whichever is lower.

(6) TAX-FREE EXCHANGES GENERALLY.—If the property was acquired, after February 28, 1913, upon an exchange described in section 112 (b) to (e), inclusive, the basis (except as provided in paragraphs (15), (17), or (18) of this subsection) shall be the same as in the case of the property exchanged, decreased in the amount of any money received by the taxpayer and increased in the amount of gain or decreased in the amount of loss to the taxpayer that was recognized upon such exchange under the law applicable to the year in which the exchange was made. If the property so acquired consisted in part of the type of property permitted by section 112 (b) to be received without the recognition of gain or loss, and in part of other property, the basis provided in this paragraph shall be allocated between the properties (other than money) received, and for the purpose of the allocation there shall be assigned to such other property an amount equivalent to its fair market value at the date of the exchange. This paragraph shall not apply to property acquired by a corporation by the issuance of its stock or securities as the consideration in whole or in part for the transfer of the property to it.

(7) TRANSFERS TO CORPORATION.—If the property was acquired—

(A) after December 31, 1917, and in a taxable year beginning before January 1, 1936, by a corporation in connection with a reorganization, and immediately after the transfer an interest or control in such property of 50 per centum or more remained in the same persons or any of them, or

(B) in a taxable year beginning after December 31, 1935, by a corporation in connection with a reorganization,

42 CODIFICATION OF INTERNAL REVENUE LAWS

then the basis shall be the same as it would be in the hands of the transferor, increased in the amount of gain or decreased in the amount of loss recognized to the transferor upon such transfer under the law applicable to the year in which the transfer was made. This paragraph shall not apply if the property acquired consists of stock or securities in a corporation a party to the reorganization, unless acquired by the issuance of stock or securities of the transferee as the consideration in whole or in part for the transfer.

(8) PROPERTY ACQUIRED BY ISSUANCE OF STOCK OR AS PAID-IN SURPLUS.—If the property was acquired after December 31, 1920, by a corporation—

(A) by the issuance of its stock or securities in connection with a transaction described in section 112 (b) (5) (including, also, cases where part of the consideration for the transfer of such property to the corporation was property or money, in addition to such stock or securities), or

(B) as paid-in surplus or as a contribution to capital,

then the basis shall be the same as it would be in the hands of the transferor, increased in the amount of gain or decreased in the amount of loss recognized to the transferor upon such transfer under the law applicable to the year in which the transfer was made.

(9) INVOLUNTARY CONVERSION.—If the property was acquired, after February 28, 1913, as the result of a compulsory or involuntary conversion described in section 112 (f), the basis shall be the same as in the case of the property so converted, decreased in the amount of any money received by the taxpayer which was not expended in accordance with the provisions of law (applicable to the year in which such conversion was made) determining the taxable status of the gain or loss upon such conversion, and increased in the amount of gain or decreased in the amount of loss to the taxpayer recognized upon such conversion under the law applicable to the year in which such conversion was made.

(10) WASH SALES OF STOCK.—If the property consists of stock or securities the acquisition of which (or the contract or option to acquire which) resulted in the nondeductibility (under section 118 of this chapter or corresponding provisions of prior income tax laws, relating to wash sales) of the loss from the sale or other disposition of substantially identical stock or securities, then the basis shall be the basis of the stock or securities so sold or disposed of, increased or decreased, as the case may be, by the difference, if any, between the price at which the property was acquired and the price at which such substantially identical stock or securities were sold or otherwise disposed of.

(11) PROPERTY ACQUIRED DURING AFFILIATION.—In the case of property acquired by a corporation, during a period of affiliation, from a corporation with which it was affiliated, the basis of such property, after such period of affiliation, shall be determined, in accordance with regulations prescribed by the Commissioner with the approval of the Secretary, without regard to inter-company transactions in respect of which gain or loss was not recognized. For the purposes of this paragraph, the term "period of affiliation" means the period during which such corporations were affiliated (determined in accordance with the law applicable thereto) but does not include any taxable year beginning on or after January 1, 1922, unless a consolidated return was made, nor any taxable year after the taxable year 1928. The basis in case of property acquired by a corporation during any period, in the taxable year 1929 or any subsequent taxable year, in respect of which a consolidated return is made by such corporation under section 141 of this chapter or the Revenue Act of 1928, 45 Stat. 831, or the Revenue Act

of 1932, 47 Stat. 213, or the Revenue Act of 1934, 48 Stat. 720, or the Revenue Act of 1936, 49 Stat. 1698, shall be determined in accordance with regulations prescribed under section 141 (b) of this chapter or the Revenue Act of 1928 or the Revenue Act of 1932 or the Revenue Act of 1934 or the Revenue Act of 1936. The basis in the case of property held by a corporation during any period, in the taxable year 1929 or any subsequent taxable year, in respect of which a consolidated return is made by such corporation under section 141 of this chapter or the Revenue Act of 1928 or the Revenue Act of 1932 or the Revenue Act of 1934 or the Revenue Act of 1936, shall be adjusted in respect of any items relating to such period, in accordance with regulations prescribed under section 141 (b) of this chapter or the Revenue Act of 1928 or the Revenue Act of 1932 or the Revenue Act of 1934 or the Revenue Act of 1936, applicable to such period.

(12) BASIS ESTABLISHED BY REVENUE ACT OF 1932.—If the property was acquired, after February 28, 1913, in any taxable year beginning prior to January 1, 1934, and the basis thereof, for the purposes of the Revenue Act of 1932, 47 Stat. 199, was prescribed by section 113 (a) (6), (7), or (9) of such Act, then for the purposes of this chapter the basis shall be the same as the basis therein prescribed in the Revenue Act of 1932.

(13) PARTNERSHIPS.—If the property was acquired, after February 28, 1913, by a partnership and the basis is not otherwise determined under any other paragraph of this subsection, then the basis shall be the same as it would be in the hands of the transferor, increased in the amount of gain or decreased in the amount of loss recognized to the transferor upon such transfer under the law applicable to the year in which the transfer was made. If the property was distributed in kind by a partnership to any partner, the basis of such property in the hands of the partner shall be such part of the basis in his hands of his partnership interest as is properly allocable to such property.

(14) PROPERTY ACQUIRED BEFORE MARCH 1, 1913.—In the case of property acquired before March 1, 1913, if the basis otherwise determined under this subsection, adjusted (for the period prior to March 1, 1913) as provided in subsection (b), is less than the fair market value of the property as of March 1, 1913, then the basis for determining gain shall be such fair market value. In determining the fair market value of stock in a corporation as of March 1, 1913, due regard shall be given to the fair market value of the assets of the corporation as of that date.

(15) PROPERTY RECEIVED BY A CORPORATION ON COMPLETE LIQUIDATION OF ANOTHER.—If the property was received by a corporation upon a distribution in complete liquidation of another corporation within the meaning of section 112 (b) (6), then the basis shall be the same as it would be in the hands of the transferor. The basis of property with respect to which election has been made in pursuance of the last sentence of section 113 (a) (15) of the Revenue Act of 1936, as amended, shall, in the hands of the corporation making such election, be the basis prescribed in the Revenue Act of 1934, as amended.

(16) BASIS ESTABLISHED BY REVENUE ACT OF 1934.—If the property was acquired, after February 28, 1913, in any taxable year beginning prior to January 1, 1936, and the basis thereof, for the purposes of the Revenue Act of 1934 was prescribed by section 113 (a) (6), (7), or (8) of such Act, then for the purposes of this chapter the basis shall be the same as the basis therein prescribed in the Revenue Act of 1934.

(17) PROPERTY ACQUIRED IN CONNECTION WITH EXCHANGES AND DISTRIBUTIONS IN OBEDIENCE TO CERTAIN ORDERS OF SECURITIES AND EXCHANGE COMMISSION.—If the property was acquired in any

44 CODIFICATION OF INTERNAL REVENUE LAWS

manner described in section 372, the basis shall be that prescribed in such section with respect to such property.

(18) **PROPERTY RECEIVED IN CERTAIN CORPORATE LIQUIDATIONS.**—If the property was acquired by a shareholder in the liquidation of a corporation in cancellation or redemption of stock with respect to which gain was realized, but with respect to which, as the result of an election made by him under paragraph (7) of section 112 (b), of the Revenue Act of 1938, 52 Stat. 487, the extent to which gain was recognized was determined under such paragraph, then the basis shall be the same as the basis of such stock cancelled or redeemed in the liquidation, decreased in the amount of any money received by him, and increased in the amount of gain recognized to him.

(b) **ADJUSTED BASIS.**—The adjusted basis for determining the gain or loss from the sale or other disposition of property, whenever acquired, shall be the basis determined under subsection (a), adjusted as hereinafter provided.

(1) **GENERAL RULE.**—Proper adjustment in respect of the property shall in all cases be made—

(A) For expenditures, receipts, losses, or other items, properly chargeable to capital account, including taxes and other carrying charges on unimproved and unproductive real property, but no such adjustment shall be made for taxes or other carrying charges for which deductions have been taken by the taxpayer in determining net income for the taxable year or prior taxable years;

(B) in respect of any period since February 28, 1913, for exhaustion, wear and tear, obsolescence, amortization, and depletion, to the extent allowed (but not less than the amount allowable) under this chapter or prior income tax laws. Where for any taxable year prior to the taxable year 1932 the depletion allowance was based on discovery value or a percentage of income, then the adjustment for depletion for such year shall be based on the depletion which would have been allowable for such year if computed without reference to discovery value or a percentage of income;

(C) in respect of any period prior to March 1, 1913, for exhaustion, wear and tear, obsolescence, amortization, and depletion, to the extent sustained;

(D) in the case of stock (to the extent not provided for in the foregoing subparagraphs) for the amount of distributions previously made which, under the law applicable to the year in which the distribution was made, either were tax-free or were applicable in reduction of basis (not including distributions made by a corporation, which was classified as a personal service corporation under the provisions of the Revenue Act of 1918, Feb. 24, 1919, c. 18, 40 Stat. 1057, or the Revenue Act of 1921, Nov. 28, 1921, c. 136, 42 Stat. 227, out of its earnings or profits which were taxable in accordance with the provisions of section 218 of the Revenue Act of 1918 or 1921);

(E) to the extent provided in section 337 (f) in the case of the stock of United States shareholders in a foreign personal holding company; and

(F) to the extent provided in section 28 (h) in the case of amounts specified in a shareholder's consent made under section 28.

(2) **SUBSTITUTED BASIS.**—The term "substituted basis" as used in this subsection means a basis determined under any provision of subsection (a) of this section or under any corresponding provision of a prior income tax law, providing that the basis shall be determined—

(A) by reference to the basis in the hands of a transferor, donor, or grantor, or

(B) by reference to other property held at any time by the person for whom the basis is to be determined.

Whenever it appears that the basis of property in the hands of the taxpayer is a substituted basis, then the adjustments provided in paragraph (1) of this subsection shall be made after first making in respect of such substituted basis proper adjustments of a similar nature in respect of the period during which the property was held by the transferor, donor, or grantor, or during which the other property was held by the person for whom the basis is to be determined. A similar rule shall be applied in the case of a series of substituted bases.

SEC. 114. BASIS FOR DEPRECIATION AND DEPLETION.

(a) **BASIS FOR DEPRECIATION.**—The basis upon which exhaustion, wear and tear, and obsolescence are to be allowed in respect of any property shall be the adjusted basis provided in section 113 (b) for the purpose of determining the gain upon the sale or other disposition of such property.

(b) **BASIS FOR DEPLETION.**—

(1) **GENERAL RULE.**—The basis upon which depletion is to be allowed in respect of any property shall be the adjusted basis provided in section 113 (b) for the purpose of determining the gain upon the sale or other disposition of such property, except as provided in paragraphs (2), (3), and (4) of this subsection.

(2) **DISCOVERY VALUE IN CASE OF MINES.**—In the case of mines (other than metal, coal, or sulphur mines) discovered by the taxpayer after February 28, 1913, the basis for depletion shall be the fair market value of the property at the date of discovery or within thirty days thereafter, if such mines were not acquired as the result of purchase of a proven tract or lease, and if the fair market value of the property is materially disproportionate to the cost. The depletion allowance under section 23 (m) based on discovery value provided in this paragraph shall not exceed 50 per centum of the net income of the taxpayer (computed without allowance for depletion) from the property upon which the discovery was made, except that in no case shall the depletion allowance under section 23 (m) be less than it would be if computed without reference to discovery value. Discoveries shall include minerals in commercial quantities contained within a vein or deposit discovered in an existing mine or mining tract by the taxpayer after February 28, 1913, if the vein or deposit thus discovered was not merely the uninterrupted extension of a continuing commercial vein or deposit already known to exist, and if the discovered minerals are of sufficient value and quantity that they could be separately mined and marketed at a profit.

(3) **PERCENTAGE DEPLETION FOR OIL AND GAS WELLS.**—In the case of oil and gas wells the allowance for depletion under section 23 (m) shall be $27\frac{1}{2}$ per centum of the gross income from the property during the taxable year, excluding from such gross income an amount equal to any rents or royalties paid or incurred by the taxpayer in respect of the property. Such allowance shall not exceed 50 per centum of the net income of the taxpayer (computed without allowance for depletion) from the property, except that in no case shall the depletion allowance under section 23 (m) be less than it would be if computed without reference to this paragraph.

(4) **PERCENTAGE DEPLETION FOR COAL AND METAL MINES AND SULPHUR.**—The allowance for depletion under section 23 (m) shall be, in the case of coal mines, 5 per centum, in the case of metal mines, 15 per centum, and, in the case of sulphur mines or deposits,

46 CODIFICATION OF INTERNAL REVENUE LAWS

23 per centum, of the gross income from the property during the taxable year, excluding from such gross income an amount equal to any rents or royalties paid or incurred by the taxpayer in respect of the property. Such allowance shall not exceed 50 per centum of the net income of the taxpayer (computed without allowance for depletion) from the property. A taxpayer making his first return under this chapter in respect of a property shall state whether he elects to have the depletion allowance for such property for the taxable year for which the return is made computed with or without regard to percentage depletion, and the depletion allowance in respect of such property for such year shall be computed according to the election thus made. If the taxpayer fails to make such statement in the return, the depletion allowance for such property for such year shall be computed without reference to percentage depletion. The method, determined as above, of computing the depletion allowance shall be applied in the case of the property for all taxable years in which it is in the hands of such taxpayer, or of any other person if the basis of the property (for determining gain) in his hands is, under section 113, determined by reference to the basis in the hands of such taxpayer, either directly or through one or more substituted bases, as defined in that section. The above right of election shall be subject to the qualification that this paragraph shall, for the purpose of determining whether the method of computing the depletion allowance follows the property, be considered a continuation of section 114 (b) (4) of the Revenue Act of 1934, 48 Stat. 710, and the Revenue Act of 1936, 49 Stat. 1686, and the Revenue Act of 1938, 52 Stat. 494, and as giving no new election in cases where either of such sections would, if applied, give no new election.

SEC. 115. DISTRIBUTIONS BY CORPORATIONS.

(a) DEFINITION OF DIVIDEND.—The term "dividend" when used in this chapter (except in section 203 (a) (3) and section 207 (c) (1), relating to insurance companies) means any distribution made by a corporation to its shareholders, whether in money or in other property, (1) out of its earnings or profits accumulated after February 28, 1913, or (2) out of the earnings or profits of the taxable year (computed as of the close of the taxable year without diminution by reason of any distributions made during the taxable year), without regard to the amount of the earnings and profits at the time the distribution was made.

(b) SOURCE OF DISTRIBUTIONS.—For the purposes of this chapter every distribution is made out of earnings or profits to the extent thereof, and from the most recently accumulated earnings or profits. Any earnings or profits accumulated, or increase in value of property accrued, before March 1, 1913, may be distributed exempt from tax, after the earnings and profits accumulated after February 28, 1913, have been distributed, but any such tax-free distribution shall be applied against and reduce the adjusted basis of the stock provided in section 113.

(c) DISTRIBUTIONS IN LIQUIDATION.—Amounts distributed in complete liquidation of a corporation shall be treated as in full payment in exchange for the stock, and amounts distributed in partial liquidation of a corporation shall be treated as in part or full payment in exchange for the stock. The gain or loss to the distributee resulting from such exchange shall be determined under section 111, but shall be recognized only to the extent provided in section 112. Despite the provisions of section 117, the gain so recognized shall be considered as a short-term capital gain, except in the case of amounts distributed in complete liquidation. For the purpose of the preceding sentence, "complete liquidation" includes any one of a series of distributions made by a corporation in complete cancellation or redemption of all of its stock in accordance with a bona fide plan of liquidation and

under which the transfer of the property under the liquidation is to be completed within a time specified in the plan, not exceeding, from the close of the taxable year during which is made the first of the series of distributions under the plan, (1) three years, if the first of such series of distributions is made in a taxable year beginning after December 31, 1937, or (2) two years, if the first of such series of distributions was made in a taxable year beginning before January 1, 1938. In the case of amounts distributed (whether before January 1, 1939, or on or after such date) in partial liquidation (other than a distribution to which the provisions of subsection (h) of this section are applicable) the part of such distribution which is properly chargeable to capital account shall not be considered a distribution of earnings or profits. If any distribution in complete liquidation (including any one of a series of distributions made by the corporation in complete cancellation or redemption of all its stock) is made by a foreign corporation which with respect to any taxable year beginning on or before, and ending after, August 26, 1937, was a foreign personal holding company, and with respect to which a United States group (as defined in section 331 (a) (2)) existed after August 26, 1937, and before January 1, 1938, then, despite the foregoing provisions of this subsection, the gain recognized resulting from such distribution shall be considered as a short-term capital gain—

(1) Unless such liquidation is completed before July 1, 1938; or

(2) Unless (if it is established to the satisfaction of the Commissioner by evidence submitted before July 1, 1938, that due to the laws of the foreign country in which such corporation is incorporated, or for other reason, it is or will be impossible to complete the liquidation of such company before such date) the liquidation is completed on or before such date as the Commissioner may find reasonable, but not later than December 31, 1938.

(d) OTHER DISTRIBUTIONS FROM CAPITAL.—If any distribution (not in partial or complete liquidation) made by a corporation to its shareholders is not out of increase in value of property accrued before March 1, 1913, and is not a dividend, then the amount of such distribution shall be applied against and reduce the adjusted basis of the stock provided in section 113, and if in excess of such basis, such excess shall be taxable in the same manner as a gain from the sale or exchange of property.

(e) DISTRIBUTIONS BY PERSONAL SERVICE CORPORATIONS.—Any distribution made by a corporation, which was classified as a personal service corporation under the provisions of the Revenue Act of 1918 or the Revenue Act of 1921, out of its earnings or profits which were taxable in accordance with the provisions of section 218 of the Revenue Act of 1918, 40 Stat. 1070, or section 218 of the Revenue Act of 1921, 42 Stat. 245, shall be exempt from tax to the distributees.

(f) STOCK DIVIDENDS.—

(1) GENERAL RULE.—A distribution made by a corporation to its shareholders in its stock or in rights to acquire its stock shall not be treated as a dividend to the extent that it does not constitute income to the shareholder within the meaning of the Sixteenth Amendment to the Constitution.

(2) ELECTION OF SHAREHOLDERS AS TO MEDIUM OF PAYMENT.—Whenever a distribution by a corporation is, at the election of any of the shareholders (whether exercised before or after the declaration thereof), payable either (A) in its stock or in rights to acquire its stock, of a class which if distributed without election would be exempt from tax under paragraph (1), or (B) in money or any other property (including its stock or in rights to acquire its stock, of a class which if distributed without election would not be exempt from tax under paragraph (1)), then the distribution shall constitute a taxable dividend in the hands of all shareholders, regardless of the medium in which paid.

48 CODIFICATION OF INTERNAL REVENUE LAWS

(g) REDEMPTION OF STOCK.—If a corporation cancels or redeems its stock (whether or not such stock was issued as a stock dividend) at such time and in such manner as to make the distribution and cancellation or redemption in whole or in part essentially equivalent to the distribution of a taxable dividend, the amount so distributed in redemption or cancellation of the stock, to the extent that it represents a distribution of earnings or profits accumulated after February 28, 1913, shall be treated as a taxable dividend.

(h) EFFECT ON EARNINGS AND PROFITS OF DISTRIBUTIONS OF STOCK.—The distribution (whether before January 1, 1939, or on or after such date) to a distributee by or on behalf of a corporation of its stock or securities, of stock or securities in another corporation, or of property or money, shall not be considered a distribution of earnings or profits of any corporation—

(1) if no gain to such distributee from the receipt of such stock or securities, property or money, was recognized by law, or

(2) if the distribution was not subject to tax in the hands of such distributee because it did not constitute income to him within the meaning of the Sixteenth Amendment to the Constitution or because exempt to him under section 115 (f) of the Revenue Act of 1934, 48 Stat. 712, or a corresponding provision of a prior Revenue Act.

As used in this subsection the term "stock or securities" includes rights to acquire stock or securities.

(i) DEFINITION OF PARTIAL LIQUIDATION.—As used in this section the term "amounts distributed in partial liquidation" means a distribution by a corporation in complete cancellation or redemption of a part of its stock, or one of a series of distributions in complete cancellation or redemption of all or a portion of its stock.

(j) VALUATION OF DIVIDEND.—If the whole or any part of a dividend is paid to a shareholder in any medium other than money the property received other than money shall be included in gross income at its fair market value at the time as of which it becomes income to the shareholder.

(k) CONSENT DISTRIBUTIONS.—

For taxability as dividends of amounts agreed to be included in gross income by shareholders' consents, see section 28.

No such refund shall be made unless the entire amount of the refund is to be applied in part payment for the acquisition of such bridge.

50 CODIFICATION OF INTERNAL REVENUE LAWS

(2) If by the terms of such contract no part of the proceeds from the operation of the bridge for the taxable year would, irrespective of the tax imposed by this chapter, accrue directly to or for the use of or be applied for the benefit of such State or political subdivision, then the tax upon the net income from the operation of such bridge shall be levied, assessed, collected, and paid in the manner and at the rates prescribed in this chapter.

(6) SALE OF PERSONAL PROPERTY.—

For gains, profits, and income from the sale of personal property, see subsection (e).

(b) NET INCOME FROM SOURCES IN UNITED STATES.—From the items of gross income specified in subsection (a) of this section there shall be deducted the expenses, losses, and other deductions properly apportioned or allocated thereto and a ratable part of any expenses, losses, or other deductions which can not definitely be allocated to some item or class of gross income. The remainder, if any, shall be included in full as net income from sources within the United States.

(c) GROSS INCOME FROM SOURCES WITHOUT UNITED STATES.—The following items of gross income shall be treated as income from sources without the United States :

(1) Interest other than that derived from sources within the United States as provided in subsection (a) (1) of this section;

(2) Dividends other than those derived from sources within the United States as provided in subsection (a) (2) of this section;

(3) Compensation for labor or personal services performed without the United States;

(4) Rentals or royalties from property located without the United States or from any interest in such property, including rentals or royalties for the use of or for the privilege of using without the United States, patents, copyrights, secret processes and formulas, good will, trade-marks, trade brands, franchises, and other like properties; and

(5) Gains, profits, and income from the sale of real property located without the United States.

(d) NET INCOME FROM SOURCES WITHOUT UNITED STATES.—From the items of gross income specified in subsection (c) of this section there shall be deducted the expenses, losses, and other deductions properly apportioned or allocated thereto, and a ratable part of any expenses, losses, or other deductions which can not definitely be allocated to some item or class of gross income. The remainder, if any, shall be treated in full as net income from sources without the United States.

(e) INCOME FROM SOURCES PARTLY WITHIN AND PARTLY WITHOUT UNITED STATES.—Items of gross income, expenses, losses and deductions, other than those specified in subsections (a) and (c) of this section, shall be allocated or apportioned to sources within or without the United States, under rules and regulations prescribed by the Commissioner with the approval of the Secretary. Where items of gross income are separately allocated to sources within the United States, there shall be deducted (for the purpose of computing the net income therefrom) the expenses, losses, and other deductions properly apportioned or allocated thereto and a ratable part of other expenses, losses or other deductions which can not definitely be allocated to some item or class of gross income. The remainder, if any, shall be included in full as net income from sources within the United States. In the case of gross income derived from sources partly within and partly without the United States, the net income may first be computed by deducting the expenses, losses, or other deductions apportioned or allocated thereto and a ratable part of any expenses, losses, or other deductions which can not definitely be allocated to some items or class of gross income; and the portion of such net income attributable to sources within the United States may be determined by processes or formulas of general apportionment prescribed by the Commissioner with the approval of the Secretary. Gains, profits, and income from—

(2) from the sale of personal property produced (in whole or in part) by the taxpayer within and sold without the United States, or produced (in whole or in part) by the taxpayer without and sold within the United States,

shall be treated as derived partly from sources within and partly from sources without the United States. Gains, profits and income derived from the purchase of personal property within and its sale without the United States or from the purchase of personal property without and its sale within the United States, shall be treated as derived entirely from sources within the country in which sold, except that gains, profits, and income derived from the purchase of personal property within a possession of the United States and its sale within the United States shall be treated as derived partly from sources within and partly from sources without the United States.

(f) DEFINITIONS.—As used in this section the words "sale" or "sold" include "exchange" or "exchanged"; and the word "produced" includes "created", "fabricated", "manufactured", "extracted", "processed", "cured", or "aged".

56 CODIFICATION OF INTERNAL REVENUE LAWS

SEC. 120. UNLIMITED DEDUCTION FOR CHARITABLE AND OTHER CONTRIBUTIONS.

In the case of an individual if in the taxable year and in each of the ten preceding taxable years the amount of the contributions or gifts described in section 23 (o) (or corresponding provisions of prior revenue Acts) plus the amount of income, war-profits, or excess-profits taxes paid during such year in respect of preceding taxable years, exceeds 90 per centum of the taxpayer's net income for each such year, as computed without the benefit of the applicable subsection, then the 15 per centum limit imposed by section 23 (o) shall not be applicable.

SEC. 121. DEDUCTION OF DIVIDENDS PAID ON CERTAIN PREFERRED STOCK OF CERTAIN CORPORATIONS.

In computing the net income of any national banking association, or of any bank or trust company organized under the laws of any State, Territory, possession of the United States, or the Canal Zone, or of any other banking corporation engaged in the business of industrial banking and under the supervision of a State banking department or of the Comptroller of the Currency, or of any incorporated domestic insurance company, there shall be allowed as a deduction from gross income, in addition to deductions otherwise provided for in this chapter, any dividend (not including any distribution in liquidation) paid, within the taxable year, to the United States or to any instrumentality thereof exempt from Federal income taxes, on the preferred stock of the corporation owned by the United States or such instrumentality. The amount allowable as a deduction under this section shall be deducted from the basic surtax credit otherwise computed under section 27 (b).

Supplement C—Credits Against Tax

[Supplementary to Subchapter B, Part III]

SEC. 131. TAXES OF FOREIGN COUNTRIES AND POSSESSIONS OF UNITED STATES.

(a) ALLOWANCE OF CREDIT.—If the taxpayer signifies in his return his desire to have the benefits of this section, the tax imposed by this chapter shall be credited with:

(1) CITIZEN AND DOMESTIC CORPORATION.—In the case of a citizen of the United States and of a domestic corporation, the amount of any income, war-profits, and excess-profits taxes paid or accrued during the taxable year to any foreign country or to any possession of the United States; and

(2) RESIDENT OF UNITED STATES.—In the case of a resident of the United States, the amount of any such taxes paid or accrued during the taxable year to any possession of the United States; and

(3) ALIEN RESIDENT OF UNITED STATES.—In the case of an alien resident of the United States, the amount of any such taxes paid or accrued during the taxable year to any foreign country, if the foreign country of which such alien resident is a citizen or subject, in imposing such taxes, allows a similar credit to citizens of the United States residing in such country; and

(4) PARTNERSHIPS AND ESTATES.—In the case of any such individual who is a member of a partnership or a beneficiary of an estate or trust, his proportionate share of such taxes of the partnership or the estate or trust paid or accrued during the taxable year to a foreign country or to any possession of the United States, as the case may be.

(b) LIMIT ON CREDIT.—The amount of the credit taken under this section shall be subject to each of the following limitations:

(1) The amount of the credit in respect of the tax paid or accrued to any country shall not exceed the same proportion of the

tax against which such credit is taken, which the taxpayer's net income from sources within such country bears to his entire net income for the same taxable year; and

(2) The total amount of the credit shall not exceed the same proportion of the tax against which such credit is taken, which the taxpayer's net income from sources without the United States bears to his entire net income for the same taxable year.

(c) ADJUSTMENTS ON PAYMENT OF ACCRUED TAXES.—If accrued taxes when paid differ from the amounts claimed as credits by the taxpayer, or if any tax paid is refunded in whole or in part, the taxpayer shall notify the Commissioner, who shall redetermine the amount of the tax for the year or years affected, and the amount of tax due upon such redetermination, if any, shall be paid by the taxpayer upon notice and demand by the collector, or the amount of tax overpaid, if any, shall be credited or refunded to the taxpayer in accordance with the provisions of section 322. In the case of such a tax accrued but not paid, the Commissioner as a condition precedent to the allowance of this credit may require the taxpayer to give a bond with sureties satisfactory to and to be approved by the Commissioner in such sum as the Commissioner may require, conditioned upon the payment by the taxpayer of any amount of tax found due upon any such redetermination; and the bond herein prescribed shall contain such further conditions as the Commissioner may require.

(d) YEAR IN WHICH CREDIT TAKEN.—The credits provided for in this section may, at the option of the taxpayer and irrespective of the method of accounting employed in keeping his books, be taken in the year in which the taxes of the foreign country or the possession of the United States accrued, subject, however, to the conditions prescribed in subsection (c) of this section. If the taxpayer elects to take such credits in the year in which the taxes of the foreign country or the possession of the United States accrued, the credits for all subsequent years shall be taken upon the same basis, and no portion of any such taxes shall be allowed as a deduction in the same or any succeeding year.

(e) PROOF OF CREDITS.—The credits provided in this section shall be allowed only if the taxpayer establishes to the satisfaction of the Commissioner (1) the total amount of income derived from sources without the United States, determined as provided in section 119, (2) the amount of income derived from each country, the tax paid or accrued to which is claimed as a credit under this section, such amount to be determined under rules and regulations prescribed by the Commissioner with the approval of the Secretary, and (3) all other information necessary for the verification and computation of such credits.

(f) TAXES OF FOREIGN SUBSIDIARY.—For the purposes of this section a domestic corporation which owns a majority of the voting stock of a foreign corporation from which it receives dividends in any taxable year shall be deemed to have paid the same proportion of any income, war-profits, or excess-profits taxes paid by such foreign corporation to any foreign country or to any possession of the United States, upon or with respect to the accumulated profits of such foreign corporation from which such dividends were paid, which the amount of such dividends bears to the amount of such accumulated profits: *Provided*, That the amount of tax deemed to have been paid under this subsection shall in no case exceed the same proportion of the tax against which credit is taken which the amount of such dividends bears to the amount of the entire net income of the domestic corporation in which such dividends are included. The term "accumulated profits" when used in this subsection in reference to a foreign corporation, means the amount of its gains, profits, or income in excess of the income, war-profits,

58 CODIFICATION OF INTERNAL REVENUE LAWS

and excess-profits taxes imposed upon or with respect to such profits or income; and the Commissioner with the approval of the Secretary shall have full power to determine from the accumulated profits of what year or years such dividends were paid; treating dividends paid in the first sixty days of any year as having been paid from the accumulated profits of the preceding year or years (unless to his satisfaction shown otherwise), and in other respects treating dividends as having been paid from the most recently accumulated gains, profits, or earnings. In the case of a foreign corporation, the income, war-profits, and excess-profits taxes of which are determined on the basis of an accounting period of less than one year, the word "year" as used in this subsection shall be construed to mean such accounting period.

(g) **CORPORATIONS TREATED AS FOREIGN.**—For the purposes of this section the following corporations shall be treated as foreign corporations:

(1) A corporation entitled to the benefits of section 251, by reason of receiving a large percentage of its gross income from sources within a possession of the United States;

(2) A corporation organized under the China Trade Act, 1922, 42 Stat. 849 (U. S. C., Title 15, c. 4), and entitled to the credit provided for in section 262.

Supplement D—Returns and Payment of Tax

[Supplementary to Subchapter B, Part V]

SEC. 141. CONSOLIDATED RETURNS OF RAILROAD CORPORATIONS.

(a) **PRIVILEGE TO FILE CONSOLIDATED RETURNS.**—An affiliated group of corporations shall, subject to the provisions of this section, have the privilege of making a consolidated return for the taxable year in lieu of separate returns. The making of a consolidated return shall be upon the condition that all the corporations which have been members of the affiliated group at any time during the taxable year for which the return is made consent to all the regulations under subsection (b) (or, in case such regulations are not prescribed prior to the making of the return, then the regulations prescribed under section 141 (b) of the Revenue Act of 1936, 49 Stat. 1698, insofar as not inconsistent with this chapter) prescribed prior to the making of such return; and the making of a consolidated return shall be considered as such consent. In the case of a corporation which is a member of the affiliated group for a fractional part of the year the consolidated return shall include the income of such corporation for such part of the year as it is a member of the affiliated group.

(b) **REGULATIONS.**—The Commissioner, with the approval of the Secretary, shall prescribe such regulations as he may deem necessary in order that the tax liability of any affiliated group of corporations making a consolidated return and of each corporation in the group, both during and after the period of affiliation, may be determined, computed, assessed, collected, and adjusted in such manner as clearly to reflect the income and to prevent avoidance of tax liability.

(c) **COMPUTATION AND PAYMENT OF TAX.**—In any case in which a consolidated return is made the tax shall be determined, computed, assessed, collected, and adjusted in accordance with the regulations under subsection (b) (or, in case such regulations are not prescribed prior to the making of the return, then the regulations prescribed under section 141 (b) of the Revenue Act of 1936 insofar as not inconsistent with this chapter) prescribed prior to the date on which such return is made.

(d) DEFINITION OF "AFFILIATED GROUP".—As used, in this section an "affiliated group" means one or more chains of corporations connected through stock ownership with a common parent corporation if—

(1) At least 95 per centum of the stock of each of the corporations (except the common parent corporation) is owned directly by one or more of the other corporations; and

(2) The common parent corporation owns directly at least 95 per centum of the stock of at least one of the other corporations; and

(3) Each of the corporations is either (A) a corporation whose principal business is that of a common carrier by railroad or (B) a corporation the assets of which consist principally of stock in such corporations and which does not itself operate a business other than that of a common carrier by railroad. For the purpose of determining whether the principal business of a corporation is that of a common carrier by railroad, if a common carrier by railroad has leased its railroad properties and such properties are operated as such by another common carrier by railroad, the business of receiving rents for such railroad properties shall be considered as the business of a common carrier by railroad. As used in this paragraph, the term "railroad" includes a street, suburban, or interurban electric railway, or a street or suburban trackless trolley system of transportation, or a street or suburban bus system of transportation operated as part of a street or suburban electric railway or trackless trolley system. As used in this subsection (except in paragraph (3)) the term "stock" does not include nonvoting stock which is limited and preferred as to dividends.

(e) FOREIGN CORPORATIONS.—A foreign corporation shall not be deemed to be affiliated with any other corporation within the meaning of this section.

(f) CHINA TRADE ACT CORPORATIONS.—A corporation organized under the China Trade Act, 1922, 42 Stat. 849 (U. S. C., Title 15, c. 4), shall not be deemed to be affiliated with any other corporation within the meaning of this section.

(g) CORPORATIONS DERIVING INCOME FROM POSSESSIONS OF UNITED STATES.—For the purposes of this section a corporation entitled to the benefits of section 251, by reason of receiving a large percentage of its income from possessions of the United States, shall be treated as a foreign corporation.

(h) SUBSIDIARY FORMED TO COMPLY WITH FOREIGN LAW.—In the case of a domestic corporation owning or controlling, directly or indirectly, 100 per centum of the capital stock (exclusive of directors' qualifying shares) of a corporation organized under the laws of a contiguous foreign country and maintained solely for the purpose of complying with the laws of such country as to title and operation of property, such foreign corporation may, at the option of the domestic corporation, be treated for the purpose of this chapter as a domestic corporation.

(i) SUSPENSION OF RUNNING OF STATUTE OF LIMITATIONS.—If a notice under section 272 (a) in respect of a deficiency for any taxable year is mailed to a corporation, the suspension of the running of the statute of limitations, provided in section 277, shall apply in the case of corporations with which such corporation made a consolidated return for such taxable year.

(j) RECEIVERSHIP CASES.—If the common parent corporation of an affiliated group making a consolidated return would, if filing a separate return, be entitled to the benefits of section 13 (e), the affiliated group shall be entitled to the benefits of such subsection. In all

60 CODIFICATION OF INTERNAL REVENUE LAWS

other cases the affiliated group making a consolidated return shall not be entitled to the benefits of such subsection, regardless of the fact that one or more of the corporations in the group are in bankruptcy or in receivership.

(k) ALLOCATION OF INCOME AND DEDUCTIONS.—

For allocation of income and deductions of related trades or businesses, see section 45.

SEC. 142. FIDUCIARY RETURNS.

(7) Every estate or trust of which any beneficiary is a non-resident alien.

(b) JOINT FIDUCIARIES.—Under such regulations as the Commissioner with the approval of the Secretary may prescribe a return made by one of two or more joint fiduciaries and filed in the office of the collector of the district where such fiduciary resides shall be sufficient compliance with the above requirement. Such fiduciary shall make oath (1) that he has sufficient knowledge of the affairs of the individual, estate, or trust for which the return is made, to enable him to make the return, and (2) that the return is, to the best of his knowledge and belief, true and correct.

(c) LAW APPLICABLE TO FIDUCIARIES.—Any fiduciary required to make a return under this chapter shall be subject to all the provisions of law which apply to individuals.

(d) INCOME OF RECIPIENT.—Income upon which any tax is required to be withheld at the source under this section shall be included in the return of the recipient of such income, but any amount of tax so withheld shall be credited against the amount of income tax as computed in such return.

(e) TAX PAID BY RECIPIENT.—If any tax required under this section to be deducted and withheld is paid by the recipient of the income, it shall not be re-collected from the withholding agent; nor in cases in which the tax is so paid shall any penalty be imposed upon or collected from the recipient of the income or the withholding agent for failure to return or pay the same, unless such failure was fraudulent and for the purpose of evading payment.

(f) REFUNDS AND CREDITS.—Where there has been an overpayment of tax under this section any refund or credit made under the provisions of section 322 shall be made to the withholding agent unless the amount of such tax was actually withheld by the withholding agent.

(1) DEPARTURE OF TAXPAYER OR REMOVAL OF PROPERTY FROM UNITED STATES.—If the Commissioner finds that a taxpayer designs quickly to depart from the United States or to remove his property therefrom, or to conceal himself or his property therein, or to do any other act tending to prejudice or to render wholly or partly ineffectual proceedings to collect the tax for the taxable year then last past or the taxable year then current unless such proceedings be brought without delay, the Commissioner shall declare the taxable period for such taxpayer immediately terminated and shall cause notice of such finding and declaration to be given the taxpayer, together with a demand for immediate payment of the tax for the taxable period so declared terminated and of the tax for the preceding taxable year or so much of such tax as is unpaid, whether or not the time otherwise allowed by law for filing return and paying the tax has expired; and such taxes shall thereupon become immediately due and payable. In any proceeding in court brought to enforce payment of taxes made due and payable by virtue of the provisions of this section the finding of the Commissioner, made as herein provided, whether made after notice to the taxpayer or not, shall be for all purposes presumptive evidence of the taxpayer's design.

(2) CORPORATION IN LIQUIDATION.—If the Commissioner finds that the collection of the tax of a corporation for the current or last preceding taxable year will be jeopardized by the distribution of all or a portion of the assets of such corporation in the liquidation of the whole or any part of its capital stock, the Commissioner shall declare the taxable period for such taxpayer immediately terminated and shall cause notice of such finding and declaration to be given the taxpayer, together with a demand for immediate payment of the tax for the taxable period so declared terminated and of the tax for the last preceding taxable year or so much of such tax as is unpaid, whether or not the time otherwise allowed by law for filing return and paying the tax has expired; and such taxes shall thereupon become immediately due and payable.

The Commissioner may approve and accept in like manner security for return and payment of taxes made due and payable by virtue of the provisions of this section, provided the taxpayer has paid in full all other income, war-profits, or excess-profits taxes due from him under any Act of Congress.

(c) SAME—EXEMPTION FROM SECTION.—If security is approved and accepted pursuant to the provisions of this section and such further or other security with respect to the tax or taxes covered thereby is given as the Commissioner shall from time to time find necessary and require, payment of such taxes shall not be enforced by any proceedings under the provisions of this section prior to the expiration of the time otherwise allowed for paying such respective taxes.

Supplement L—Assessment and Collection of Deficiencies

SEC. 271. DEFINITION OF DEFICIENCY.

As used in this chapter in respect of a tax imposed by this chapter "deficiency" means—

(a) The amount by which the tax imposed by this chapter exceeds the amount shown as the tax by the taxpayer upon his return; but the amount so shown on the return shall first be increased by the amounts previously assessed (or collected without assessment) as a deficiency, and decreased by the amounts previously abated, credited, refunded, or otherwise repaid in respect of such tax; or

(b) If no amount is shown as the tax by the taxpayer upon his return, or if no return is made by the taxpayer, then the amount by which the tax exceeds the amounts previously assessed (or collected without assessment) as a deficiency; but such amounts previously assessed, or collected without assessment, shall first be decreased by the amounts previously abated, credited, refunded, or otherwise repaid in respect of such tax.

SEC. 272. PROCEDURE IN GENERAL.

(a) (1) PETITION TO BOARD OF TAX APPEALS.—If in the case of any taxpayer, the Commissioner determines that there is a deficiency in respect of the tax imposed by this chapter, the Commissioner is authorized to send notice of such deficiency to the taxpayer by registered mail. Within ninety days after such notice is mailed (not counting Sunday or a legal holiday in the District of Columbia as the ninetytieth day), the taxpayer may file a petition with the Board of Tax Appeals for a redetermination of the deficiency. No assessment of a deficiency in respect of the tax imposed by this chapter and no distraint or proceeding in court for its collection shall be made, begun, or prosecuted until such notice has been mailed to the taxpayer, nor until the expiration of such ninety-day period, nor, if a petition has been filed with the Board, until the decision of the Board has become final. Notwithstanding the provisions of section 3653 (a) the making of such assessment or the beginning of such proceeding or distraint during the time such prohibition is in force may be enjoined by a proceeding in the proper court. In the case of a joint return filed by husband and wife such notice of deficiency may be a single joint notice, except that if the Commissioner has been notified by either spouse that separate residences have been established, then, in lieu

of the single joint notice, duplicate originals of the joint notice must be sent by registered mail to each spouse at his last known address.

(2) CROSS REFERENCES.—

For exceptions to the restrictions imposed by this subsection, see—

Subsection (d) of this section, relating to waivers by the taxpayer;

Subsection (f) of this section, relating to notifications of mathematical errors appearing upon the face of the return;

Section 273, relating to jeopardy assessments;

Section 274, relating to bankruptcy and receiverships; and

Section 1145, relating to assessment or collection of the amount of the deficiency determined by the Board pending court review.

(b) COLLECTION OF DEFICIENCY FOUND BY BOARD.—If the taxpayer files a petition with the Board, the entire amount redetermined as the deficiency by the decision of the Board which has become final shall be assessed and shall be paid upon notice and demand from the collector. No part of the amount determined as a deficiency by the Commissioner but disallowed as such by the decision of the Board which has become final shall be assessed or be collected by distraint or by proceeding in court with or without assessment.

(c) FAILURE TO FILE PETITION.—If the taxpayer does not file a petition with the Board within the time prescribed in subsection (a) of this section, the deficiency, notice of which has been mailed to the taxpayer, shall be assessed, and shall be paid upon notice and demand from the collector.

(d) WAIVER OF RESTRICTIONS.—The taxpayer shall at any time have the right, by a signed notice in writing filed with the Commissioner, to waive the restrictions provided in subsection (a) of this section on the assessment and collection of the whole or any part of the deficiency.

(e) INCREASE OF DEFICIENCY AFTER NOTICE MAILED.—The Board shall have jurisdiction to redetermine the correct amount of the deficiency even if the amount so redetermined is greater than the amount of the deficiency, notice of which has been mailed to the taxpayer, and to determine whether any penalty, additional amount or addition to the tax should be assessed—if claim therefor is asserted by the Commissioner at or before the hearing or a rehearing.

(f) FURTHER DEFICIENCY LETTERS RESTRICTED.—If the Commissioner has mailed to the taxpayer notice of a deficiency as provided in subsection (a) of this section, and the taxpayer files a petition with the Board within the time prescribed in such subsection, the Commissioner shall have no right to determine any additional deficiency in respect of the same taxable year, except in the case of fraud, and except as provided in subsection (e) of this section, relating to assertion of greater deficiencies before the Board, or in section 273 (c), relating to the making of jeopardy assessments. If the taxpayer is notified that, on account of a mathematical error appearing upon the face of the return, an amount of tax in excess of that shown upon the return is due, and that an assessment of the tax has been or will be made on the basis of what would have been the correct amount of tax but for the mathematical error, such notice shall not be considered (for the purposes of this subsection, or of subsection (a) of this section, prohibiting assessment and collection until notice of deficiency has been mailed, or of section 322 (c), prohibiting credits or refunds after petition to the Board of Tax Appeals) as a notice of a deficiency, and the taxpayer shall have no right to file a petition with the Board based on such notice, nor shall such assessment or collection be prohibited by the provisions of subsection (a) of this section.

(g) JURISDICTION OVER OTHER TAXABLE YEARS.—The Board in redetermining a deficiency in respect of any taxable year shall consider such facts with relation to the taxes for other taxable years as may be necessary correctly to redetermine the amount of such de-

84 CODIFICATION OF INTERNAL REVENUE LAWS

ficiency, but in so doing shall have no jurisdiction to determine whether or not the tax for any other taxable year has been overpaid or underpaid.

(h) FINAL DECISIONS OF BOARD.—For the purposes of this chapter the date on which a decision of the Board becomes final shall be determined according to the provisions of section 1140.

(i) PRORATING OF DEFICIENCY TO INSTALLMENTS.—If the taxpayer has elected to pay the tax in installments and a deficiency has been assessed, the deficiency shall be prorated to the four installments. Except as provided in section 273 (relating to jeopardy assessments), that part of the deficiency so prorated to any installment the date for payment of which has not arrived, shall be collected at the same time as and as part of such installment. That part of the deficiency so prorated to any installment the date for payment of which has arrived, shall be paid upon notice and demand from the collector.

(j) EXTENSION OF TIME FOR PAYMENT OF DEFICIENCIES.—Where it is shown to the satisfaction of the Commissioner that the payment of a deficiency upon the date prescribed for the payment thereof will result in undue hardship to the taxpayer the Commissioner, under regulations prescribed by the Commissioner, with the approval of the Secretary, may grant an extension for the payment of such deficiency for a period not in excess of eighteen months, and, in exceptional cases, for a further period not in excess of twelve months. If an extension is granted, the Commissioner may require the taxpayer to furnish a bond in such amount, not exceeding double the amount of the deficiency, and with such sureties, as the Commissioner deems necessary, conditioned upon the payment of the deficiency in accordance with the terms of the extension. No extension shall be granted if the deficiency is due to negligence, to intentional disregard of rules and regulations, or to fraud with intent to evade tax.

(k) ADDRESS FOR NOTICE OF DEFICIENCY.—In the absence of notice to the Commissioner under section 312 (a) of the existence of a fiduciary relationship, notice of a deficiency in respect of a tax imposed by this chapter, if mailed to the taxpayer at his last known address, shall be sufficient for the purposes of this chapter even if such taxpayer is deceased, or is under a legal disability, or, in the case of a corporation, has terminated its existence.

SEC. 273. JEOPARDY ASSESSMENTS.

(a) AUTHORITY FOR MAKING.—If the Commissioner believes that the assessment or collection of a deficiency will be jeopardized by delay, he shall immediately assess such deficiency (together with all interest, additional amounts, or additions to the tax provided for by law) and notice and demand shall be made by the collector for the payment thereof.

(b) DEFICIENCY LETTERS.—If the jeopardy assessment is made before any notice in respect of the tax to which the jeopardy assessment relates has been mailed under section 272 (a), then the Commissioner shall mail a notice under such subsection within sixty days after the making of the assessment.

(c) AMOUNT ASSESSABLE BEFORE DECISION OF BOARD.—The jeopardy assessment may be made in respect of a deficiency greater or less than that notice of which has been mailed to the taxpayer, despite the provisions of section 272 (f) prohibiting the determination of additional deficiencies, and whether or not the taxpayer has theretofore filed a petition with the Board of Tax Appeals. The Commissioner may, at any time before the decision of the Board is rendered, abate such assessment, or any unpaid portion thereof, to the extent that he believes the assessment to be excessive in amount. The Commissioner shall notify the Board of the amount of such assessment, or abatement, if the petition is filed with the Board before the making

of the assessment or is subsequently filed, and the Board shall have jurisdiction to redetermine the entire amount of the deficiency and of all amounts assessed at the same time in connection therewith.

(d) AMOUNT ASSESSABLE AFTER DECISION OF BOARD.—If the jeopardy assessment is made after the decision of the Board is rendered such assessment may be made only in respect of the deficiency determined by the Board in its decision.

(e) EXPIRATION OF RIGHT TO ASSESS.—A jeopardy assessment may not be made after the decision of the Board has become final or after the taxpayer has filed a petition for review of the decision of the Board.

(f) BOND TO STAY COLLECTION.—When a jeopardy assessment has been made the taxpayer, within 10 days after notice and demand from the collector for the payment of the amount of the assessment, may obtain a stay of collection of the whole or any part of the amount of the assessment by filing with the collector a bond in such amount, not exceeding double the amount as to which the stay is desired, and with such sureties, as the collector deems necessary, conditioned upon the payment of so much of the amount, the collection of which is stayed by the bond, as is not abated by a decision of the Board which has become final, together with interest thereon as provided in section 297. If any portion of the jeopardy assessment is abated by the Commissioner before the decision of the Board is rendered, the bond shall, at the request of the taxpayer, be proportionately reduced.

(g) SAME—FURTHER CONDITIONS.—If the bond is given before the taxpayer has filed his petition with the Board under section 272 (a), the bond shall contain a further condition that if a petition is not filed within the period provided in such subsection, then the amount the collection of which is stayed by the bond will be paid on notice and demand at any time after the expiration of such period, together with interest thereon at the rate of 6 per centum per annum from the date of the jeopardy notice and demand to the date of notice and demand under this subsection.

(h) WAIVER OF STAY.—Upon the filing of the bond the collection of so much of the amount assessed as is covered by the bond shall be stayed. The taxpayer shall have the right to waive such stay at any time in respect of the whole or any part of the amount covered by the bond, and if as a result of such waiver any part of the amount covered by the bond is paid, then the bond shall, at the request of the taxpayer, be proportionately reduced. If the Board determines that the amount assessed is greater than the amount which should have been assessed, then when the decision of the Board is rendered the bond shall, at the request of the taxpayer, be proportionately reduced.

(i) COLLECTION OF UNPAID AMOUNTS.—When the petition has been filed with the Board and when the amount which should have been assessed has been determined by a decision of the Board which has become final, then any unpaid portion, the collection of which has been stayed by the bond, shall be collected as part of the tax upon notice and demand from the collector, and any remaining portion of the assessment shall be abated. If the amount already collected exceeds the amount determined as the amount which should have been assessed, such excess shall be credited or refunded to the taxpayer as provided in section 322, without the filing of claim therefor. If the amount determined as the amount which should have been assessed is greater than the amount actually assessed, then the difference shall be assessed and shall be collected as part of the tax upon notice and demand from the collector.

(3) Less than 30 per centum of its gross income is derived from the sale or other disposition of stock or securities held for less than six months; and

(4) An amount not less than 90 per centum of its net income is distributed to its shareholders as taxable dividends during the taxable year; and

(5) Its shareholders are, upon reasonable notice, entitled to redemption of their stock for their proportionate interests in the corporation's properties, or the cash equivalent thereof less a discount not in excess of 3 per centum thereof.

(b) LIMITATIONS.—Despite the provisions of paragraph (1) a corporation shall not be considered as a mutual investment company if at any time during the taxable year—

(1) More than 5 per centum of the gross assets of the corporation, taken at cost, was invested in stock or securities, or both, of any one corporation, government, or political subdivision thereof, but this limitation shall not apply to investments in obligations of the United States or in obligations of any corporation organized under general Act of Congress if such corporation is an instrumentality of the United States; or

Supplement R—Exchanges and Distributions in Obedience to Orders of Securities and Exchange Commission

SEC. 371. NONRECOGNITION OF GAIN OR LOSS.

(a) EXCHANGES OF STOCK OR SECURITIES ONLY.—No gain or loss shall be recognized to the transferor if stock or securities in a corporation which is a registered holding company or a majority-owned subsidiary company are transferred to such corporation or to an associate company thereof which is a registered holding company or a majority-owned subsidiary company solely in exchange for stock or securities (other than stock or securities which are nonexempt property), and the exchange is made by the transferee corporation in obedience to an order of the Securities and Exchange Commission.

(b) EXCHANGES OF PROPERTY FOR PROPERTY BY CORPORATIONS.—No gain or loss shall be recognized to a transferor corporation which is a registered holding company or an associate company of a registered holding company, if such corporation, in obedience to an order of the Securities and Exchange Commission transfers property solely in exchange for property (other than nonexempt property), and such order recites that such exchange by the transferor corporation is necessary or appropriate to the integration or simplification

100 CODIFICATION OF INTERNAL REVENUE LAWS

of the holding company system of which the transferor corporation is a member.

(c) DISTRIBUTION OF STOCK OR SECURITIES ONLY.—If there is distributed, in obedience to an order of the Securities and Exchange Commission, to a shareholder in a corporation which is a registered holding company or a majority-owned subsidiary company, stock or securities (other than stock or securities which are nonexempt property), without the surrender by such shareholder of stock or securities in such corporation, no gain to the distributee from the receipt of the stock or securities so distributed shall be recognized.

(d) TRANSFERS WITHIN SYSTEM GROUP.—(1) No gain or loss shall be recognized to a corporation which is a member of a system group (A) if such corporation transfers property to another corporation which is a member of the same system group in exchange for other property, and the exchange by each corporation is made in obedience to an order of the Securities and Exchange Commission, or (B) if there is distributed to such corporation as a shareholder in a corporation which is a member of the same system group, property, without the surrender by such shareholder of stock or securities in the corporation making the distribution, and the distribution is made and received in obedience to an order of the Securities and Exchange Commission. If an exchange by or a distribution to a corporation with respect to which no gain or loss is recognized under any of the provisions of this paragraph may also be considered to be within the provisions of subsection (a), (b), or (c), then the provisions of this paragraph only shall apply.

(2) If the property received upon an exchange which is within any of the provisions of paragraph (1) of this subsection consists in whole or in part of stock or securities issued by the corporation from which such property was received, and if in obedience to an order of the Securities and Exchange Commission such stock or securities (other than stock which is not preferred as to both dividends and assets) are sold and the proceeds derived therefrom are applied in whole or in part in the retirement or cancellation of stock or of securities of the recipient corporation outstanding at the time of such exchange, no gain or loss shall be recognized to the recipient corporation upon the sale of the stock or securities with respect to which such order was made; except that if any part of the proceeds derived from the sale of such stock or securities is not so applied, or if the amount of such proceeds is in excess of the fair market value of such stock or securities at the time of such exchange, the gain, if any, shall be recognized, but in an amount not in excess of the proceeds which are not so applied, or in an amount not more than the amount by which the proceeds derived from such sale exceed such fair market value, whichever is the greater.

(e) EXCHANGES NOT SOLELY IN KIND.—(1) If an exchange (not within any of the provisions of subsection (d)) would be within the provisions of subsection (a) or (b) if it were not for the fact that property received in exchange consists not only of property permitted by such subsection to be received without the recognition of gain or loss, but also of other property or money, then the gain, if any, to the recipient shall be recognized, but in an amount not in excess of the sum of such money and the fair market value of such other property, and the loss, if any, to the recipient shall not be recognized.

(2) If an exchange is within the provisions of paragraph (1) of this subsection and if it includes a distribution which has the effect of the distribution of a taxable dividend, then there shall be taxed as a dividend to each distributee such an amount of the gain recognized under such paragraph (1) as is not in excess of his ratable share of the undistributed earnings and profits of the corporation accumulated

after February 28, 1913. The remainder, if any, of the gain recognized under such paragraph (1) shall be taxed as a gain from the exchange of property.

(f) APPLICATION OF SECTION.—The provisions of this section shall not apply to an exchange or distribution unless (1) the order of the Securities and Exchange Commission in obedience to which such exchange or distribution was made recites that such exchange or distribution is necessary or appropriate to effectuate the provisions of section 11 (b) of the Public Utility Holding Company Act of 1935, 49 Stat. 820, (U. S. C., Sup. III, Title 15, § 79 (b)), (2) such order specifies and itemizes the stock and securities and other property which are ordered to be transferred and received upon such exchange or distribution, and (3) such exchange or distribution was made in obedience to such order and was completed within the time prescribed therefor in such order.

(g) NON-APPLICATION OF OTHER PROVISIONS.—If an exchange or distribution made in obedience to an order of the Securities and Exchange Commission is within any of the provisions of this section and may also be considered to be within any of the provisions of section 112 (other than the provisions of paragraph (8) of subsection (b)), then the provisions of this section only shall apply.

SEC. 372. BASIS FOR DETERMINING GAIN OR LOSS.

(a) EXCHANGES GENERALLY.—If the property was acquired upon an exchange subject to the provisions of section 371 (a), (b), or (c), the basis shall be the same as in the case of the property exchanged, decreased in the amount of any money received by the taxpayer and increased in the amount of gain or decreased in the amount of loss to the taxpayer that was recognized upon such exchange under the law applicable to the year in which the exchange was made. If the property so acquired consisted in part of the type of property permitted by section 371 (a) or (b) to be received without the recognition of gain or loss, and in part of nonexempt property, the basis provided in this subsection shall be allocated between the properties (other than money) received, and for the purpose of the allocation there shall be assigned to such nonexempt property (other than money) an amount equivalent to its fair market value at the date of the exchange. This subsection shall not apply to property acquired by a corporation by the issuance of its stock or securities as the consideration in whole or in part for the transfer of the property to it.

(b) TRANSFERS TO CORPORATIONS.—If, in connection with a transfer subject to the provisions of section 371 (a), (b), or (c), the property was acquired by a corporation, either as paid-in surplus or as a contribution to capital, or in consideration for stock or securities issued by the corporation receiving the property (including cases where part of the consideration for the transfer of such property to the corporation consisted of property or money in addition to such stock or securities), then the basis shall be the same as it would be in the hands of the transferor, increased in the amount of gain or decreased in the amount of loss recognized to the transferor upon such transfer under the law applicable to the year in which the transfer was made.

(c) DISTRIBUTIONS OF STOCK OR SECURITIES.—If the stock or securities were received in a distribution subject to the provisions of section 371 (c), then the basis in the case of the stock in respect of which the distribution was made shall be apportioned, under rules and regulations prescribed by the Commissioner with the approval of the Secretary, between such stock and the stock or securities distributed.

(d) TRANSFERS WITHIN SYSTEM GROUP.—If the property was acquired by a corporation which is a member of a system group upon a transfer or distribution described in section 371 (d) (1), then the basis shall be the same as it would be in the hands of the transferor; except that if such property is stock or securities issued by the cor-

102 CODIFICATION OF INTERNAL REVENUE LAWS

poration from which such stock or securities were received and they were issued (1) as the sole consideration for the property transferred to such corporation, then the basis of such stock or securities shall be either (A) the same as in the case of the property transferred therefor, or (B) the fair market value of such stock or securities at the time of their receipt, whichever is the lower; or (2) as part consideration for the property transferred to such corporation, then the basis of such stock or securities shall be either (A) an amount which bears the same ratio to the basis of the property transferred as the fair market value of such stock or securities at the time of their receipt bears to the total fair market value of the entire consideration received, or (B) the fair market value of such stock or securities at the time of their receipt, whichever is the lower.

- (1) 65 per centum of the amount thereof not in excess of \$2,000;
plus
- (2) 75 per centum of the amount thereof in excess of \$2,000.

(a) GENERAL RULE.—For the purposes of this subchapter and chapter 1, the term "personal holding company" means any corporation if—

- (1) GROSS INCOME REQUIREMENT.—At least 80 per centum of its gross income for the taxable year is personal holding company income as defined in section 502; but if the corporation is a per-

ADDITIONAL INCOME TAXES 105

sonal holding company with respect to any taxable year beginning after December 31, 1936, then, for each subsequent taxable year, the minimum percentage shall be 70 per centum in lieu of 80 per centum, until a taxable year during the whole of the last half of which the stock ownership required by paragraph (2) does not exist, or until the expiration of three consecutive taxable years in each of which less than 70 per centum of the gross income is personal holding company income; and

(2) STOCK OWNERSHIP REQUIREMENT.—At any time during the last half of the taxable year more than 50 per centum in value of its outstanding stock is owned, directly or indirectly, by or for not more than five individuals.

(b) EXCEPTIONS.—The term "personal holding company" does not include a corporation exempt from taxation under section 101, a bank as defined in section 104, a life insurance company, a surety company, or a foreign personal holding company as defined in section 331, or a licensed personal finance company, under State supervision, at least 80 per centum of the gross income of which is lawful interest received from individuals each of whose indebtedness to such company did not at any time during the taxable year exceed \$300 in principal amount, if such interest is not payable in advance or compounded and is computed only on unpaid balances.

(c) CORPORATIONS MAKING CONSOLIDATED RETURNS.—If the common parent corporation of an affiliated group of corporations making a consolidated return under the provisions of section 141 satisfies the stock ownership requirement provided in section 501 (a) (2), and the income of such affiliated group, determined as provided in section 141, satisfies the gross income requirement provided in section 501 (a) (1), such affiliated group shall be subject to the surtax imposed by this subchapter.

SEC. 502. PERSONAL HOLDING COMPANY INCOME.

For the purposes of this subchapter the term "personal holding company income" means the portion of the gross income which consists of:

(a) Dividends, interest (other than interest constituting rent as defined in subsection (g)), royalties (other than mineral, oil, or gas royalties), annuities.

(b) STOCK AND SECURITIES TRANSACTIONS.—Except in the case of regular dealers in stock or securities, gains from the sale or exchange of stock or securities.

(c) COMMODITIES TRANSACTIONS.—Gains from futures transactions in any commodity on or subject to the rules of a board of trade or commodity exchange. This subsection shall not apply to gains by a producer, processor, merchant, or handler of the commodity which arise out of bona fide hedging transactions reasonably necessary to the conduct of its business in the manner in which such business is customarily and usually conducted by others.

(d) ESTATES AND TRUSTS.—Amounts includible in computing the net income of the corporation under Supplement E of chapter 1; and gains from the sale or other disposition of any interest in an estate or trust.

(e) PERSONAL SERVICE CONTRACTS.—(1) Amounts received under a contract under which the corporation is to furnish personal services; if some person other than the corporation has the right to designate (by name or by description) the individual who is to perform the services, or if the individual who is to perform the services is designated (by name or by description) in the contract; and (2) amounts received from the sale or other disposition of such a contract. This subsection shall apply with respect to amounts received for services under a particular contract only if at some time during the taxable year 25 per centum or more in value of the outstanding stock of the

corporation is owned, directly or indirectly, by or for the individual who has performed, is to perform, or may be designated (by name or by description) as the one to perform, such services.

(f) **USE OF CORPORATION PROPERTY BY SHAREHOLDER.**—Amounts received as compensation (however designated and from whomsoever received) for the use of, or right to use, property of the corporation in any case where, at any time during the taxable year, 25 per centum or more in value of the outstanding stock of the corporation is owned, directly or indirectly, by or for an individual entitled to the use of the property; whether such right is obtained directly from the corporation or by means of a sublease or other arrangement.

(g) **RENTS.**—Rents, unless constituting 50 per centum or more of the gross income. For the purposes of this subsection the term "rents" means compensation, however designated, for the use of, or right to use, property, and the interest on debts owed to the corporation, to the extent such debts represent the price for which real property held primarily for sale to customers in the ordinary course of its trade or business was sold or exchanged by the corporation; but does not include amounts constituting personal holding company income under subsection (f).

(h) **MINERAL, OIL, OR GAS ROYALTIES.**—Mineral, oil, or gas royalties, unless (1) constituting 50 per centum or more of the gross income, and (2) the deductions allowable under section 23 (a) (relating to expenses) other than compensation for personal services rendered by shareholders, constitute 15 per centum or more of the gross income.

SEC. 503. STOCK OWNERSHIP.

(a) **CONSTRUCTIVE OWNERSHIP.**—For the purpose of determining whether a corporation is a personal holding company, insofar as such determination is based on stock ownership under section 501 (a) (2), section 502 (e), or section 502 (f)—

(1) **STOCK NOT OWNED BY INDIVIDUAL.**—Stock owned, directly or indirectly, by or for a corporation, partnership, estate, or trust shall be considered as being owned proportionately by its shareholders, partners, or beneficiaries.

(2) **FAMILY AND PARTNERSHIP OWNERSHIP.**—An individual shall be considered as owning the stock owned, directly or indirectly, by or for his family or by or for his partner. For the purposes of this paragraph the family of an individual includes only his brothers and sisters (whether by the whole or half blood), spouse, ancestors, and lineal descendants.

(3) **OPTIONS.**—If any person has an option to acquire stock such stock shall be considered as owned by such person. For the purposes of this paragraph an option to acquire such an option, and each one of a series of such options, shall be considered as an option to acquire such stock.

(4) **APPLICATION OF FAMILY-PARTNERSHIP AND OPTION RULES.**—Paragraphs (2) and (3) shall be applied—

(A) For the purposes of the stock ownership requirement provided in section 501 (a) (2), if, but only if, the effect is to make the corporation a personal holding company;

(B) For the purposes of section 502 (e) (relating to personal service contracts), or of section 502 (f) (relating to the use of property by shareholders), if, but only if, the effect is to make the amounts therein referred to includible under such subsection as personal holding company income.

(5) **CONSTRUCTIVE OWNERSHIP AS ACTUAL OWNERSHIP.**—Stock constructively owned by a person by reason of the application of paragraph (1) or (3) shall, for the purpose of applying paragraph (1) or (2), be treated as actually owned by such person; but stock con-

structively owned by an individual by reason of the application of paragraph (2) shall not be treated as owned by him for the purpose of again applying such paragraph in order to make another the constructive owner of such stock.

(6) OPTION RULE IN LIEU OF FAMILY AND PARTNERSHIP RULE.—If stock may be considered as owned by an individual under either paragraph (2) or (3) it shall be considered as owned by him under paragraph (3).

(b) CONVERTIBLE SECURITIES.—Outstanding securities convertible into stock (whether or not convertible during the taxable year) shall be considered as outstanding stock—

(1) For the purpose of the stock ownership requirement provided in section 501 (a) (2), but only if the effect of the inclusion of all such securities is to make the corporation a personal holding company;

(2) For the purpose of section 502 (e) (relating to personal service contracts), but only if the effect of the inclusion of all such securities is to make the amounts therein referred to includible under such subsection as personal holding company income; and

(3) For the purpose of section 502 (f) (relating to the use of property by shareholders), but only if the effect of the inclusion of all such securities is to make the amounts therein referred to includible under such subsection as personal holding company income.

The requirement in paragraphs (1), (2), and (3) that all convertible securities must be included if any are to be included shall be subject to the exception that, where some of the outstanding securities are convertible only after a later date than in the case of others, the class having the earlier conversion date may be included although the others are not included, but no convertible securities shall be included unless all outstanding securities having a prior conversion date are also included.

SEC. 504. UNDISTRIBUTED SUBCHAPTER A NET INCOME.

For the purposes of this subchapter the term "undistributed subchapter A net income" means the subchapter A net income (as defined in section 505) minus—

(a) The amount of the dividends paid credit provided in section 27 (a) without the benefit of paragraphs (3) and (4) thereof (computed without its reduction, under section 27 (b) (1), by the amount of the credit provided in section 26 (a), relating to interest on certain obligations of the United States and Government corporations); but, in the computation of the dividends paid credit for the purposes of this subchapter, the amount allowed under subsection (c) of this section in the computation of the tax under this subchapter for any preceding taxable year shall be considered as a dividend paid in such preceding taxable year and not in the year of distribution;

(b) Amounts used or irrevocably set aside to pay or to retire indebtedness of any kind incurred prior to January 1, 1934, if such amounts are reasonable with reference to the size and terms of such indebtedness.

(c) Dividends paid after the close of the taxable year and before the 15th day of the third month following the close of the taxable year, if claimed under this subsection in the return, but only to the extent to which such dividends are includible, for the purposes of chapter 1, in the computation of the basic surtax credit for the year of distribution; but the amount allowed under this subsection shall not exceed either:

(1) The accumulated earnings and profits as of the close of the taxable year; or

(2) The undistributed subchapter A net income for the taxable year computed without regard to this subsection; or

108 CODIFICATION OF INTERNAL REVENUE LAWS

(3) 10 per centum of the sum of—

(A) The dividends paid during the taxable year (reduced by the amount allowed under this subsection in the computation of the tax under this subchapter for the taxable year preceding the taxable year); and

(B) The consent dividends credit for the taxable year.

SEC. 505. SUBCHAPTER A NET INCOME.

For the purposes of this subchapter the term "Subchapter A Net Income" means the net income with the following adjustments:

(a) **ADDITIONAL DEDUCTIONS.**—There shall be allowed as deductions—

(1) Federal income, war-profits, and excess-profits taxes paid or accrued during the taxable year to the extent not allowed as a deduction under section 23; but not including the tax imposed by section 102, section 500, or a section of a prior income-tax law corresponding to either of such sections.

(2) In lieu of the deduction allowed by section 23 (q), contributions or gifts, payment of which is made within the taxable year to or for the use of donees described in section 23 (q) for the purposes therein specified, to an amount which does not exceed 15 per centum of the taxpayer's net income, computed without the benefit of this paragraph and section 23 (q), and without the deduction of the amount disallowed under subsection (b) of this section.

(3) In the case of a corporation organized prior to January 1, 1936, to take over the assets and liabilities of the estate of a decedent, amounts paid in liquidation of any liability of the corporation based on the liability of the decedent to make contributions or gifts to or for the use of donees described in section 23 (o) for the purposes therein specified, to the extent such liability of the decedent existed prior to January 1, 1934. No deduction shall be allowed under paragraph (2) of this subsection for a taxable year for which a deduction is allowed under this paragraph.

(b) **DEDUCTIONS NOT ALLOWED.**—The aggregate of the deductions allowed under section 23 (a), relating to expenses, and section 23 (1), relating to depreciation, which are allocable to the operation and maintenance of property owned or operated by the corporation, shall be allowed only in an amount equal to the rent or other compensation received for the use of, or the right to use, the property, unless it is established (under regulations prescribed by the Commissioner with the approval of the Secretary) to the satisfaction of the Commissioner:

(1) That the rent or other compensation received was the highest obtainable, or, if none was received, that none was obtainable;

(2) That the property was held in the course of a business carried on bona fide for profit; and

(3) Either that there was reasonable expectation that the operation of the property would result in a profit, or that the property was necessary to the conduct of the business.

SEC. 506. DEFICIENCY DIVIDENDS—CREDITS AND REFUNDS.

(a) **CREDIT AGAINST UNPAID DEFICIENCY.**—If the amount of a deficiency with respect to the tax imposed by this subchapter for any taxable year has been established—

(1) by a decision of the Board of Tax Appeals which has become final; or

(2) by a closing agreement made under section 3760; or

(3) by a final judgment in a suit to which the United States is a party;

then a deficiency dividend credit shall be allowed against the amount of the deficiency so established and all interest, additional amounts, and additions to the tax provided by law not paid on or before the date when claim for a deficiency dividend credit is filed under sub-

section (d). The amount of such credit shall be 65 per centum of the amount of deficiency dividends, as defined in subsection (c), not in excess of \$2,000, plus 75 per centum of the amount of such dividends in excess of \$2,000; but such credit shall not exceed the portion of the deficiency so established which is not paid on or before the date of the closing agreement, or the date the decision of the Board or the judgment becomes final, as the case may be. Such credit shall be allowed as of the date the claim for deficiency dividend credit is filed.

(b) CREDIT OR REFUND OF DEFICIENCY PAID.—When the Commissioner has determined that there is a deficiency with respect to the tax imposed by this subchapter and the corporation has paid any portion of such asserted deficiency and it has been established—

(1) by a decision of the Board of Tax Appeals which has become final; or

(2) by a closing agreement made under section 3760; or

(3) by a final judgment in a suit against the United States for refund—

(A) if such suit is brought within six months after the corporation became entitled to bring suit, and

(B) if claim for refund was filed within six months after the payment of such amount;

that any portion of the amount so paid was the whole or a part of a deficiency at the time when paid, then there shall be credited or refunded to the corporation an amount equal to 65 per centum of the amount of deficiency dividends not in excess of \$2,000, plus 75 per centum of the amount of such dividends in excess of \$2,000, but such credit or refund shall not exceed the portion so paid by the corporation. Such credit or refund shall be made as provided in section 322 but without regard to subsection (b) or subsection (c) thereof. No interest shall be allowed on such credit or refund. No credit or refund shall be made under this subsection with respect to any amount of tax paid after the date of the closing agreement, or the date the decision of the Board or the judgment becomes final, as the case may be.

(c) DEFICIENCY DIVIDENDS.—

(1) DEFINITION.—For the purpose of this subchapter, the term "deficiency dividends" means the amount of the dividends paid, on or after the date of the closing agreement or on or after the date the decision of the Board or the judgment becomes final, as the case may be, and prior to filing claim under subsection (d), which are includible, for the purposes of chapter 1, in the computation of the basic surtax credit for the year of distribution. No dividends shall be considered as deficiency dividends for the purposes of allowance of credit under subsection (a) unless (under regulations prescribed by the Commissioner with the approval of the Secretary) the corporation files, within thirty days after the date of the closing agreement, or the date upon which the decision of the Board or judgment becomes final, as the case may be, notification (which specifies the amount of the credit intended to be claimed) of its intention to have the dividends so considered.

(2) EFFECT ON DIVIDENDS PAID CREDIT.—

(A) FOR TAXABLE YEAR IN WHICH PAID.—Deficiency dividends paid in any taxable year (to the extent of the portion thereof with respect to which the credit under subsection (a), or the credit or refund under subsection (b), or both, are allowed) shall be subtracted from the basic surtax credit for such year, but only for the purpose of computing the tax under this subchapter for such year and succeeding years.

(B) FOR PRIOR TAXABLE YEAR.—Deficiency dividends paid in any taxable year (to the extent of the portion thereof with respect to which the credit under subsection (a), or the credit

110 CODIFICATION OF INTERNAL REVENUE LAWS

or refund under subsection (b), or both are allowed) shall not be allowed under section 504 (c) in the computation of the tax under this subchapter for any taxable year preceding the taxable year in which paid.

(d) CLAIM REQUIRED.—No deficiency dividends credit shall be allowed under subsection (a) and no credit or refund shall be made under subsection (b) unless (under regulations prescribed by the Commissioner with the approval of the Secretary) claim therefor is filed within sixty days after the date of the closing agreement, or the date upon which the decision of the Board or judgment becomes final, as the case may be.

(e) SUSPENSION OF STATUTE OF LIMITATIONS AND STAY OF COLLECTION.—

(1) SUSPENSION OF RUNNING OF STATUTE.—If the corporation files a notification, as provided in subsection (c), to have dividends considered as deficiency dividends, the running of the statute of limitations provided in section 275 or 276 on the making of assessments and the bringing of distraint or a proceeding in court for collection, in respect of the deficiency and all interest, additional amounts, and additions to the tax provided by law, shall be suspended for a period of two years after the date of the filing of such notification.

(2) STAY OF COLLECTION.—In the case of any deficiency with respect to the tax imposed by this subchapter established as provided in subsection (a)—

(A) The collection of the deficiency and all interest, additional amounts, and additions to the tax provided for by law shall, except in cases of jeopardy, be stayed until the expiration of thirty days after the date of the closing agreement, or the date upon which the decision of the Board or judgment becomes final, as the case may be.

(B) If notification has been filed, as provided in subsection (c), the collection of such part of the deficiency as is not in excess of either the credit allowable under subsection (a) or the amount which, in the notification, is specified as intended to be claimed as credit, shall, except in cases of jeopardy, be stayed until the expiration of sixty days after the date of the closing agreement, or the date upon which the decision of the Board or judgment becomes final, as the case may be.

(C) If claim for deficiency dividend credit is filed under subsection (d), the collection of such part of the deficiency as is not in excess of either the credit allowable under subsection (a) or the amount claimed, shall be stayed until the date the claim for credit is disallowed (in whole or in part), and if disallowed in part collection shall be made only of the part disallowed.

No distraint or proceeding in court shall be begun for the collection of an amount the collection of which is stayed under subparagraph (A), (B), or (C) during the period for which the collection of such amount is stayed.

(f) CREDIT OR REFUND DENIED IF FRAUD, ETC.—No deficiency dividend credit shall be allowed under subsection (a) and no credit or refund shall be made under subsection (b) if the closing agreement, decision of the Board, or judgment contains a finding that any part of the deficiency is due to fraud with intent to evade tax, or to failure to file the return under this subchapter within the time prescribed by law or prescribed by the Commissioner in pursuance of law, unless it is shown that such failure to file is due to reasonable cause and not due to willful neglect.

SEC. 600. RATE OF TAX.

If any corporation is taxable under section 1200 with respect to any year ending June 30, there shall be imposed upon its net income for the income-tax taxable year ending after the close of such year, an excess-profits tax equal to the sum of the following:

6 per centum of such portion of its net income for such income-tax taxable year as is in excess of 10 per centum and not in excess of 15 per centum of the adjusted declared value;

SUBCHAPTER D—UNJUST ENRICHMENT

SEC. 700. TAX ON NET INCOME FROM CERTAIN SOURCES.

(a) The following taxes shall be levied, collected, and paid for each taxable year (in addition to any other tax on net income), upon the net income of every person which arises from the sources specified below:

(1) A tax equal to 80 per centum of that portion of the net income from the sale of articles with respect to which a Federal excise tax was imposed on such person but not paid which is attributable to shifting to others to any extent the burden of such Federal excise tax and which does not exceed such person's net income for the entire taxable year from the sale of articles with respect to which such Federal excise tax was imposed.

(2) A tax equal to 80 per centum of the net income from reimbursement received by such person from his vendors of amounts representing Federal excise-tax burdens included in prices paid by such person to such vendors, to the extent that such net income does not exceed the amount of such Federal excise-tax burden which such person in turn shifted to his vendees.

(3) A tax equal to 80 per centum of the net income from refunds or credits to such person from the United States of Federal excise taxes erroneously or illegally collected with respect to any articles, to the extent that such net income does not exceed the amount of the burden of such Federal excise taxes with respect to such articles which such person shifted to others.

(b) The net income (specified in subsection (a) (1)) from the sale of articles with respect to which the Federal excise tax was not paid, and the net income specified in subsection (a) (2) or (3), shall not include the net income from the sale of any article, from reimbursement with respect to any article, or from refund or credit of Federal excise tax with respect to any article (1) if such article (or the articles processed therefrom) were not sold by the taxpayer on or before the date of the termination of the Federal excise tax; (2) if the taxpayer made a tax adjustment with respect to such article (or the articles processed therefrom) with his vendee; or (3) if under the terms of any statute the taxpayer would have been entitled to a refund from the United States of the Federal excise tax

ADDITIONAL INCOME TAXES 113

with respect to the article otherwise than as an erroneous or illegal collection (assuming, in case the tax was not paid, that it had been paid).

(c) The net income from the sales specified in subsection (a) (1) shall be computed as follows:

(1) From the gross income from such sales there shall be deducted the allocable portion of the deductions from gross income for the taxable year which are allowable under the applicable Revenue Act; or

(2) If the taxpayer so elects by filing his return on such basis, the total net income for the taxable year from the sale of all articles with respect to which each Federal excise tax was imposed (computed by deducting from the gross income from such sales the allocable portion of the deductions from gross income which are allowable under the applicable Revenue Act, but without deduction of the amount of such Federal excise tax which was paid or of the amount of reimbursement to purchasers with respect to such Federal excise tax) shall be divided by the total quantity of such articles sold during the taxable year and the quotient shall be multiplied by the quantity of such articles involved in the sales specified in subsection (a) (1). Such quantities shall be expressed in terms of the unit on the basis of which the Federal excise tax was imposed.

For the purposes of this section the proper apportionment and allocation of deductions with respect to gross income shall be determined under rules and regulations prescribed by the Commissioner with the approval of the Secretary.

(d) The net income from reimbursement or refunds specified in subsection (a) (2) or (3) shall be computed as follows: From the total payment or accrual (1) of reimbursement to the taxpayer from vendors for amounts representing Federal excise tax burdens included in prices paid by the taxpayer to such vendors or (2) of refunds or credits to the taxpayer of Federal excise taxes erroneously or illegally collected, there shall be deducted the expenses and fees reasonably incurred in obtaining such reimbursement or refunds.

(e) For the purposes of subsection (a) (1), (2), and (3) the extent to which the taxpayer shifted to others the burden of a Federal excise tax shall be presumed to be an amount computed as follows:

(1) From the selling price of the articles there shall be deducted the sum of (A) the cost of such articles plus (B) the average margin with respect to the quantity involved; or

(2) If the taxpayer so elects by filing his return on such basis, from the aggregate selling price of all articles with respect to which such Federal excise tax was imposed and which were sold by him during the taxable year (computed without deduction of reimbursement to purchasers with respect to such Federal excise tax) there shall be deducted the aggregate cost of such articles, and the difference shall be reduced to a margin per unit in terms of the basis on which the Federal excise tax was imposed. The excess of such margin per unit over the average margin (computed for the same unit) shall be multiplied by the number of such units represented by the articles with respect to which the computation is being made; but

(3) In no case shall the extent to which the taxpayer shifted to others the burden of the Federal excise tax with respect to the articles be deemed to exceed the amount of such tax with respect to such articles minus (A) the portion of the amount of the Federal excise tax (or of the reimbursement specified in subsection (a) (2)) with respect to the articles which is paid or credited by the taxpayer to any purchasers as specified in subsection (f) (3) and

minus (B) the amount of any increase in the tax under section 3400 for which the taxpayer under this section became liable as the result of the nonpayment or refund of the Federal excise tax with respect to the articles.

(f) As used in this section—

(1) The term "margin" means the difference between the selling price of articles and the cost thereof, and the term "average margin" means the average difference between the selling price and the cost of similar articles sold by the taxpayer during his six taxable years preceding the initial imposition of the Federal excise tax in question, except that if during any part of such six-year period the taxpayer was not in business, or if his records for any part of such period are so inadequate as not to furnish satisfactory data, the average margin of the taxpayer for such part of such period shall, when necessary for a fair comparison, be deemed to be the average margin, as determined by the Commissioner, of representative concerns engaged in a similar business and similarly circumstanced.

(2) The term "cost" means, in the case of articles manufactured or produced by the taxpayer, the cost to the taxpayer of materials entering into the articles; or, in the case of articles purchased by the taxpayer for resale, the price paid by him for such articles (reduced in both cases by the amount for which he is reimbursed by his vendor).

(3) The term "selling price" means selling price minus (A) amounts subsequently paid or credited to the purchaser on or before June 1, 1936, or thereafter in the bona fide settlement of a written agreement entered into on or before March 3, 1936, as reimbursement for the amount included in such price on account of a Federal excise tax; and minus (B) the allocable portion of any professional fees and expenses of litigation incurred in securing the refund or preventing the collection of the Federal excise tax, not to exceed 10 per centum of the amount of such tax.

(g) In determining costs, selling prices, and net income, the taxpayer shall, unless otherwise shown, be deemed to have sold articles in the order in which they were manufactured, produced, or acquired. Where the taxpayer's records do not adequately establish the quantity of a commodity taxable under the Agricultural Adjustment Act, 48 Stat. 31, as amended, entering into articles sold by him, such quantities shall be computed by the use of the conversion factors prescribed in regulations under such Act, as amended.

(h) If the taxpayer made any purchase or sale otherwise than through an arm's-length transaction, and at a price other than the fair market price, the Commissioner may determine the purchase or sale price to be that for which such purchases or sales were at that time made in the ordinary course of trade.

(i) Either the taxpayer or the Commissioner may rebut the presumption established by subsection (e) by proof of the actual extent to which the taxpayer shifted to others the burden of the Federal excise tax. Such proof may include, but shall not be limited to:

(1) Proof that the change or lack of change in the margin was due to changes in factors other than the tax. Such factors shall include any clearly shown change (A) in the type or grade of article or materials, or (B) in costs of production. If the taxpayer asserts that the burden of the tax was borne by him while the burden of any other increased cost was shifted to others, the Commissioner shall determine, from the respective effective dates of the tax and of the other increase in cost as compared with the date of the change in margin, and from the general experience of the industry, whether the tax or the increase in other cost was shifted to others. If the Commissioner deter-

mines that the change in margin was due in part to the tax and in part to the increase in other cost, he shall apportion the change in margin between them.

(2) Proof that the taxpayer modified contracts of sale, or adopted a new contract of sale, to reflect the initiation, termination, or change in amount of the Federal excise tax, or at any such time changed the sale price of the article (including the effect of a change in size, package, discount terms, or any other merchandising practice) by substantially the amount of the tax or change therein, or at any time billed the tax as a separate item to any vendee or indicated by any writing that the sale price included the amount of the tax, or contracted to refund any part of the sale price in the event of recovery of the tax or decision of its invalidity; but the taxpayer may establish that such acts were caused by factors other than the tax, or that they do not represent his practice during the period in which the articles in question were sold.

(j) As used in this section—

(1) The term "Federal excise tax" means a tax or exaction with respect to the sale, lease, manufacture, production, processing, ginning, importation, transportation, refining, recovery, or holding for sale or other disposition, of commodities or articles, provided for by any Federal statute, whether valid or invalid, if denominated a "tax" by such statute. A Federal excise tax shall be deemed to have been imposed with respect to an article if it was imposed with respect to (or with respect to the processing of) any commodity or other article, from which such article was processed.

(2) The term "date of the termination of the Federal excise tax" means, in the case of a Federal excise tax held invalid by a decision of the Supreme Court, the date of such decision.

(3) The term "refund or credit" does not include a refund or credit made in accordance with the provisions and limitations set forth in Title VII of the Revenue Act of 1936, 49 Stat. 1747, or in section 3443 (d).

(4) The term "tax adjustment" means a repayment or credit by the taxpayer to his vendee of an amount equal to the Federal excise tax with respect to an article (less reasonable expense to the vendor in connection with the nonpayment or recovery by him of the amount of such tax and in connection with the making of such repayment or credit) if such repayment or credit is made on or before June 1, 1936, or thereafter in the bona fide settlement of a written agreement entered into on or before March 3, 1936.

(5) The term "taxpayer" means a person subject to a tax imposed by this section.

(k) All references in this section to the purchase or sale (or to parties to the sale) of articles with respect to which a Federal excise tax was imposed shall be deemed to include the purchase or sale (or parties to the sale) of services with respect to which a Federal excise tax was imposed, and for the purposes of subsection (a) the extent to which the taxpayer shifted to others the burden of such Federal excise tax with respect to such services shall be presumed to be an amount computed as follows: From the selling price of the services there shall be deducted the average price received by the taxpayer for performing similar services during the six taxable years preceding the initial imposition of the Federal excise tax in question. The balance (to the extent that it does not exceed the amount of such Federal excise tax with respect to such services minus any payments or credits with respect to the services made to purchasers as specified in subsection (f) (3)) shall be the extent to which the taxpayer shifted the burden of such Federal excise tax to others. If during any part of such six-year period the taxpayer

was not in business, or if his records for any part of such period are so inadequate as not to furnish satisfactory data, the average price of the taxpayer for such part of such period shall, when necessary for a fair comparison, be deemed to be the average price, as determined by the Commissioner, of representative concerns engaged in a similar business and similarly circumstanced. The presumption established by this subsection may be rebutted by proof of the character described in subsection (i).

(l) The taxes imposed by subsection (a) shall be imposed on the net income from the sources specified therein, regardless of any loss arising from the other transactions of the taxpayer, and regardless of whether the taxpayer had a taxable net income (under the income-tax provisions of the applicable Revenue Act) for the taxable year as a whole; except that if such application of the tax imposed by subsection (a) is held invalid, the tax under subsection (a) shall apply to that portion of the taxpayer's entire net income for the taxable year which is attributable to the net income from the sources specified in such subsection.

SEC. 701. CREDIT FOR OTHER TAXES ON INCOME.

There shall be credited against the total amount of the taxes imposed by this subchapter an amount equivalent to the excess of—

(a) The amount of the other Federal income and excess-profits taxes payable by the taxpayer for the taxable year, over

(b) The amount of the other Federal income and excess-profits taxes which would have been payable by the taxpayer for the taxable year if his net income were decreased by the amount of net income taxable under this subchapter.

SEC. 702. ADMINISTRATIVE PROVISIONS.

(a) All provisions of law (including penalties) applicable with respect to taxes imposed by chapter 1, shall, insofar as not inconsistent with this subchapter, be applicable with respect to the taxes imposed by this subchapter, except that the provisions of sections 101, 131, 251, and 252 shall not be applicable.

(b) Every person (1) upon whom a Federal excise tax was imposed but not paid, or (2) who received any reimbursement specified in section 700 (a) (2), or (3) who received a refund or credit of Federal excise tax, shall make a return under this subchapter, which return shall contain such information and be made in such manner as the Commissioner, with the approval of the Secretary, shall prescribe.

(c) If the Commissioner finds that the payment, on the date prescribed for the payment thereof, of any part of the amount determined by the taxpayer as the tax under this subchapter, or of any deficiency with respect thereto, would impose undue hardship upon the taxpayer, the Commissioner may grant an extension for the payment of any such part for a period not in excess of three years. In such case the amount with respect to which the extension is granted shall be paid on or before the date of the expiration of the period of the extension, and the running of the statute of limitations for assessment and collection shall be suspended for the period of any such extension. If an extension is granted, the Commissioner may require the taxpayer to furnish a bond in such amount, not exceeding double the amount with respect to which the extension is granted, and with such sureties as the Commissioner deems necessary, conditioned upon the payment of the amount with respect to which the extension is granted in accordance with the terms of the extension. There shall be collected, as a part of any amount with respect to which an extension is granted, interest thereon at the rate of 6 per centum per annum from the expiration of six months after the due date thereof to the expiration of the period of the extension.

SEC. 703. TAXABLE YEARS TO WHICH SUBCHAPTER IS APPLICABLE.

The taxes imposed by this subchapter shall apply only with respect to taxable years ending during the calendar year 1939 and to subsequent taxable years.

SEC. 704. APPLICATION OF SUBCHAPTER TO POSSESSIONS.

With respect to the following income, the tax under this subchapter shall be in force in any possession of the United States (including the Philippine Islands); such tax shall (without regard to the residence or citizenship or place of organization of the taxpayer) be collected by the appropriate internal-revenue officers of such possession; and the proceeds thereof shall accrue to the general government of such possession: (a) Any income specified in subsection (a) (1) or (3) of section 700 if the Federal excise tax with respect to the articles in question accrued in such possession; and (b) any income specified in subsection (a) (2) of section 700 if the reimbursement specified therein relates to articles sold in such possession by the taxpayer under this subchapter and if the geographical scope of the Federal excise tax in question extended to such possession. Income taxable as provided in this section shall not be otherwise taxable under this subchapter. In applying section 700 to such income, the gross income and deductions shall be determined in accordance with the Federal Revenue Act applicable to the taxable year. In applying section 701 to such income, income taxes paid to such possession shall be deemed to be Federal income taxes.

SEC. 705. CLOSING AGREEMENTS.

Any person who is liable for the tax imposed by this subchapter and who has filed any claim or claims for refund of any amount paid or collected as tax under the Agricultural Adjustment Act, 48 Stat. 31, as amended, may apply to the Commissioner for an adjustment of such liability for tax in conjunction with such claim or claims for refund, and thereafter, the Commissioner, for such purposes, may, in his discretion, consider such liability and such claim or claims as one case and, in his discretion, may enter into a written agreement with such person for the settlement of such case by such payment by, or refund to, such person as may be specified in such agreement. Such agreement shall be a final settlement of the liability for tax and the claim or claims for refund covered by such agreement, except in case of fraud, malfeasance, or misrepresentation of a material fact. In the absence of fraud or mistake in mathematical calculation, any action taken or any consideration given by the Commissioner pursuant to this section shall not be subject to review by any court, or any administrative, or accounting officer, employee, or agent of the United States.

SEC. 811. GROSS ESTATE.

The value of the gross estate of the decedent shall be determined by including the value at the time of his death of all property, real or personal, tangible or intangible, wherever situated, except real property situated outside of the United States—

(a) DECEDENT'S INTEREST.—To the extent of the interest therein of the decedent at the time of his death;

(b) DOWER OR CURTESY INTERESTS.—To the extent of any interest therein of the surviving spouse, existing at the time of the decedent's death as dower, curtesy, or by virtue of a statute creating an estate in lieu of dower or curtesy;

(c) TRANSFERS IN CONTEMPLATION OF, OR TAKING EFFECT AT DEATH.—To the extent of any interest therein of which the decedent has at any time made a transfer, by trust or otherwise, in contemplation of or intended to take effect in possession or enjoyment at or after his death, or of which he has at any time made a transfer, by trust or otherwise, under which he has retained for his life or for any period not ascertainable without reference to his death or for any period which does not in fact end before his death (1) the possession or enjoyment of, or the right to the income from, the property, or (2) the right, either alone or in conjunction with any person, to designate the persons who shall possess or enjoy the property or the income therefrom; except in case of a bona fide sale for an adequate and full consideration in money or money's worth. Any transfer of a material part of his property in the nature of a final disposition or distribution thereof, made by the decedent within two years prior to his death without such consideration, shall, unless shown to the contrary, be deemed to have been made in contemplation of death within the meaning of this subchapter;

(d) REVOCABLE TRANSFERS—

(1) TRANSFERS AFTER JUNE 22, 1936.—To the extent of any interest therein of which the decedent has at any time made a transfer (except in case of a bona-fide sale for an adequate and full consideration in money or money's worth), by trust or otherwise, where the enjoyment thereof was subject at the date of his death to any change through the exercise of a power (in whatever capacity exercisable) by the decedent alone or by the decedent in conjunction with any other person (without regard to when or from what source the decedent acquired such power), to alter, amend, revoke, or terminate, or where any such power is relinquished in contemplation of decedent's death;

(2) TRANSFERS ON OR PRIOR TO JUNE 22, 1936.—To the extent of any interest therein of which the decedent has at any time made a transfer, by trust or otherwise, where the enjoyment thereof was subject at the date of his death to any change through the exercise of a power, either by the decedent alone or in conjunction with any person, to alter, amend, or revoke, or where the decedent relinquished any such power in contemplation of his death, except in case of a bona fide sale for an adequate and full consideration in money or money's worth. Except in the case of transfers made after June 22, 1936, no interest of the decedent of which he has made a transfer shall be included in the gross estate under paragraph (1) unless it is includible under this paragraph;

(3) DATE OF EXISTENCE OF POWER.—For the purposes of this subsection the power to alter, amend, or revoke shall be considered to exist on the date of the decedent's death even though the exercise of the power is subject to a precedent giving of notice or even though the alteration, amendment, or revocation takes effect only on the expiration of a stated period after the exercise of the power, whether or not on or before the date of the decedent's death notice has been given or the power has been exercised. In such cases proper adjustment shall be made representing the interests which would have been excluded from the power if the decedent had lived, and for such purpose if the notice has not been given or the power has not been exercised on or before the date of his death, such notice shall be considered to have been given, or the power exercised, on the date of his death.

(4) RELINQUISHMENT OF POWER IN CONTEMPLATION OF DEATH.—The relinquishment of any such power, not admitted or shown to have been in contemplation of the decedent's death, made within two years prior to his death without such a consideration and affecting the interest or interests (whether arising from one or more transfers or the creation of one or more trusts) of any one

122 CODIFICATION OF INTERNAL REVENUE LAWS

beneficiary of a value or aggregate value, at the time of such death, in excess of \$5,000, then, to the extent of such excess, such relinquishment or relinquishments shall, unless shown to the contrary, be deemed to have been made in contemplation of death within the meaning of this subchapter.

(e) JOINT INTERESTS.—To the extent of the interest therein held as joint tenants by the decedent and any other person, or as tenants by the entirety by the decedent and spouse, or deposited, with any person carrying on the banking business, in their joint names and payable to either or the survivor, except such part thereof as may be shown to have originally belonged to such other person and never to have been received or acquired by the latter from the decedent for less than an adequate and full consideration in money or money's worth: *Provided*, That where such property or any part thereof, or part of the consideration with which such property was acquired, is shown to have been at any time acquired by such other person from the decedent for less than an adequate and full consideration in money or money's worth, there shall be excepted only such part of the value of such property as is proportionate to the consideration furnished by such other person: *Provided further*, That where any property has been acquired by gift, bequest, devise, or inheritance, as a tenancy by the entirety by the decedent and spouse, then to the extent of one-half of the value thereof, or, where so acquired by the decedent and any other person as joint tenants and their interests are not otherwise specified or fixed by law, then to the extent of the value of a fractional part to be determined by dividing the value of the property by the number of joint tenants.

(f) PROPERTY PASSING UNDER GENERAL POWER OF APPOINTMENT.—To the extent of any property passing under a general power of appointment exercised by the decedent (1) by will, or (2) by deed executed in contemplation of or intended to take effect in possession or enjoyment at or after his death, or (3) by deed under which he has retained for his life or any period not ascertainable without reference to his death or for any period which does not in fact end before his death (A) the possession or enjoyment of, or the right to the income from the property, or (B) the right, either alone or in conjunction with any person, to designate the persons who shall possess or enjoy the property or the income therefrom; except in case of a bona fide sale for an adequate and full consideration in money or money's worth; and

(g) PROCEEDS OF LIFE INSURANCE.—To the extent of the amount receivable by the executor as insurance under policies taken out by the decedent upon his own life; and to the extent of the excess over \$40,000 of the amount receivable by all other beneficiaries as insurance under policies taken out by the decedent upon his own life.

(h) PRIOR INTERESTS.—Except as otherwise specifically provided therein, subsections (b), (c), (d), (e), (f), and (g) shall apply to the transfers, trusts, estates, interests, rights, powers, and relinquishment of powers, as severally enumerated and described therein, whether made, created, arising, existing, exercised, or relinquished before or after February 26, 1926.

(i) TRANSFERS FOR INSUFFICIENT CONSIDERATION.—If any one of the transfers, trusts, interests, rights, or powers, enumerated and described in subsections (c), (d), and (f) is made, created, exercised, or relinquished for a consideration in money or money's worth, but is not a bona fide sale for an adequate and full consideration in money or money's worth, there shall be included in the gross estate only the excess of the fair market value at the time of death of the property otherwise to be included on account of such transaction, over the value of the consideration received therefor by the decedent.

(j) OPTIONAL VALUATION.—If the executor so elects upon his return (if filed within the time prescribed by law or prescribed by the Com-

missioner in pursuance of law), the value of the gross estate shall be determined by valuing all the property included therein on the date of the decedent's death as of the date one year after the decedent's death, except that (1) property included in the gross estate on the date of death and, within one year after the decedent's death, distributed by the executor (or, in the case of property included in the gross estate under subsection (c), (d), or (f) of this section, distributed by the trustee under the instrument of transfer), or sold, exchanged, or otherwise disposed of, shall be included at its value as of the time of such distribution, sale, exchange, or other disposition, whichever first occurs, instead of its value as of the date one year after the decedent's death, and (2) any interest or estate which is affected by mere lapse of time shall be included at its value as of the time of death (instead of the later date) with adjustment for any difference in its value as of the later date not due to mere lapse of time. No deduction under this subchapter of any item shall be allowed if allowance for such item is in effect given by the valuation under this subsection. Wherever in any other subsection or section of this chapter, reference is made to the value of property at the time of the decedent's death, such reference shall be deemed to refer to the value of such property used in determining the value of the gross estate. In case of an election made by the executor under this subsection, then for the purposes of the deduction under section 812 (d) or section 861 (a) (3), any bequest, legacy, devise, or transfer enumerated therein shall be valued as of the date of decedent's death with adjustment for any difference in value (not due to mere lapse of time or the occurrence or nonoccurrence of a contingency) of the property as of the date one year after the decedent's death (substituting the date of sale or exchange in the case of property sold or exchanged during such one-year period),

(k) CROSS REFERENCE.—

For provision that relinquishment of marital estates shall not be deemed a consideration "in money or money's worth", see section 812 (b).

SEC. 812. NET ESTATE.

For the purpose of the tax the value of the net estate shall be determined, in the case of a citizen or resident of the United States by deducting from the value of the gross estate—

EXEMPTION.—An exemption of \$100,000;

EXPENSES, LOSSES, INDEBTEDNESS, AND TAXES.—Such amounts—

- (1) for funeral expenses,
- (2) for administration expenses,
- (3) for claims against the estate,
- (4) for unpaid mortgages upon, or any indebtedness in respect to, property where the value of decedent's interest therein, undiminished by such mortgage or indebtedness, is included in the value of the gross estate, and
- (5) reasonably required and actually expended for the support during the settlement of the estate of those dependent upon the decedent,

as are allowed by the laws of the jurisdiction, whether within or without the United States, under which the estate is being administered, but not including any income taxes upon income received after the death of the decedent, or property taxes not accrued before his death, or any estate, succession, legacy, or inheritance taxes. The deduction herein allowed in the case of claims against the estate, unpaid mortgages, or any indebtedness shall, when founded upon a promise or agreement, be limited to the extent that they were contracted bona fide and for an adequate and full consideration in money or money's worth. There shall also be deducted losses incurred during the settlement of estates arising from fires, storms, shipwrecks, or other casualties, or from theft, when such losses are not compensated for by insurance or

otherwise, and if at the time of the filing of the return such losses have not been claimed as a deduction for income tax purposes in an income tax return.

For the purposes of this subchapter, a relinquishment or promised relinquishment of dower, curtesy, or of a statutory estate created in lieu of dower or curtesy, or of other marital rights in the decedent's property or estate, shall not be considered to any extent a consideration "in money or money's worth."

(c) PROPERTY PREVIOUSLY TAXED.—An amount equal to the value of any property (A) forming a part of the gross estate situated in the United States of any person who died within five years prior to the death of the decedent, or (B) transferred to the decedent by gift within five years prior to his death, where such property can be identified as having been received by the decedent from the donor by gift, or from such prior decedent by gift, bequest, devise, or inheritance, or which can be identified as having been acquired in exchange for property so received. This deduction shall be allowed only where a gift tax imposed under chapter 4, or an estate tax imposed under this subchapter, the Revenue Act of 1926, 44 Stat. 69, or any prior Act of Congress, was finally determined and paid by or on behalf of such donor, or the estate of such prior decedent, as the case may be, and only in the amount finally determined as the value of such property in determining the value of the gift, or the gross estate of such prior decedent, and only to the extent that the value of such property is included in the decedent's gross estate, and only if in determining the value of the net estate of the prior decedent no deduction was allowable under this paragraph in respect of the property or property given in exchange therefor.

Where a deduction was allowed of any mortgage or other lien in determining the gift tax, or the estate tax of the prior decedent, which was paid in whole or in part prior to the decedent's death, then the deduction allowable under this paragraph shall be reduced by the amount so paid. The deduction allowable under this subsection shall be reduced by an amount which bears the same ratio to the amounts allowed as deductions under subsections (a), (b) and (d) as the amount otherwise deductible under this subsection bears to the value of the decedent's gross estate. Where the property referred to in this subsection consists of two or more items the aggregate value of such items shall be used for the purpose of computing the deduction.

(d) TRANSFERS FOR PUBLIC, CHARITABLE, AND RELIGIOUS USES.—The amount of all bequests, legacies, devises, or transfers, to or for the use of the United States, any State, Territory, any political subdivision thereof, or the District of Columbia, for exclusively public purposes, or to or for the use of any corporation organized and operated exclusively for religious, charitable, scientific, literary, or educational purposes, including the encouragement of art and the prevention of cruelty to children or animals no part of the net earnings of which inures to the benefit of any private stockholder or individual, and no substantial part of the activities of which is carrying on propaganda, or otherwise attempting, to influence legislation, or to a trustee or trustees, or a fraternal society, order, or association operating under the lodge system, but only if such contributions or gifts are to be used by such trustee or trustees, or by such fraternal society, order, or association, exclusively for religious, charitable, scientific, literary, or educational purposes, or for the prevention of cruelty to children or animals. If the tax imposed by section 810, or any estate, succession, legacy, or inheritance taxes, are, either by the terms of the will, by the law of the jurisdiction under which the estate is administered, or by the law of the jurisdiction imposing the particular tax, payable in whole or in part out of the bequests, legacies, or devises otherwise deductible under this paragraph, then the amount deductible under this paragraph shall be the amount of such be-

quests, legacies, or devises reduced by the amount of such taxes. The amount of the deduction under this subsection for any transfer shall not exceed the value of the transferred property required to be included in the gross estate.

SEC. 813. CREDITS AGAINST TAX.

(a) GIFT TAX.—

(1) REVENUE ACT OF 1924.—In case a tax has been imposed under section 319 of the Revenue Act of 1924, 43 Stat. 313, as amended by section 324 of the Revenue Act of 1926, 44 Stat. 86, upon any gift, and thereafter upon the death of the donor the amount thereof is required by any provision of this subchapter to be included in the gross estate of the decedent then there shall be credited against and applied in reduction of the estate tax, which would otherwise be chargeable against the estate of the decedent under the provisions of this subchapter, an amount equal to the tax paid with respect to such gift; and in the event the donor has in any year paid the tax imposed by said section 319 with respect to a gift or gifts which upon the death of the donor must be included in his gross estate and a gift or gifts not required to be so included, then the amount of the tax which shall be deemed to have been paid with respect to the gift or gifts required to be so included shall be that proportion of the entire tax paid on account of all such gifts which the amount of the gift or gifts required to be so included bears to the total amount of gifts in that year.

(2) REVENUE ACT OF 1932.—

(A) If a tax has been paid under chapter 4 on a gift, and thereafter upon the death of the donor any amount in respect of such gift is required to be included in the value of the gross estate of the decedent for the purposes of chapter 3, then there shall be credited against the tax imposed by section 810 the amount of the tax paid under chapter 4 with respect to so much of the property which constituted the gift as is included in the gross estate, except that the amount of such credit shall not exceed an amount which bears the same ratio to the tax imposed by section 810 as the value (at the time of the gift or at the time of the death, whichever is lower) of so much of the property which constituted the gift as is included in the gross estate, bears to the value of the entire gross estate.

(B) For the purposes of paragraph (A), the amount of tax paid for any year under chapter 4 with respect to any property shall be an amount which bears the same ratio to the total tax paid for such year as the value of such property bears to the total amount of net gifts (computed without deduction of the specific exemption) for such year.

(b) ESTATE, SUCCESSION, LEGACY, AND INHERITANCE TAXES.—The tax imposed by section 810 shall be credited with the amount of any estate, inheritance, legacy, or succession taxes actually paid to any State or Territory or the District of Columbia, in respect of any property included in the gross estate (not including any such taxes paid with respect to the estate of a person other than the decedent). The credit allowed by this subsection shall not exceed 80 per centum of the tax imposed by section 810 (after deducting from such tax the credits provided by section 813 (a) (2)), and shall include only such taxes as were actually paid and credit therefor claimed within four years after the filing of the return required by section 821 or 864, except that—

(1) If a petition for redetermination of a deficiency has been filed with the Board of Tax Appeals within the time prescribed in section 871, then within such four-year period or before the expiration of 60 days after the decision of the Board becomes final.

126 CODIFICATION OF INTERNAL REVENUE LAWS

(2) If, under section 822 (a) (2) or section 871 (h), an extension of time has been granted for payment of the tax shown on the return, or of a deficiency, then within such four-year period or before the date of the expiration of the period of the extension. Refund based on the credit may (despite the provisions of sections 910 to 912, inclusive), be made if claim therefor is filed within the period above provided. Any such refund shall be made without interest.

SUBPART II—RETURNS AND PAYMENT OF TAX

SEC. 820. EXECUTOR'S NOTICE.

The executor, within two months after the decedent's death, or within a like period after qualifying as such, shall give written notice thereof to the collector.

SEC. 821. RETURNS.

(a) REQUIREMENT.—

(1) RETURNS BY EXECUTOR.—In all cases where the gross estate at the death of a citizen or resident exceeds the amount of the specific exemption provided in section 812 (a), the executor shall make a return under oath in duplicate, setting forth (1) the value of the gross estate of the decedent at the time of his death; (2) the deductions allowed under section 812; (3) the value of the net estate of the decedent as defined in section 812; and (4) the tax paid or payable thereon; or such part of such information as may at the time be ascertainable and such supplemental data as may be necessary to establish the correct tax.

(2) RETURNS BY BENEFICIARIES.—If the executor is unable to make a complete return as to any part of the gross estate of the decedent, he shall include in his return a description of such part and the name of every person holding a legal or beneficial interest therein, and upon notice from the collector such person shall in like manner make a return as to such part of the gross estate.

In such case the amount in respect of which the extension is granted shall be paid on or before the date of the expiration of the period of the extension, and the running of the statute of limitations for assessment and collection, as provided in section 874, shall be suspended for the period of any such extension. 128 CODIFICATION OF INTERNAL REVENUE LAWS

(b) REIMBURSEMENT OUT OF ESTATE.—If the tax or any part thereof is paid by, or collected out of that part of the estate passing to or in the possession of, any person other than the executor in his capacity as such, such person shall be entitled to reimbursement out of any part of the estate still undistributed or by a just and equitable contribution by the persons whose interest in the estate of the decedent would have been reduced if the tax had been paid before the distribution of the estate or whose interest is subject to equal or prior liability for the payment of taxes, debts, or other charges against the estate, it being the purpose and intent of this subchapter that so far as is practicable and unless otherwise directed by the will of the decedent the tax shall be paid out of the estate before its distribution.

(c) LIABILITY OF LIFE INSURANCE BENEFICIARIES.—If any part of the gross estate consists of proceeds of policies of insurance upon the life of the decedent receivable by a beneficiary other than the executor, the executor shall be entitled to recover from such beneficiary such portion of the total tax paid as the proceeds, in excess of \$40,000, of such policies bear to the net estate. If there is more than one such beneficiary the executor shall be entitled to recover from such beneficiaries in the same ratio.

SEC. 827. LIEN FOR TAX.

(a) UPON GROSS ESTATE.—Unless the tax is sooner paid in full, it shall be a lien for ten years upon the gross estate of the decedent, except that such part of the gross estate as is used for the payment of charges against the estate and expenses of its administration, allowed by any court having jurisdiction thereof, shall be divested of such lien. If the Commissioner is satisfied that the tax liability of an estate has been fully discharged or provided for, he may, under regulations prescribed by him with the approval of the Secretary, issue his certificate, releasing any or all property of such estate from the lien herein imposed.

(b) UPON PROPERTY OF TRANSFEREE.—If (1) except in the case of a bona fide sale for an adequate and full consideration in money or money's worth, the decedent makes a transfer, by trust or otherwise, of any property in contemplation of or intended to take effect in possession or enjoyment at or after his death, or makes a transfer, by trust or otherwise, under which he has retained for his life or for any period not ascertainable without reference to his death or for any period which does not in fact end before his death (A) the possession or enjoyment of, or the right to the income from, the property, or (B) the right, either alone or in conjunction with any person, to designate the persons who shall possess or enjoy the property or the income therefrom, or (2) if insurance passes under a contract executed by the decedent in favor of a specific beneficiary, and if in either case the tax in respect thereto is not paid when due, then the transferee, trustee, or beneficiary shall be personally liable for such tax, and such property, to the extent of the decedent's interest therein at the time of such transfer, or to the extent of such beneficiary's interest under such contract of insurance, shall be subject to a like lien equal to the amount of such tax. Any part of such property sold by such transferee or trustee to a bona fide purchaser for an adequate and full consideration in money or money's worth shall be divested of the lien and a like lien shall then attach to all the property of such transferee or trustee, except any part sold to a bona fide purchaser for an adequate and full consideration in money or money's worth.

(c) CONTINUANCE AFTER DISCHARGE OF EXECUTOR.—The provisions of section 825 shall not operate as a release of any part of the gross estate from the lien for any deficiency that may thereafter be determined to be due, unless the title to such part of the gross estate has passed to a bona fide purchaser for value, in which case such part

shall not be subject to a lien or to any claim or demand for any such deficiency, but the lien shall attach to the consideration received from such purchaser by the heirs, legatees, devisees, or distributees.

PART IV—SUPPLEMENTAL PROVISIONS

SUPPLEMENT A—ASSESSMENT AND COLLECTION OF DEFICIENCIES

SEC. 870. DEFINITION OF DEFICIENCY.

As used in this subchapter in respect of the tax imposed by this subchapter the term "deficiency" means—

(1) The amount by which the tax imposed by this subchapter exceeds the amount shown as the tax by the executor upon his return; but the amount so shown on the return shall first be increased by the amounts previously assessed (or collected without assessment) as a deficiency and decreased by the amounts previously abated, refunded, or otherwise repaid in respect of such tax; or

(2) If no amount is shown as the tax by the executor upon his return, or if no return is made by the executor, then the amount by which the tax exceeds the amounts previously assessed (or collected without assessment) as a deficiency; but such amounts previously assessed, or collected without assessment, shall first be decreased by the amounts previously abated, refunded, or otherwise repaid in respect of such tax.

SEC. 871. PROCEDURE IN GENERAL.

(a) (1) PETITION TO BOARD OF TAX APPEALS.—If the Commissioner determines that there is a deficiency in respect of the tax imposed by this subchapter, the Commissioner is authorized to send notice of such deficiency to the executor by registered mail. Within 90 days after such notice is mailed (not counting Sunday or a legal holiday in the District of Columbia as the ninetieth day), the executor may file a petition with the Board of Tax Appeals for a redetermination of the deficiency. No assessment of a deficiency in respect of the tax imposed by this subchapter and no distraint or proceeding in court for its collection shall be made, begun, or prosecuted until such notice has been mailed to the executor, nor until the expiration of such 90-day period, nor, if a petition has been filed with the Board, until the decision of the Board has become final. Notwithstanding the provisions of section 3653 (a) the making of such assessment or the beginning of such proceeding or distraint during the time such prohibition is in force may be enjoined by a proceeding in the proper court.

(2) CROSS REFERENCES.—

For exceptions to the restrictions imposed by this subsection see—

Subsection (d) of this section, relating to waivers by the executor;

Subsection (f) of this section, relating to notifications of mathematical errors appearing upon the face of the return.

Section 872, relating to jeopardy assessments; and

Section 1145, relating to assessment or collection of the amount of the deficiency determined by the Board pending court review.

(b) COLLECTION OF DEFICIENCY FOUND BY BOARD.—If the executor files a petition with the Board, the entire amount redetermined as the deficiency by the decision of the Board which has become final shall be assessed and shall be paid upon notice and demand from the collector. No part of the amount determined as a deficiency by the Commissioner but disallowed as such by the decision of the Board which has become final shall be assessed or be collected by distraint or by proceeding in court with or without assessment.

(c) FAILURE TO FILE PETITION.—If the executor does not file a petition with the Board within the time prescribed in subsection (a) the deficiency, notice of which has been mailed to the executor, shall be assessed, and shall be paid upon notice and demand from the collector.

(d) WAIVER OF RESTRICTIONS.—The executor shall at any time have the right, by a signed notice in writing filed with the Commissioner, to waive the restrictions provided in subsection (a) on the assessment and collection of the whole or any part of the deficiency.

(e) INCREASE OF DEFICIENCY AFTER NOTICE MAILED.—The Board shall have jurisdiction to redetermine the correct amount of the deficiency even if the amount so redetermined is greater than the amount of the deficiency, notice of which has been mailed to the executor, and to determine whether any additional amount or addition to the tax should be assessed, if claim therefor is asserted by the Commissioner at or before the hearing or a rehearing.

(f) FURTHER DEFICIENCY LETTERS RESTRICTED.—If the Commissioner has mailed to the executor notice of a deficiency as provided in subsection (a), and the executor files a petition with the Board within the time prescribed in such subsection, the Commissioner shall have no right to determine any additional deficiency, except in the case of fraud, and except as provided in subsection (e) or section 872 (c). If the executor is notified that, on account of a mathematical error appearing upon the face of the return, an amount of tax in excess of that shown upon the return is due, and that an assessment of the tax has been or will be made on the basis of what would have been the correct amount of tax but for the mathematical error, such notice shall not be considered, for the purposes of this subsection or of subsection (a), or of section 911, as a notice of a deficiency, and the executor shall have no right to file a petition with the Board of Tax Appeals based on such notice, nor shall such assessment or collection be prohibited by the provisions of subsection (a).

(g) FINAL DECISIONS OF BOARD.—For the purposes of this subchapter the date on which a decision of the Board becomes final shall be determined according to the provisions of section 1140.

(h) EXTENSION OF TIME FOR PAYMENT OF DEFICIENCY.—Where it is shown to the satisfaction of the Commissioner that the payment of a deficiency upon the date prescribed for the payment thereof will result in undue hardship to the estate, the Commissioner, under regulations prescribed by the Commissioner, with the approval of the Secretary (except where the deficiency is due to negligence, to intentional disregard of rules and regulations, or to fraud with intent to evade tax), may grant an extension for the payment of such deficiency or any part thereof for a period not in excess of four years. If an extension is granted, the Commissioner may require the executor to furnish a bond in such amount, not exceeding double the amount of the deficiency, and with such sureties as the Commissioner deems necessary, conditioned upon the payment of the deficiency in accordance with the terms of the extension. In such case the running of the statute of limitations for assessment and collection, as provided in section 874, shall be suspended for the period of any such extension.

(i) 50 PER CENT-ADDITION TREATED AS DEFICIENCY.—The 50 per centum addition to the tax provided by section 3612 (d) (2) shall, when assessed in connection with an estate tax, be assessed, collected, and paid in the same manner as if it were a deficiency, except that the provisions of section 891 shall not be applicable.

SEC. 872. JEOPARDY ASSESSMENTS.

(a) AUTHORITY FOR MAKING.—If the Commissioner believes that the assessment or collection of a deficiency will be jeopardized by delay, he shall immediately assess such deficiency (together with all interest, additional amounts, or additions to the tax provided for by law) and notice and demand shall be made by the collector for the payment thereof.

(b) DEFICIENCY LETTERS.—If the jeopardy assessment is made before any notice in respect of the tax to which the jeopardy assessment relates has been mailed under section 871 (a), then the Commissioner shall mail a notice under such subsection within 60 days after the making of the assessment.

(c) AMOUNT ASSESSABLE BEFORE DECISION OF BOARD.—The jeopardy assessment may be made in respect of a deficiency greater or

less than that notice of which has been mailed to the executor, despite the provisions of section 871 (f) and whether or not the executor has theretofore filed a petition with the Board of Tax Appeals. The Commissioner may, at any time before the decision of the Board is rendered, abate such assessment, or any unpaid portion thereof, to the extent that he believes the assessment to be excessive in amount. The Commissioner shall notify the Board of the amount of such assessment, or abatement, if the petition is filed with the Board before the making of the assessment or is subsequently filed, and the Board shall have jurisdiction to redetermine the entire amount of the deficiency and of all amounts assessed at the same time in connection therewith.

(d) AMOUNT ASSESSABLE AFTER DECISION OF BOARD.—If the jeopardy assessment is made after the decision of the Board is rendered such assessment may be made only in respect of the deficiency determined by the Board in its decision.

(e) EXPIRATION OF RIGHT TO ASSESS.—A jeopardy assessment may not be made after the decision of the Board has become final or after the executor has filed a petition for review of the decision of the Board.

(f) BOND TO STAY COLLECTION.—When a jeopardy assessment has been made the executor, within 30 days after notice and demand from the collector for the payment of the amount of the assessment, may obtain a stay of collection of the whole or any part of the amount of the assessment by filing with the collector a bond in such amount, not exceeding double the amount as to which the stay is desired, and with such sureties, as the collector deems necessary, conditioned upon the payment of so much of the amount, the collection of which is stayed by the bond, as is not abated by a decision of the Board which has become final, together with interest thereon as provided in section 892 or 893 (b) (4). If any portion of the jeopardy assessment is abated by the Commissioner before the decision of the Board is rendered, the bond shall, at the request of the taxpayer, be proportionately reduced.

(g) SAME—FURTHER CONDITIONS.—If the bond is given before the executor has filed his petition with the Board under subsection (a) of section 871, the bond shall contain a further condition that if a petition is not filed within the period provided in such subsection, then the amount the collection of which is stayed by the bond will be paid on notice and demand at any time after the expiration of such period, together with interest thereon at the rate of 6 per centum per annum from the date of the jeopardy notice and demand to the date of notice and demand under this subsection.

(h) WAIVER OF STAY.—Upon the filing of the bond the collection of so much of the amount assessed as is covered by the bond shall be stayed. The executor shall have the right to waive such stay at any time in respect of the whole or any part of the amount covered by the bond, and if as a result of such waiver any part of the amount covered by the bond is paid, then the bond shall, at the request of the executor, be proportionately reduced. If the Board determines that the amount assessed is greater than the amount which should have been assessed, then when the decision of the Board is rendered the bond shall, at the request of the executor, be proportionately reduced.

(i) COLLECTION OF UNPAID AMOUNTS.—When the petition has been filed with the Board and when the amount which should have been assessed has been determined by a decision of the Board which has become final, then any unpaid portion, the collection of which has been stayed by the bond, shall be collected as part of the tax upon notice and demand from the collector, and any remaining portion of the assessment shall be abated. If the amount already collected exceeds the amount determined as the amount which should have been assessed, such excess shall be refunded. If the amount deter-

mined as the amount which should have been assessed is greater than the amount actually assessed, then the difference shall be assessed and shall be collected as part of the tax upon notice and demand from the collector.

SEC. 875. SUSPENSION OF RUNNING OF STATUTE.

The running of the statute of limitations provided in section 874 on the making of assessments and the beginning of distraint or a proceeding in court for collection, in respect of any deficiency, shall (after the mailing of a notice under section 871 (a)) be suspended for the period during which the Commissioner is prohibited from making the assessment or beginning distraint or a proceeding in court (and in any event, if a proceeding in respect of the deficiency is placed on the docket of the Board, until the decision of the Board becomes final), and for 60 days thereafter.

SEC. 1005. GIFTS MADE IN PROPERTY.

If the gift is made in property, the value thereof at the date of the gift shall be considered the amount of the gift.

SEC. 1006. RETURNS.

(a) REQUIREMENT.—Any individual who within the calendar year 1940 or any calendar year thereafter makes any transfers by gift (except those which under section 1003 are not to be included in the total amount of gifts for such year) shall make a return under oath in duplicate. SEC. 1007. RECORDS AND SPECIAL RETURNS.

(a) BY DONOR.—Every person liable to any tax imposed by this chapter or for the collection thereof, shall keep such records, render under oath such statements, make such returns, and comply with such rules and regulations, as the Commissioner, with the approval of the Secretary, may from time to time prescribe.

(b) TO DETERMINE LIABILITY TO TAX.—Whenever in the judgment of the Commissioner necessary he may require any person, by notice served upon him, to make a return, render under oath such statements, or keep such records, as the Commissioner deems sufficient to show whether or not such person is liable to tax under this chapter.

SEC. 1008. PAYMENT OF TAX.

(a) TIME OF PAYMENT.—The tax imposed by this chapter shall be paid by the donor on or before the 15th day of March following the close of the calendar year.

(b) EXTENSION OF TIME FOR PAYMENT. At the request of the donor, the Commissioner may extend the time for payment of the amount determined as the tax by the donor, for a period not to exceed six months from the date prescribed for the payment of the tax. In such case the amount in respect of which the extension is granted shall be paid on or before the date of the expiration of the period of the extension.

(c) VOLUNTARY ADVANCE PAYMENT.—A tax imposed by this chapter, may be paid, at the election of the donor, prior to the date prescribed for its payment.

Any part of the property comprised in the gift sold by the donee to a bona fide purchaser for an adequate and full consideration in money or money's worth shall be divested of the lien herein imposed and the lien, to the extent of the value of such gift, shall attach to all the property of the donee (including after-acquired property) except any part sold to a bona fide purchaser for an adequate and full consideration in money or money's worth. If the Commissioner is satisfied that the tax liability has been fully discharged or provided for, he may, under regulations prescribed by him with the approval of the Secretary, issue his certificate, releasing any or all of the property from the lien herein imposed.

SEC. 1010. EXAMINATION OF RETURN AND DETERMINATION OF TAX.

As soon as practicable after the return is filed the Commissioner shall examine it and shall determine the correct amount of the tax.

SEC. 1011. DEFINITION OF DEFICIENCY.

As used in this chapter in respect of the tax imposed by this chapter the term "deficiency" means—

(1) The amount by which the tax imposed by this chapter exceeds the amount shown as the tax by the donor upon his return; but the amount so shown on the return shall first be increased by the amounts previously assessed (or collected without assessment) as a deficiency, and decreased by the amounts previously abated, refunded, or otherwise repaid in respect of such tax; or

(2) If no amount is shown as the tax by the donor upon his return, or if no return is made by the donor, then the amount by which the tax exceeds the amounts previously assessed (or collected without assessment) as a deficiency; but such amounts previously assessed, or collected without assessment, shall first be decreased by the amounts previously abated, refunded, or otherwise repaid in respect of such tax.

SEC. 1012. ASSESSMENT AND COLLECTION OF DEFICIENCIES.

(a) (1) PETITION TO BOARD OF TAX APPEALS.—If the Commissioner determines that there is a deficiency in respect of the tax imposed by this chapter, the Commissioner is authorized to send notice of such deficiency to the donor by registered mail. Within 90 days after such notice is mailed (not counting Sunday or a legal holiday in the District of Columbia as the ninetieth day), the donor may file a petition with the Board of Tax Appeals for a redetermination of the deficiency. No assessment of a deficiency in respect of the tax imposed by this chapter and no distraint or proceeding in court for its collection shall be made, begun, or prosecuted until such notice has been mailed to the donor, nor until the expiration of such 90-day period, nor, if a petition has been filed with the Board, until the decision of the Board has become final. Notwithstanding the provisions of section 3653 (a) the making of such assessment or the beginning of such proceeding or distraint during the time such prohibition is in force may be enjoined by a proceeding in the proper court.

(2) CROSS REFERENCES.—

For exceptions to the restrictions imposed by this subsection see—
Subsection (d) of this section, relating to waivers by the donor;
Subsection (f) of this section, relating to notifications of mathematical errors appearing upon the face of the return;
Section 1013, relating to jeopardy assessments;
Section 1015, relating to bankruptcy and receiverships; and
Section 1145, relating to assessment or collection of the amount of the deficiency determined by the Board pending court review.

(b) COLLECTION OF DEFICIENCY FOUND BY BOARD.—If the donor files a petition with the Board, the entire amount redetermined as the deficiency by the decision of the Board which has become final shall be assessed and shall be paid upon notice and demand from the collector. No part of the amount determined as a deficiency by the Commissioner but disallowed as such by the decision of the Board which has become final shall be assessed or be collected by distraint or by proceeding in court with or without assessment.

(c) FAILURE TO FILE PETITION.—If the donor does not file a petition with the Board within the time prescribed in subsection (a) the deficiency, notice of which has been mailed to the donor, shall be assessed, and shall be paid upon notice and demand from the collector.

(d) WAIVER OF RESTRICTIONS.—The donor shall at any time have the right, by a signed notice in writing filed with the Commissioner, to waive the restrictions provided in subsection (a) on the assessment and collection of the whole or any part of the deficiency.

(e) INCREASE OF DEFICIENCY AFTER NOTICE MAILED.—The Board shall have jurisdiction to redetermine the correct amount of the deficiency even if the amount so redetermined is greater than the amount of the deficiency, notice of which has been mailed to the donor, and to determine whether any additional amount or addition to the tax should be assessed, if claim therefor is asserted by the Commissioner at or before the hearing or a rehearing.

(f) FURTHER DEFICIENCY LETTERS RESTRICTED.—If the Commissioner has mailed to the donor notice of a deficiency as provided in subsection (a) of this section, and the donor files a petition with the Board within the time prescribed in such subsection, the Commissioner shall have no right to determine any additional deficiency in respect of the same calendar year, except in the case of fraud, and except as provided in subsection (e) of this section, relating to assertion of greater deficiencies before the Board, or in section 1013 (c), relating to the making of jeopardy assessments. If the donor is notified that, on account of a mathematical error appearing upon the face of the return, an amount of tax in excess of that shown upon the return is due, and that an assessment of the tax has been or will be made on the basis of what would have been the correct amount of tax but for the mathematical error, such notice shall not be considered (for the purposes of this subsection, or of subsection (a) of this section, prohibiting assessment and collection until notice of deficiency has been mailed, or of section 1027 (c), prohibiting credits or refunds after petition to the Board of Tax Appeals) as a notice of a deficiency, and the donor shall have no right to file a petition with the Board based on such notice, nor shall such assessment or collection be prohibited by the provisions of subsection (a) of this section.

(g) JURISDICTION OVER OTHER CALENDAR YEARS.—The Board in redetermining a deficiency in respect of any calendar year shall consider such facts with relation to the taxes for other calendar years as may be necessary correctly to redetermine the amount of such deficiency, but in so doing shall have no jurisdiction to determine whether or not the tax for any other calendar year has been overpaid or underpaid.

(h) FINAL DECISIONS OF BOARD.—For the purposes of this chapter the date on which a decision of the Board becomes final shall be determined according to the provisions of section 1140.

(i) EXTENSION OF TIME FOR PAYMENT OF DEFICIENCIES.—Where it is shown to the satisfaction of the Commissioner that the payment of a deficiency upon the date prescribed for the payment thereof will result in undue hardship to the donor the Commissioner, under regulations prescribed by the Commissioner, with the approval of the Secretary (except where the deficiency is due to negligence, to intentional disregard of rules and regulations, or to fraud with intent to evade tax), may grant an extension for the payment of such deficiency or any part thereof for a period not in excess of eighteen months, and, in exceptional cases, for a further period not in excess of twelve months. If an extension is granted, the Commissioner may require the donor to furnish a bond in such amount, not exceeding double the amount of the deficiency, and with such sureties, as the Commissioner deems necessary, conditioned upon the payment of the deficiency in accordance with the terms of the extension.

(j) ADDRESS FOR NOTICE OF DEFICIENCY.—In the absence of notice to the Commissioner under section 1026 (a) of the existence of a fiduciary relationship, notice of a deficiency in respect, of a tax imposed by this chapter, if mailed to the donor at his last known address, shall be sufficient for the purposes of this chapter even if such donor is deceased, or is under a legal disability.

SEC. 1013. JEOPARDY ASSESSMENTS.

(a) AUTHORITY FOR MAKING.—If the Commissioner believes that the assessment or collection of a deficiency will be jeopardized by delay, he shall immediately assess such deficiency (together with all interest, additional amounts, or additions to the tax provided for by law) and notice and demand shall be made by the collector for the payment thereof.

(b) DEFICIENCY LETTERS.—If the jeopardy assessment is made before any notice in respect of the tax to which the jeopardy assessment relates has been mailed under section 1012 (a), then the Commissioner shall mail a notice under such subsection within 60 days after the making of the assessment.

(c) AMOUNT ASSESSABLE BEFORE DECISION OF BOARD.—The jeopardy assessment may be made in respect of a deficiency greater or less than that notice of which has been mailed to the donor, despite the provisions of section 1012 (f) prohibiting the determination of additional deficiencies, and whether or not the donor has theretofore filed a petition with the Board of Tax Appeals. The Commissioner may, at any time before the decision of the Board is rendered, abate such assessment, or any unpaid portion thereof, to the extent that he believes the assessment to be excessive in amount. The Commissioner shall notify the Board of the amount of such assessment, or abatement, if the petition is filed with the Board before the making of the assessment or is subsequently filed, and the Board shall have jurisdiction to redetermine the entire amount of the deficiency and of all amounts assessed at the same time in connection therewith.

(d) AMOUNT ASSESSABLE AFTER DECISION OF BOARD.—If the jeopardy assessment is made after the decision of the Board is rendered such assessment may be made only in respect of the deficiency determined by the Board in its decision.

(e) EXPIRATION OF RIGHT TO ASSESS.—A jeopardy assessment may not be made after the decision of the Board has become final or after the donor has filed a petition for review of the decision of the Board.

(f) BOND TO STAY COLLECTION.—When a jeopardy assessment has been made the donor, within 10 days after notice and demand from the collector for the payment of the amount of the assessment, may

152 CODIFICATION OF INTERNAL REVENUE LAWS

obtain a stay of collection of the whole or any part of the amount of the assessment by filing with the collector a bond in such amount, not exceeding double the amount as to which the stay is desired, and with such sureties, as the collector deems necessary, conditioned upon the payment of so much of the amount, the collection of which is stayed by the bond, as is not abated by a decision of the Board which has become final, together with interest thereon as provided in section 1022 or 1023 (b) (4). If any portion of the jeopardy assessment is abated by the Commissioner before the decision of the Board is rendered, the bond shall, at the request of the taxpayer, be proportionately reduced.

(g) SAME—FURTHER CONDITIONS.—If the bond is given before the donor has filed his petition with the Board under section 1012 (a), the bond shall contain a further condition that if a petition is not filed within the period provided in such subsection, then the amount the collection of which is stayed by the bond will be paid on notice and demand at any time after the expiration of such period, together with interest thereon at the rate of 6 per centum per annum from the date of the jeopardy notice and demand to the date of notice and demand under this subsection.

(h) WAIVER OF STAY.—Upon the filing of the bond the collection of so much of the amount assessed as is covered by the bond shall be stayed. The donor shall have the right to waive such stay at any time in respect of the whole or any part of the amount covered by the bond, and if as a result of such waiver any part of the amount covered by the bond is paid, then the bond shall, at the request of the donor, be proportionately reduced. If the Board determines that the amount assessed is greater than the amount which should have been assessed, then when the decision of the Board is rendered the bond shall, at the request of the donor, be proportionately reduced.

(i) COLLECTION OF UNPAID AMOUNTS.—When the petition has been filed with the Board and when the amount which should have been assessed has been determined by a decision of the Board which has become final, then any unpaid portion, the collection of which has been stayed by the bond, shall be collected as part of the tax upon notice and demand from the collector, and any remaining portion of the assessment shall be abated. If the amount already collected exceeds the amount determined as the amount which should have been assessed, such excess shall be credited or refunded as provided in section 1027, without the filing of claim therefor. If the amount determined as the amount which should have been assessed is greater than the amount actually assessed, then the difference shall be assessed and shall be collected as part of the tax upon notice and demand from the collector.

SEC. 1014. CLAIMS IN ABATEMENT.

No claim in abatement shall be filed in respect of any assessment in respect of any tax imposed by this chapter.

SEC. 1015. BANKRUPTCY AND RECEIVERSHIPS.

(a) IMMEDIATE ASSESSMENT.—Upon the adjudication of bankruptcy of any donor in any bankruptcy proceeding or the appointment of a receiver for any donor in any receivership proceeding before any court of the United States or of any State or Territory or of the District of Columbia, any deficiency (together with all interest, additional amounts, or additions to the tax provided for by law) determined by the Commissioner in respect of a tax imposed by this chapter upon such donor shall, despite the restrictions imposed by section 1012 (a) upon assessments be immediately assessed if such deficiency has not theretofore been assessed in accordance with law. Claims for the deficiency and such interest, additional amounts and additions to the tax may be presented, for adjudication in ac-

cordance with law, to the court before which the bankruptcy or receivership proceeding is pending, despite the pendency of proceedings for the redetermination of the deficiency in pursuance of a petition to the Board; but no petition for any such redetermination shall be filed with the Board after the adjudication of bankruptcy or the appointment of the receiver.

(b) UNPAID CLAIMS.—Any portion of the claim allowed in such bankruptcy or receivership proceeding which is unpaid shall be paid by the donor upon notice and demand from the collector after the termination of such proceeding, and may be collected by distraint or proceeding in court within six years after termination of such proceeding. Extensions of time for such payment may be had in the same manner and subject to the same provisions and limitations as are provided in sections 1012 (i), 1020 (b), and 1023 (b) (3) in the case of a deficiency in a tax imposed by this chapter.

SEC. 1016. PERIOD OF LIMITATION UPON ASSESSMENT AND COLLECTION.

(a) GENERAL RULE.—Except as provided in subsection (b), the amount of taxes imposed by this chapter shall be assessed within three years after the return was filed, and no proceeding in court without assessment for the collection of such taxes shall be begun after the expiration of three years after the return was filed.

(b) EXCEPTIONS.—

(1) FALSE RETURN OR NO RETURN.—In the case of a false or fraudulent return with intent to evade tax or of a failure to file a return the tax may be assessed, or a proceeding in court for the collection of such tax may be begun without assessment, at any time.

(2) COLLECTION AFTER ASSESSMENT.—Where the assessment of any tax imposed by this chapter has been made within the statutory period of limitation properly applicable thereto, such tax may be collected by distraint or by a proceeding in court, but only if begun (1) within six years after the assessment of the tax, or (2) prior to the expiration of any period for collection agreed upon in writing by the Commissioner and the donor.

SEC. 1017. SUSPENSION OF RUNNING OF STATUTE.

The running of the statute of limitations provided in section 1016 on the making of assessments and the beginning of distraint or a proceeding in court for collection, in respect of any deficiency, shall (after the mailing of a notice under section 1012 (a)) be suspended for the period during which the Commissioner is prohibited from making the assessment or beginning distraint or a proceeding in court (and in any event, if a proceeding in respect of the deficiency is placed on the docket of the Board, until the decision of the Board becomes final), and for 60 days thereafter.

SEC. 1018. ADDITION TO THE TAX IN CASE OF DELINQUENT RETURN.

For addition to the tax in case of failure to make and file a return required by this chapter within the time prescribed by law or prescribed by the Commissioner in pursuance of the law, see section 3612 (d) (1).

SEC. 1019. ADDITIONS TO THE TAX IN CASE OF DEFICIENCY.

(a) NEGLIGENCE.—If any part of any deficiency is due to negligence, or intentional disregard of rules and regulations but without intent to defraud, 5 per centum of the total amount of the deficiency (in addition to such deficiency) shall be assessed, collected, and paid in the same manner as if it were a deficiency, except that the provisions of section 1021, relating to interest on deficiencies, shall not be applicable.

(b) FRAUD.—If any part of any deficiency is due to fraud with intent to evade tax, then 50 per centum of the total amount of the deficiency (in addition to such deficiency) shall be so assessed, collected, and paid, in lieu of the 50 per centum addition to the tax provided in section 3612 (d) (2).

SEC. 1020. INTEREST ON EXTENDED PAYMENTS.

(a) **TAX SHOWN ON RETURN.**—If the time for payment of the amount determined as the tax by the donor is extended under the authority of section 1008 (b), there shall be collected as a part of such amount, interest thereon at the rate of 6 per centum per annum from the date when such payment should have been made if no extension had been granted, until the expiration of the period of the extension.

(b) **DEFICIENCY.**—In case an extension for the payment of a deficiency is granted, as provided in section 1012 (i), there shall be collected, as a part of the tax, interest on the part of the deficiency the time for payment of which is so extended, at the rate of 6 per centum per annum for the period of the extension, and no other interest shall be collected on such part of the deficiency for such period.

SEC. 1021. INTEREST ON DEFICIENCIES.

Interest upon the amount determined as a deficiency shall be assessed at the same time as the deficiency, shall be paid upon notice and demand from the collector, and shall be collected as a part of the tax, at the rate of 6 per centum per annum from the due date of the tax to the date the deficiency is assessed, or, in the case of a waiver under section 1012 (d), to the thirtieth day after the filing of such waiver or to the date the deficiency is assessed whichever is the earlier.

SEC. 1022. INTEREST ON JEOPARDY ASSESSMENTS.

In the case of the amount collected under section 1013 (f) there shall be collected at the same time as such amount, and as a part of the tax, interest at the rate of 6 per centum per annum upon such amount from the date of the jeopardy notice and demand to the date of notice and demand under section 1013 (i), or, in the case of the amount collected in excess of the amount of the jeopardy assessment, interest as provided in section 1021.

SEC. 1023. ADDITIONS TO THE TAX IN CASE OF NONPAYMENT.

(a) **TAX SHOWN ON RETURN.**—

(1) **PAYMENT NOT EXTENDED.**—Where the amount determined by the donor as the tax imposed by this chapter, or any part of such amount, is not paid on the due date of the tax, there shall be collected as a part of the tax, interest upon such unpaid amount at the rate of 6 per centum per annum from the due date until it is paid.

(b) **DEFICIENCY.**—

(1) **PAYMENT NOT EXTENDED.**—Where a deficiency, or any interest assessed in connection therewith under section 1021, or any addition to the tax provided for in section 3612 (d), is not paid in full within 10 days from the date of notice and demand from the collector, there shall be collected as part of the tax, interest upon the unpaid amount at the rate of 6 per centum per annum from the date of such notice and demand until it is paid.

(3) **PAYMENT EXTENDED.**—If the part of the deficiency the time for payment of which is extended as provided in section 1012 (i) is not paid in accordance with the terms of the extension, there

shall be collected, as a part of the tax, interest on such unpaid amount at the rate of 6 per centum per annum for the period from the time fixed by the terms of the extension for its payment until it is paid, and no other interest shall be collected on such unpaid amount for such period.

(4) JEOPARDY ASSESSMENT—PAYMENT STAYED BY BOND.—If the amount included in the notice and demand from the collector under section 1013 (i) is not paid in full within 10 days after such notice and demand, then there shall be collected, as part of the tax, interest upon the unpaid amount at the rate of 6 per centum per annum from the date of such notice and demand until it is paid.

(c) PERIOD FOR ASSESSMENT AGAINST DONOR.—For the purposes of this section, if the donor is deceased, the period of limitation for assessment against the donor shall be the period that would be in effect had the death not occurred.

(d) SUSPENSION OF RUNNING OF STATUTE OF LIMITATIONS.—The running of the statute of limitations upon the assessment of the liability of a transferee or fiduciary shall, after the mailing of the notice under section 1012 (a) to the transferee or fiduciary, be suspended for the period during which the Commissioner is prohibited from making the assessment in respect of the liability of the transferee or fiduciary (and in any event, if a proceeding in respect of the liability is placed on the docket of the Board, until the decision of the Board becomes final), and for 60 days thereafter.

(e) PROHIBITION OF SUITS TO RESTRAIN ENFORCEMENT OF LIABILITY OF TRANSFEREE OR FIDUCIARY.—No suit shall be maintained in any court for the purpose of restraining the assessment or collection of (1) the amount of the liability, at law or in equity, of a transferee of property of a donor in respect of any gift tax, or (2) the amount of the liability of a fiduciary under section 3467 of the Revised Statutes (U. SEC. 1026. NOTICE OF FIDUCIARY RELATIONSHIP.

(a) FIDUCIARY OF DONOR.—Upon notice to the Commissioner that any person is acting in a fiduciary capacity such fiduciary shall assume the powers, rights, duties, and privileges of the donor in respect of a tax imposed by this chapter (except as otherwise specifically provided and except that the tax shall be collected from the estate of the donor), until notice is given that the fiduciary capacity has terminated.

(b) FIDUCIARY OF TRANSFEREE.—Upon notice to the Commissioner that any person is acting in a fiduciary capacity for a person subject to the liability specified in section 1025, the fiduciary shall assume, on behalf of such person, the powers, rights, duties, and privileges of such person under such section (except that the liability shall be collected from the estate of such person), until notice is given that the fiduciary capacity has terminated.

(c) EFFECT OF PETITION TO BOARD.—If the Commissioner has mailed to the taxpayer a notice of deficiency under section 1012 (a) and if the taxpayer files a petition with the Board of Tax Appeals within the time prescribed in such subsection, no credit or refund in respect of the tax for the calendar year in respect of which the Commissioner has determined the deficiency shall be allowed or made and no suit by the taxpayer for the recovery of any part of such tax shall be instituted in any court except—

(1) As to overpayments determined by a decision of the Board which has become final; and

(2) As to any amount collected in excess of an amount computed in accordance with the decision of the Board which has become final; and

(3) As to any amount collected after the period of limitation upon the beginning of distraint or a proceeding in court for collection has expired; but in any such claim for credit or refund or in any such suit for refund, the decision of the Board which has become final, as to whether such period has expired before the notice of deficiency was mailed, shall be conclusive.

(d) OVERPAYMENT FOUND BY BOARD.—If the Board finds that there is no deficiency and further finds that the taxpayer has made an overpayment of tax in respect of the taxable year in respect of which the Commissioner determined the deficiency, the Board shall have jurisdiction to determine the amount of such overpayment, and such amount shall, when the decision of the Board has become final, be credited or refunded to the taxpayer. No such credit or refund shall be made of any portion of the tax unless the Board determines as part of its decision that such portion was paid within three years before the filing of the claim or the filing of the petition, whichever is earlier, or that such portion was paid after the mailing of the notice of deficiency.

SEC. 1101. JURISDICTION.

The Board and its divisions shall have such jurisdiction as is conferred on them by chapters 1, 2, 3, and 4 of this title, by Title II and Title III of the Revenue Act of 1926, 44 Stat. 9, or by laws enacted subsequent to February 26, 1926.

SEC. 1102. MEMBERSHIP.

(a.) NUMBER.—The Board shall be composed of 16 members.

(b) APPOINTMENT.—Members of the Board shall be appointed by the President, by and with the advice and consent of the Senate, solely on the grounds of fitness to perform the duties of the office.

(c) SALARY.—Each member shall receive salary at the rate of \$10,000 per annum.

(d) EXPENSES FOR TRAVEL AND SUBSISTENCE.—The members of the Board shall receive necessary traveling expenses, and expenses actually incurred for subsistence while traveling on duty and away from their designated stations, subject to the same limitations in amount as are now or may hereafter be applicable to the United States Customs Court.

(e) TERM OF OFFICE.—The terms of office of the sixteen members first taking office after June 1, 1926, shall expire, as designated by the President at the time of nomination, four at the end of the sixth year, four at the end of the eighth year, four at the end of the tenth year, and four at the end of the twelfth year, after June 2, 1926. The terms of office of all successors shall expire twelve years after the expiration of the terms for which their predecessors were appointed; but any member appointed to fill a vacancy occurring prior to the expiration of the term for which his predecessor was appointed shall be appointed only for the unexpired term of his predecessor.

(f) REMOVAL FROM OFFICE.—Members of the Board may be removed by the President, after notice and opportunity for public hearing, for inefficiency, neglect of duty, or malfeasance in office, but for no other cause.

(g) DISBARMENT OF REMOVED MEMBERS.—A member of the Board removed from office in accordance with subsection (f) shall not be permitted at any time to practice before the Board.

SEC. 1103. ORGANIZATION.

(b) DESIGNATION OF CHAIRMAN.—The Board shall at least biennially designate a member to act as chairman.

(c) DIVISIONS.—The chairman may from time to time divide the Board into divisions of one or more members, assign the members of the Board thereto, and in case of a division of more than one member, designate the chief thereof. If a division, as a result of a vacancy or the absence or inability of a member assigned thereto to serve thereon, is composed of less than the number of members designated for the division, the chairman may assign other members to the division or direct the division to proceed with the transaction of business without awaiting any additional assignment of members thereto.

(d) QUORUM.—A majority of the members of the Board or of any division thereof shall constitute a quorum for the transaction of the business of the Board or of the division, respectively. A vacancy in the Board or in any division thereof shall not impair the powers nor affect the duties of the Board or division nor of the remaining members of the Board or division, respectively.

SEC. 1104. OFFICES.

The principal office of the Board shall be in the District of Columbia, but the Board or any of its divisions may sit at any place within the United States. SEC. 1111. RULES OF PRACTICE, PROCEDURE, AND EVIDENCE.

The proceedings of the Board and its divisions shall be conducted in accordance with such rules of practice and procedure (other than rules of evidence) as the Board may prescribe and in accordance with the rules of evidence applicable in the courts of the District of Columbia in the type of proceedings which prior to September 16, 1938, were within the jurisdiction of the courts of equity of said District.

SEC. 1112. BURDEN OF PROOF IN FRAUD CASES.

In any proceeding involving the issue whether the petitioner has been guilty of fraud with intent to evade tax, the burden of proof in respect of such issue shall be upon the Commissioner.

SEC. 1114. ADMINISTRATION OF OATHS AND PROCUREMENT OF TESTIMONY.

For the efficient administration of the functions vested in the Board or any division thereof, any member of the Board, or any employee of the Board designated in writing for the purpose by the chairman, may administer oaths, and any member of the Board may examine witnesses and require, by subpoena ordered by the Board or any division thereof and signed by the member, (1) the attendance and testimony of witnesses, and the production of all necessary returns, books, papers, documents, correspondence, and other evidence, from any place in the United States at any designated place of hearing, or (2) the taking of a deposition before any designated individual competent to administer oaths under this title. In the case of a deposition the testimony shall be reduced to writing by the individual taking the deposition or under his direction and shall then be subscribed by the deponent.

SEC. 1115. WITNESS FEES.

(b) PAYMENT.—Such fees and mileage and the expenses of taking any such deposition shall be paid as follows:

(1) WITNESSES FOR COMMISSIONER.—In the case of witnesses for the Commissioner, such payments shall be made by the Secretary out of any moneys appropriated for the collection of internal-revenue taxes, and may be made in advance.

Hearings before the Board and its divisions shall be open to the public, and the testimony, and, if the Board so requires, the argument shall be stenographically reported. The Board is authorized to contract (by renewal of contract or otherwise) for the reporting of such hearings, and in such contract to fix the terms and conditions under which transcripts will be supplied by the contractor to the Board and to other persons and agencies.

The Board shall report in writing all its findings of fact, opinions and memorandum opinions.

(c) DATE OF DECISION.—A decision of the Board (except a decision dismissing a proceeding for lack of jurisdiction) shall be held to be rendered upon the date that an order specifying the amount of the deficiency is entered in the records of the Board. If the Board dismisses a proceeding for reasons other than lack of jurisdiction and is unable from the record to determine the amount of the deficiency determined by the Commissioner, or if the Board dismisses a proceeding for lack of jurisdiction, an order to that effect shall be entered in the records of the Board, and the decision of the Board shall be held to be rendered upon the date of such entry.

(d) EFFECT OF DECISION DISMISSING PETITION.—If a petition for a redetermination of a deficiency has been filed by the taxpayer, a decision of the Board dismissing the proceeding shall be considered as its decision that the deficiency is the amount determined by the Commissioner. An order specifying such amount shall be entered in the records of the Board unless the Board can not determine such amount from the record in the proceeding, or unless the dismissal is for lack of jurisdiction.

(e) EFFECT OF DECISION THAT TAX IS BARRED BY LIMITATION.—If the assessment or collection of any tax is barred by any statute of limitations, the decision of the Board to that effect shall be considered as its decision that there is no deficiency in respect of such tax.

(f) FINDINGS OF FACT AS EVIDENCE.—The findings of the Board made in connection with any decision prior to February 26, 1926 shall, notwithstanding the enactment of the Revenue Act of 1926, 44 Stat. 9, continue to be prima facie evidence of the facts therein stated.

Damages so awarded shall be assessed at the same time as the deficiency and shall be paid upon notice and demand from the collector, and shall be collected as a part of the tax.

such division by the chairman, and shall make a report of any such determination which constitutes its final disposition of the proceeding,

(b) EFFECT OF ACTION BY A DIVISION.—The report of the division shall become the report of the Board within 30 days after such report by the division, unless within such period the chairman has directed that such report shall be reviewed by the Board. Any preliminary action by a division which does not form the basis for the entry of the final decision shall not be subject to review by the Board except in accordance with such rules as the Board may prescribe. The report of a division shall not be a part of the record in any case in which the chairman directs that such report shall be reviewed by the Board.

SEC. 1119. PROVISIONS OF SPECIAL APPLICATION TO TRANSFEREES.

(a) BURDEN OF PROOF.—In proceedings before the Board the burden of proof shall be upon the Commissioner to show that a petitioner is liable as a transferee of property of a taxpayer, but not to show that the taxpayer was liable for the tax.

(b) EVIDENCE.—Upon application to the Board, a transferee of property of a taxpayer shall be entitled, under rules prescribed by the Board, to a preliminary examination of books, papers, documents, correspondence, and other evidence of the taxpayer or a preceding transferee of the taxpayer's property, if the transferee making the application is a petitioner before the Board for the redetermination of his liability in respect of the tax (including interest, penalties, additional amounts, and additions to the tax provided by law) imposed upon the taxpayer. Upon such application the Board may require by subpoena, ordered by the Board or any division thereof and signed by a member, the production of all such books, papers, documents, correspondence, and other evidence within the United States the production of which, in the opinion of the Board or division thereof, is necessary to enable the transferee to ascertain the liability of the taxpayer or preceding transferee and will not result in undue hardship to the taxpayer or preceding transferee. Such examination shall be had at such time and place as may be designated in the subpoena.

SEC. 1120. PUBLICITY OF PROCEEDINGS.

All reports of the Board and all evidence received by the Board and its divisions, including a transcript of the stenographic report of the hearings, shall be public records open to the inspection of the public; except that after the decision of the Board in any proceeding has become final the Board may, upon motion of the taxpayer or the Commissioner, permit the withdrawal by the party entitled thereto of originals of books, documents, and records, and of models, diagrams, and other exhibits, introduced in evidence before the Board or any division; or the Board may, on its own motion, make such other disposition thereof as it deems advisable.

SEC. 1121. PUBLICATION OF REPORTS.

The Board shall provide for the publication of its reports at the Government Printing Office in such form and manner as may be best adapted for public information and use, and such authorized publication shall be competent evidence of the reports of the Board therein contained in all courts of the United States and of the several States without any further proof or authentication thereof. Such reports shall be subject to sale in the same manner and upon the same terms as other public documents.

(2) TO MAKE RULES.—Such courts are authorized to adopt rules for the filing of the petition for review, the preparation of the record for review, and the conduct of proceedings upon such review.

(3) TO REQUIRE ADDITIONAL SECURITY.—Nothing in section 1145 shall be construed as relieving the petitioner from making or filing such undertakings as the court may require as a condition of or in connection with the review.

(4) TO IMPOSE DAMAGES.—The Circuit Court of Appeals, the United States Court of Appeals for the District of Columbia, and the Supreme Court shall have power to impose damages in any case where the decision of the Board is affirmed and it appears that the petition was filed merely for delay.

Notwithstanding any provision of law imposing restrictions on the assessment and collection of deficiencies, the review under section 1142 shall not operate as a stay of assessment or collection of any portion of the amount of the deficiency determined by the Board unless a petition for review in respect of such portion is duly filed by the taxpayer, and then only if the taxpayer (1) on or before the time his petition for review is filed has filed with the Board a bond in a sum fixed by the Board not exceeding double the amount of the portion of the deficiency in respect of which the petition for review is filed, and with surety approved by the Board, conditioned upon the payment of the deficiency as finally determined, together with any interest, additional amounts, or additions to the tax provided for by law, or (2) has filed a jeopardy bond under the income or estate tax laws. If as a result of a waiver of the restrictions on the assessment and collection of a deficiency any part of the amount determined by the Board is paid after the filing of the review bond, such bond shall, at the request of the taxpayer, be proportionately reduced.

SEC. 1146. REFUND, CREDIT, OR ABATEMENT OF AMOUNTS DISALLOWED.

In cases where assessment or collection has not been stayed by the filing of a bond, then if the amount of the deficiency determined by the Board is disallowed in whole or in part by the court, the amount so disallowed shall be credited or refunded to the taxpayer, without the making of claim therefor, or, if collection has not been made, shall be abated.

For each subsequent three-year period, the adjusted declared value for a declaration year shall be the value as declared by the corporation in its return for such declaration year. The value declared by a corporation in its return for a declaration year (which declaration of value cannot be amended) shall be as of the close of its last income-tax taxable year ending with or prior to the close of such declaration year (or as of the date of organization in the case of a corporation having no income-tax taxable year ending with or prior to the close of such declaration year).

(b) SUBSEQUENT YEARS.—

(1) DOMESTIC CORPORATIONS.—For each year of any three-year period subsequent to the declaration year, the adjusted declared value in the case of a domestic corporation shall be the value declared in the return for the declaration year plus—

and minus—

(i) the cash, and the fair market value of property, distributed to shareholders,

(iii) the excess of the deductions allowable for income tax purposes over its gross income.

The adjustments provided in this paragraph shall be made for each income-tax taxable year included in the three-year period from the date as of which the value was declared in the return for the declaration year to the close of the last income-tax taxable year ending with or prior to the close of the year for which the tax is imposed by this section. The amount of such adjustment for each such year shall be computed (on the basis of a separate return) according to the income tax law applicable to such year.

(2) FOREIGN CORPORATIONS.—For each year of any three-year period subsequent to the declaration year, the adjusted declared value in the case of a foreign corporation shall be the value declared in the return for the declaration year adjusted (for the same income-tax taxable years as in the case of a domestic corporation), in accordance with regulations prescribed by the Commissioner with the approval of the Secretary, to reflect increases or decreases in the capital employed in the transaction of its business in the United States.

In such case the adjusted declared value for any subsequent year of the three-year period shall be determined on the basis of the value declared in the return for such declaration year.

(d) CREDIT FOR CHINA TRADE ACT CORPORATIONS.—For the purpose of the tax imposed by section 1200 there shall be allowed in the case of a corporation organized under the China Trade Act, 1922, 42 Stat. 849 (U. S. C., Title 15, c. 4), as a credit against the adjusted declared

SEC. 1601. CREDITS AGAINST TAX.

(a) CONTRIBUTIONS TO STATE UNEMPLOYMENT FUNDS.—

The taxpayer may credit against the tax imposed by section 1600 the amount of contributions, with respect to employment during the taxable year, paid by him (before the date of filing his return for

the taxable year) into an unemployment fund under a State law. Credit shall be allowed only for contributions made under the laws of States certified for the taxable year as provided in section 1603. The total credit allowed to a taxpayer under this subsection for all contributions paid into unemployment funds with respect to employment during such taxable year shall not exceed 90 per centum of the tax against which it is credited.

(b) ADDITIONAL CREDIT.—

(1) ALLOWANCE.—In addition to the credit allowed under subsection (a), a taxpayer may, subject to the conditions imposed by section 1602, credit against the tax imposed by section 1600 for any taxable year, an amount, with respect to each State law, equal to the amount, if any, by which the contributions, with respect to employment in such taxable year, actually paid by the taxpayer under such law before the date of filing his return for such taxable year, is exceeded by whichever of the following is the lesser—

(A) The amount of contributions which he would have been required to pay under such law for such taxable year if he had been subject to the highest rate applicable from time to time throughout such year to any employer under such law; or

(B) Two and seven-tenths per centum of the wages payable by him with respect to employment with respect to which contributions for such year were required under such law.

(c) LIMIT ON TOTAL CREDITS.—The total credits allowed to a taxpayer under this subchapter shall not exceed 90 per centum of the tax against which such credits are taken.

SEC. 1602. CONDITIONS OF ADDITIONAL CREDIT ALLOWANCE.

(a) CONTRIBUTIONS WITHIN RECOGNIZED STATE LAW REQUIREMENTS.—A taxpayer shall be allowed the additional credit under section 1601 (b) and (c), with respect to his contribution rate under a State law being lower, for any taxable year, than that of another employer subject to such law, only if the Board finds that under such law—

(1) Such lower rate, with respect to contributions to a pooled fund, is permitted on the basis of not less than three years of compensation experience;

(2) Such lower rate, with respect to contributions to a guaranteed employment account, is permitted only when his guaranty of employment was fulfilled in the preceding calendar year, and such guaranteed employment account amounts to not less than $7\frac{1}{2}$ per centum of the total wages payable by him, in accordance with such guaranty, with respect to employment in such State in the preceding calendar year;

(3) Such lower rate, with respect to contributions to a separate reserve account, is permitted only when (A) compensation has been payable from such account throughout the preceding calendar year, and (B) such account amounts to not less than five times the largest amount of compensation paid from such account within any one of the three preceding calendar years, and (C) such account amounts to not less than $7\frac{1}{2}$ per centum of the total wages payable by him (plus the total wages payable by any other employers who may be contributing to such account) with respect to employment in such State in the preceding calendar year.

(b) OTHER CONTRIBUTIONS.—Such additional credit shall be reduced, if any contributions under such law are made by such taxpayer at a lower rate under conditions not fulfilling the requirements of sub-

Taxes payable by the vendee shall be paid to the vendor at the time the sale is consummated and shall be returned and paid to the United States by the vendor in the same manner as other taxes under this chapter. If after a trial on the sole issue of the truth of such allegations the jury determines that the defendant is in fact the person previously convicted as charged in the information, or if he acknowledges in open court, after being duly cautioned as to his rights, that he is such person, he shall be punished as prescribed in paragraphs 5 or 6 of this subsection, as the case may be, and the previous sentence of the court, if any, shall be vacated and there shall be deducted from the new sentence the amount of time actually served under the sentence so vacated.

(1) TO AFFILIATED CORPORATIONS.—If any corporation, which manufactures, produces, or imports, pistols or revolvers, sells or leases such articles to a corporation affiliated with it within the meaning of this paragraph, at less than the fair market price obtainable therefor, the tax thereon shall be computed on the basis of the price at which such articles are sold or leased by the corporation with which it is affiliated. Such stamps shall be issued by the Commissioner to each Collector, upon his requisition, in such numbers as may be necessary in his district, and shall be sold by the Collectors to persons entitled thereto upon application therefor and compliance with regulations under this section, at a price of 1 cent for each stamp, except that in the case of stamps for containers of less than one half pint the price shall be one quarter of 1 cent for each stamp. SEC. 2804. DETENTION OF CASKS OR PACKAGES ON SUSPICION.

(a) **POWER OF REVENUE OFFICER.**—It shall be lawful for any internal revenue officer to detain any cask or package containing, or supposed to contain, distilled spirits, when he has reason to believe that the tax imposed by law upon the same has not been paid, or that the same is being removed in violation of law; and every such cask or package may be held by him at a safe place until it shall be determined whether the property so detained is liable by law to be proceeded against for forfeiture; but such summary detention shall not continue in any case longer than forty-eight hours without process of law or intervention of the officer to whom such detention is to be reported.

(b) **TRANSFER OF DUTIES.**—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2805. DISTILLED SPIRITS SUBJECT TO FORFEITURE, DISTRAINT, OR JUDICIAL PROCESS.

(a) **FORFEITURE.**—

(1) **DELIVERY TO THE SECRETARY.**—All distilled spirits, wine, and malt beverages forfeited, summarily or by order of court, under any law of the United States, shall be delivered to the Secretary to be disposed of as hereinafter provided.

(2) DISPOSAL BY THE SECRETARY.—The Secretary shall dispose of all distilled spirits, wine, and malt beverages which have been delivered to him pursuant to subsection (a)—

(A) By delivery to such Government agencies as, in his opinion, have a need for such distilled spirits, wine, or malt beverages for medicinal, scientific, or mechanical purposes; or

(B) By gift to such eleemosynary institutions as, in his opinion, have a need for such distilled spirits, wine, or malt beverages for medicinal purposes; or

(C) By destruction.

(3) LIMITATION ON DISPOSAL.—No distilled spirits, wine, or malt beverages which have been seized under any law of the United States, may be disposed of in any manner whatsoever except after forfeiture and as provided in this section.

(4) REGULATIONS.—The Secretary is authorized to make all rules and regulations necessary to carry out the provisions of this section.

(5) REMISSION, OR MITIGATION OF FORFEITURES.—Nothing in this section shall affect the authority of the Secretary, under the customs or internal-revenue laws, to remit or mitigate the forfeiture, or alleged forfeiture, of such distilled spirits, wines, or malt beverages, or the authority of the Commissioner, with the approval of the Secretary, to compromise any civil or criminal case in respect of such distilled spirits, wines, or malt beverages prior to commencement of suit thereon, or the authority of the Secretary to compromise any claim under the customs laws in respect of such distilled spirits, wines, or malt beverages.

(b) DISTRRAINT OR JUDICIAL PROCESS.—Except as provided in section 3074, all distilled spirits sold by order of court, or under process of distraint, shall be sold subject to tax; and the purchaser shall immediately, and before he takes possession of said spirits, pay the tax thereon. If any tax-paid stamps are affixed to any such cask or package, such stamps shall be obliterated and destroyed by the collector or marshal before such sale: *Provided*, That in all cases wherein it shall appear that any distilled spirits offered for sale on distraint for taxes, where the taxes on such spirits have not been paid, or offered for sale for the benefit of the United States under order of court, will not, by reason of such spirits being below proof, bring a price equal to the tax due and payable thereon, but will bring a price equal to, or greater than, the tax on said spirits, computed only upon the proof gallons contained in the packages, without regard to the greater number of wine gallons contained therein, then, and in such case, upon sale being so made, tax-paid stamps to the amount required to stamp such spirits as if the tax thereon were only on the proof gallons thereof, may, under such rules and regulations as the Commissioner shall prescribe, be used by the collector making such sale, or furnished by a collector to a United States marshal, or to any other government officer making such sale for the benefit of the United States, without making payment for said stamps so used or delivered. Any collector using or furnishing stamps in manner aforesaid, on presenting vouchers satisfactory to the Commissioner, shall be allowed credit for the same in settling his stamp account with the department. In such cases, the officer selling the distilled spirits shall affix, or cause to be affixed, to the same the tax-paid stamps so provided, and shall write across the face of such stamps the true number of proof and wine gallons contained in the package, the amount of tax actually paid thereon, and also the words "Affixed under provisions of Internal Revenue Code, section 2805 (b)."

(a) FORM AND APPROVAL.—

(1) IN GENERAL.—Every person intending to commence or to continue the business of a distiller shall, on filing with the collector his notice of such intention, and before proceeding with such business, and on the 1st day of May of each succeeding year, execute a bond in the form prescribed by the Commissioner, conditioned that he shall faithfully comply with all the provisions of law relating to the duties and business of distillers, and shall pay all penalties incurred or fines imposed on him for a violation of any of the said provisions; and that he shall not suffer the lot or tract of land on which the distillery stands, or any part thereof, or any of the distilling apparatus, to be incumbered by mortgage, judgment, or other lien, during the time in which he shall carry on said business. Said bond shall be with at least two sureties, approved by the collector of the district, and for a penal sum not less than the amount of tax on the spirits that can be distilled in his distillery during a period of fifteen days. But in no case shall the bond exceed the sum of \$100,000.

The collector may refuse to approve said bond when, in his judgment, the situation of the distillery is such as would enable the distiller to defraud the United States; and in case of such refusal the distiller may appeal to the Commissioner, whose decision in the matter shall be final. A new bond shall be required in case of the death, insolvency, or removal of either of the sureties, and may be required in any other contingency at the discretion of the collector or Commissioner.

Every person who fails or refuses to give the bond hereinbefore required, or to renew the same, or who gives any false, forged, or fraudulent bond, shall forfeit the distillery, distilling apparatus, and all real estate and premises connected therewith, and shall be fined not less than \$500 nor more than \$5,000, and imprisoned not less than six months nor more than two years.

(2) WHEN EXEMPT FROM SURVEY REQUIREMENTS.—Whenever, under authority of law, the Secretary shall relieve a distiller from the survey requirements of section 2817, he may likewise by regulation fix the penal sum of the distiller's bond, but in no case shall the amount of the minimum bond be less than \$5,000 nor the amount of the maximum bond greater than \$100,000.

Every collector who violates this provision shall forfeit and pay \$2,000, and be dismissed from office.

(b) OWNERSHIP OF LAND OR CONSENT OF OWNER.—

(1) REQUIREMENTS.—No bond of a distiller shall be approved unless—

(B) The distiller files with the officer designated for the purpose by the Commissioner, in connection with his notice, the written consent of the owner of the fee, and of any mortgagee, judgment-creditor, or other person having a lien thereon, duly acknowledged, that the premises may be used for the purpose of distilling spirits, subject to the provisions of law, and expressly stipulating that the lien of the United States for taxes and penalties shall have priority of such mortgage, judgment, or other encumbrance, and that in the case of the forfeiture of the distillery premises, or any part thereof, the title to the same shall vest in the United States, discharged from such mortgage, judgment, or other encumbrance; or, if consent as required under this paragraph cannot be obtained,

(C) The distiller, with the approval of the Commissioner, files with the officer designated by the Commissioner a bond, approved by the Commissioner, in the penal sum equal to the appraised value of the lot or tract of land on which the distillery is situated, the distillery, the buildings, and the distilling apparatus. Such value shall be determined, and such bond shall be executed, in such form and with such sureties, and filed with the officer designated by the Commissioner, under such regulations as the Secretary shall prescribe.

(D) In case of any distillery sold at judicial or other sale in favor of the United States, a bond may be taken at the discretion of the Commissioner, in lieu of the written consent required by this section, and the person giving such bond may be allowed to operate such distillery during the existence of the right of redemption from such sale, on complying with all the other provisions of law.

giving the same, shall have been previously convicted, in a court of competent jurisdiction, of (1) any fraudulent noncompliance with any provision of any law of the United States if such provision related to internal-revenue or customs taxation of distilled spirits, wines, or fermented malt liquors, or if such an offense shall have been compromised with the individual, firm, partnership, corporation, or association upon payment of penalties or otherwise, or (2) any felony under a law of any State, Territory, or the District of Columbia, or the United States, prohibiting the manufacture, sale, importation, or transportation of distilled spirits, wine, fermented malt liquor, or other intoxicating liquor.

SEC. 2816. PLAN OF DISTILLERY.

(a) REQUIREMENTS.—Except as provided in section 2824 (a), every distiller and person intending to engage in the business of a distiller shall, previous to the approval of his bond, cause to be made, under the direction of the collector of the district, an accurate plan and description, in triplicate, of the distillery and distilling apparatus, distinctly showing the location of every still, boiler, doubler, worm tub, and receiving cistern, the course and construction of all fixed pipes used or to be used in the distillery, and of every branch and every cock or joint thereof, and of every valve therein, together with every place, vessel, tub, or utensil from and to which any such pipe leads, or with which it communicates; also the number and location and cubic contents of every still, mash tub, and fermenting tub, the cubic contents of every receiving cistern, and the color of each fixed pipe, as required in this chapter. One copy of said plan and description shall be kept displayed in some conspicuous place in the distillery, and two copies shall be furnished to the collector of the district, one of which shall be kept by him, and the other transmitted to the Commissioner. The accuracy of every such plan and description shall be verified by the collector, the draughtsman, and the distiller; and no alteration shall be made in such distillery without the consent, in writing, of the collector. Any alteration so made shall be shown on the original, or by a supplemental plan and description, and a reference thereto noted on the original, as the collector may direct; and any supplemental plan and description shall be executed and preserved in the same manner as the original.

(b) TRANSFER OF DUTIES.—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2817. SURVEY OF DISTILLERY.

(a) REQUIREMENTS.—On receipt of notice that any person, firm, or corporation wishes to commence the business of distilling, the collector, or a deputy collector, to be designated by him, shall proceed in person, at the expense of the United States, with the aid of an assistant designated by the Commissioner for the purpose of making surveys of distilleries in that district, to make a survey of such distillery for the purpose of estimating and determining its true spirit producing capacity for a day of twenty-four hours.

In all surveys forty-five gallons of mash or beer brewed or fermented from grain shall represent not less than one bushel of grain, and seven gallons of mash or beer brewed or fermented from molasses shall represent not less than one gallon of molasses, except in distil-

leries operated on the sour-mash principle, in which distilleries sixty gallons of beer brewed or fermented from grain shall represent not less than one bushel of grain, and except that in distilleries where the filtration-aeration process is used, with the approval of the Commissioner; that is, where the mash after it leaves the mash tub is passed through a filtering machine before it is run into the fermenting tub, and only the filtered liquor passes into the fermenting tub, there shall be no limitation upon the number of gallons of water which may be used in the process of mashing or filtration for fermentation; but the Commissioner, with the approval of the Secretary, in order to protect the revenue, shall be authorized to prescribe by regulation, to be made by him, such character of survey as he may find suitable for distilleries using such filtration-aeration process. The provisions hereof relating to filtration-aeration process shall apply only to sweet-mash distilleries.

A written report of such survey shall be made in triplicate, of which one copy shall be delivered to the distiller, one copy shall be retained by the collector, and one copy shall be transmitted to the Commissioner, and the survey shall take effect upon the delivery of such copy to the distiller.

Whenever the Commissioner is satisfied that any report of the capacity of a distillery is incorrect or needs revision, he shall direct the collector to make in like manner another survey of said distillery, and the report thereof shall be made and deposited as hereinbefore required:

Provided, That the survey of any distillery estimated and stated by the distiller, in his notice of intention to distill, as capable of distilling not more than one hundred and fifty proof gallons of distilled spirits every twenty-four hours may be made by the collector or by a deputy collector without the aid of an assistant; and that all surveys made for the purpose of correcting clerical errors or errors of computation existing in the report of a previous survey, and all surveys made for the purpose of changing the true spirit producing capacity of any distillery for a day of twenty-four hours as estimated and determined by a previous survey, but which surveys do not require the remeasuring of the fermenting tubs in a grain or molasses distillery, or the still or stills in a distillery of apples, peaches, or grapes exclusively, may be made without taking the measurements of the fermenting tubs or stills, as the case may be, and without revisiting the distillery:

And provided further, That the Commissioner may, whenever he shall deem it proper, designate an officer, agent, or person other than the collector or deputy collector, to make, with or without the aid of a designated assistant, the surveys and resurveys hereinabove provided for.

(b) WAIVER OF REQUIREMENTS.—The Secretary in the case of any distillery may, under regulations, waive such of the requirements of this section as he determines may be waived without danger to the revenue. Whenever the Secretary, by authority of this subsection, waives any or all of the requirements of this section, he may, by regulation, relieve the distiller from such requirements of sections 2840 (a), 2846 (a), 2847 (a), 2849, 2850 (a), and 2851 (a), and of such other provisions of law relating or incidental to survey requirements, as the Secretary determines may be waived without danger to the revenue.

SEC. 2843. PENALTY FOR USING UNREGISTERED MATERIALS.

Any person who uses any molasses, beer, or other substance, whether fermented on the premises or elsewhere, for the purpose of producing spirits, before an account of the same is registered in the proper book provided for that purpose, shall forfeit and pay the sum of \$1,000 for each offense so committed.

SEC. 2844. MONTHLY PRODUCTION RETURN OF DISTILLER.

(a) REQUIREMENT.—On the 1st day of each month, or within five days thereafter, every distiller shall render to the collector of the district an account in duplicate, taken from his books, stating the quantity and kind of materials used for the production of spirits each day, and the number of wine gallons and of proof gallons of spirits, produced and placed in warehouse. And the distiller or the principal manager of the distillery shall make and subscribe the following oath, to be attached to said return:

"I, _____, distiller (or principal manager, as the case may be) of the distillery at _____, do solemnly swear that, since the date of the last return of the business of said distillery, dated ____ day of _____ to _____ day of _____, both inclusive, there was produced in said distillery, and withdrawn and placed in warehouse, the number of wine gallons and proof gallons of spirits; and there were actually mashed and used in said distillery, and consumed in the production of spirits therein, the several quantities of grain, sugar, molasses, and other materials respectively hereinbefore specified, and no more."

One of the said duplicate returns shall be transmitted by the collector to the Commissioner.

(b) TRANSFER OF DUTIES.—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2845. SPECIAL RETURNS OF NUMBER OF BARRELS DISTILLED.

(a) REQUIREMENT.—Every distiller shall make a return of the number of barrels of spirits distilled by him, counting forty gallons of proof spirits to the barrel, whenever such return is demanded by the collector of the district.

(b) TRANSFER OF DUTIES.—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2846. ASSESSMENT FOR DEFICIENCIES IN PRODUCTION AND EXCESS OF MATERIAL USED.

(a) POWER OF COMMISSIONER.—On the receipt of the distiller's return in each month, the Commissioner shall inquire and determine whether the distiller has accounted for all the grain or molasses used, and all the spirits produced by him in the preceding month. If he is satisfied that the distiller has reported all the spirits produced by him, and the quantity so reported is found to be less than 80 per centum of the producing capacity of the distillery as estimated according to law, he shall make an assessment for such deficiency at the rate of tax imposed by law for every proof gallon. In determining the quantity of grain used, fifty-six pounds shall be accounted as a bushel; and if the Commissioner finds that the distiller has used any grain or molasses in excess of the capacity of his distillery as estimated according to law, he shall make an assessment against the distiller at the rate imposed by law for every proof gallon of spirits that should have been produced from the grain or molasses so used in excess, which assessment shall be made whether the quantity of spirits reported is equal to or exceeds 80 per centum of the producing capacity of the distillery. If the Commissioner finds that the distiller has not accounted for all the spirits produced by him, he shall, from all the evidence he can obtain, determine what quantity of spirits was actually produced by such distiller, and an assessment shall be made for the difference between the quantity reported and the quantity shown to have been actually produced, at the rate of tax imposed by law for every proof gallon: *Provided*, That the actual product shall be assumed to be in no case less than 80 per centum of the producing capacity of the distillery as estimated according to law. All assessments made under this section shall be a lien on all distilled spirits on the distillery premises, the distillery used for distilling the same, the stills, vessels, fixtures, and tools therein, the tract of land whereon the said distillery is located, and any building thereon, from the time such assessment is made until the same shall have been paid.

(b) CROSS REFERENCES.—

(1) EXEMPTION OF ETHYL ALCOHOL DISTILLERS.—

For exemption, in certain cases, of ethyl alcohol distillers from the provisions of this section, see section 2848.

(2) TRANSFER OF DUTIES.—

SEC. 2847. RELIEF FROM ASSESSMENTS UNDER SECTION 2846.

(a) POWER OF COMMISSIONER.—Whenever, under the provisions of section 2846, an assessment shall have been made against a distiller for a deficiency in not producing 80 per centum of the producing capacity of his distillery as established by law, or for the tax upon the spirits that should have been produced from the grain, or fruit, or molasses found to have been used in excess of the capacity of his distillery for any month, as estimated according to law, such excessive use of grain, or fruit, or molasses having arisen from a failure on the part of the distiller to maintain the capacity required by law to

enable him to use such grain, or fruit, or molasses without incurring liability to such assessment, and it shall be made to appear to the satisfaction of the Commissioner that said deficiency, or that said failure, whereby such excessive use of grain, molasses, or fruit arose, was not occasioned by any want of diligence or by any fraudulent purpose on the part of the distiller, but from misunderstanding as to the requirements of the law and regulations in that respect or by reason of unavoidable accidents, then, and in such case, the Commissioner, subject to regulations prescribed by the Secretary is authorized, on appeal made to him, to remit or refund such tax, or such part thereof as shall appear to him to be equitable and just in the premises.

And the Commissioner upon the production to him of satisfactory proof of the actual destruction, by accidental fire or other casualty, and without any fraud, collusion, or negligence of the distiller of any spirits in process of manufacture or distillation, or before removal to the distillery warehouse, shall not assess the distiller for a deficiency in not producing 80 per centum of the producing capacity of his distillery as established by law when the deficiency is occasioned by such destruction, nor shall he, in such case, assess the tax on the spirits so destroyed:

Provided, That no assessment shall be charged against any distiller of fruit for any failure to maintain the required capacity, unless the Commissioner shall, within six months after his receipt of each monthly report notify such distiller of such failure so to maintain the required capacity.

(b) TRANSFER OF DUTIES.—

For transfer of power and duties of Commissioner and his agents, see section 3170.

SEC. 2848. EXEMPTION OF DISTILLERS OF ETHYL ALCOHOL FROM CERTAIN PROVISIONS.

(a) POWER OF COMMISSIONER.—The Commissioner, with the approval of the Secretary, may by regulations exempt distillers of ethyl alcohol, for use in the production of munitions of war, or for other nonbeverage purposes, from so much of the provisions of sections 2817, 2840, or 2846, respecting the survey of distilleries, the period of fermentation, the filling and emptying of fermenting tubs, and assessments, as, in his judgment, may be expedient: *Provided*, That the bond prescribed in section 2814 shall, in the cases herein provided, be in such sum and contain such further conditions as the Commissioner may require.

(b) TRANSFER OF DUTIES.—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2849. FIRST FERMENTING PERIOD.

The first fermenting period of every distiller shall be taken to begin on the day the distiller's bond is approved; and every distiller at the hour of twelve meridian on the last day of such first fermenting period, or at the same hour on any previous day of such fermenting period on which spirits are distilled, shall be deemed to have commenced, and thereafter to be continuously engaged in, the production of distilled spirits in his distillery, except in the intervals when he shall suspend work as provided in section 2850.

SEC. 2850. SUSPENSION AND RESUMPTION OF DISTILLING.

(a) REQUIREMENTS.—Any distiller desiring to suspend work in his distillery may give notice in writing to the collector of the district, stating when he will suspend work; and on the day mentioned in said notice said collector or one of his deputies shall, at the expense of the distiller, proceed to fasten securely the door of every furnace of every still or boiler in said distillery, by locks and otherwise, and shall adopt such other means as the Commissioner may prescribe to

prevent the lighting of any fire in such furnace or under such stills or boilers. The locks and seals, and other materials required for such purpose, shall be furnished to the collector by the Commissioner, to be duly accounted for by said collector. Such notice by any distiller, and the action taken by the collector in pursuance thereof, shall be immediately transmitted to the Commissioner. No distiller, after having given such notice, shall, after the time stated therein, carry on the business of a distiller on said premises until he gives another notice in writing to said collector, stating the time when he will resume work; and at the time so stated for resuming work the collector or one of his deputies shall attend at the distillery to remove said locks and other fastenings; and thereupon, and not before, work may be resumed in said distillery, which fact shall be immediately reported to the collector of the district, and by him transmitted to the Commissioner.

Every distiller who, after the time fixed in said notice declaring his intention to suspend work, carries on the business of a distiller on said premises, or has mash, wort, or beer in his distillery, or on any premises connected therewith, or has in his possession or under his control any mash, wort, or beer, with intent to distill the same on said premises, shall incur the forfeitures and be subject to the same punishment as provided for persons who carry on the business of a distiller without having given the bonds required by law.

But nothing in this section shall be held to apply to suspensions caused by unavoidable accident; and the Commissioner shall prescribe regulations to govern such cases of involuntary suspension.

(b) TRANSFER OF DUTIES.—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2851. REDUCTION OF PRODUCING CAPACITY OF DISTILLERY.

(a) REQUIREMENTS.—Whenever any distiller desires to reduce the producing capacity of his distillery, he shall give notice of such intention, in writing, to the collector, stating the quantity of spirits which he desires thereafter to manufacture or produce every twenty-four hours, and thereupon said collector shall proceed, at the expense of the distiller, to reduce and limit the producing capacity of the distillery to the quantity stated in said notice, by placing upon a sufficient number of the fermenting tubs close-fitting covers, which shall be securely fastened by nails, seals, and otherwise, and in such manner as to prevent the use of such tubs without removing said covers or breaking said seals, and shall adopt such other precautions as may be prescribed by the Commissioner to reduce the capacity of said distillery.

And every person who breaks, injures, or in any manner tampers with any lock, seal, or other fastening applied to any furnace, still, or fermenting tub, or other vessel, in pursuance of the provisions of law, or who opens or attempts to open any door, tub, or other vessel, which is locked or sealed, or otherwise closed or fastened as herein provided, or who uses any furnace, still, or fermenting tub, or other vessel, which is so locked, sealed, or fastened, shall be deemed guilty of a felony, and shall be fined not less than \$1,000 nor more than \$5,000, and imprisoned for not less than one year nor more than three years.

(b) TRANSFER OF DUTIES.—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2852. RELEASE OF DISTILLERY BEFORE JUDGMENT.

Any distillery or distilling apparatus seized for any violation of law may, in the discretion of the court, be released before final judgment to a receiver appointed by the court to operate such distillery or apparatus. Such receiver shall give bond, which shall be ap-

proved in open court, with two or more competent personal sureties, or one approved corporate surety, for the full appraised value of all the property seized, to be ascertained by three competent appraisers designated and appointed by the court. Funds obtained from such operation shall be impounded as the court shall direct pending such final judgment.

SEC. 2853. DESTRUCTION OF DISTILLING APPARATUS IN FORFEITURE PROCEEDINGS.

(a) PROCEDURE.—When a judgment of forfeiture, in any case of seizure, is recovered against any distillery used or fit for use in the production of distilled spirits, because no bond has been given, or against any distillery used or fit for use in the production of spirits, having a registered producing capacity of less than one hundred and fifty gallons a day, for any violation of law, of whatever nature, every still, doubler, worm, worm tub, mash tub, and fermenting tub therein shall be so destroyed as to prevent the use of the same or of any part thereof for the purpose of distilling; and the materials shall be sold as in case of other forfeited property.

And in case of seizure of a still, doubler, worm, worm tub, mash tub, fermenting tub, or other distilling apparatus, having a less producing capacity than one hundred and fifty gallons per day, for any offense involving forfeiture of the same, where said apparatus shall be of less than \$500 value, and where it shall be impracticable to remove the same to a place of safe storage from the place where seized, the seizing officer is authorized to destroy the same only so far as to prevent the use thereof, or any part thereof, for the purpose of distilling. Such destruction shall be in the presence of at least one credible witness, and such witness shall unite with the said officer in a duly sworn report of said seizure and destruction, to be made to the Commissioner, in which report they shall set forth the grounds of the claim of forfeiture, the reasons for such seizure and destruction, their estimate of the fair cash value of the apparatus destroyed, and also of the materials remaining after such destruction, and a statement that, from facts within their own knowledge, they have no doubt whatever that said distilling apparatus was set up for use and not registered, or had been used in the unlawful distillation of spirits, and that it was impracticable to remove the same to a place of safe storage.

Within one year after such destruction the owner of the apparatus so destroyed may make application to the Secretary through the Commissioner, for reimbursement of the value of the same; and unless it shall be made to appear to the satisfaction of the Secretary and the Commissioner that said apparatus had been used in the unlawful distillation of spirits, the Secretary shall make an allowance to said owner, not exceeding the value of said apparatus, less the value of said materials as estimated in said report; and if the claimant shall thereupon satisfy said Secretary and Commissioner that said unlawful use of the apparatus had been without his consent or knowledge, he shall still be entitled to such compensation, but not otherwise. And in case of a wrongful seizure and destruction of property under the foregoing provisions, the owner thereof shall have right of action on the official bond of the officer who occasioned the destruction for all damages caused thereby.

(b) TRANSFER OF DUTIES.—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

SEC. 2854. BURDEN OF PROOF IN CASES OF SEIZURE OF SPIRITS.

transit from any one of said places; or of any distilled spirits found in any one of the places aforesaid, or in transit therefrom, which have not been received into or sent out therefrom in conformity to law, or in regard to which any of the entries required by law to be made in the books of the owner of such spirits, or of the storekeeper-gauger, wholesale dealer, or rectifier, have not been made at the time or in the manner required, or in respect to which the owner or person having possession, control, or charge of said spirits, has omitted to do any act required to be done, or has done or committed any act prohibited in regard to said spirits, the burden of proof shall be upon the claimant of said spirits to show that no fraud has been committed, and that all the requirements of the law in relation to the payment of the tax have been complied with.

(a) REQUIREMENT.—On or before the 10th day of each month every person engaged in rectifying or compounding distilled spirits shall make, in such form as may be prescribed by the Commissioner, a return to the collector of the district, showing the quantity of spirits received for rectification, and from whom received, the quantity dumped for rectification, the quantity rectified, the quantity removed after rectification during the proceeding month, and giving such other information as may be required by the Commissioner, such return to be made in duplicate and sworn to by the rectifier; and the collector shall forward one of such returns to the Commissioner.

The records shall be kept and the transcripts shall be rendered in such form, and under such rules and regulations as the Commissioner, with the approval of the Secretary, may prescribe.

The records required to be kept under the provisions of this section and regulations issued pursuant thereto, shall be preserved for a period of four years, and during such period shall be available during business hours for inspection and the taking of abstracts therefrom by the Commissioner or any internal revenue officer.

Part III—Internal Revenue Bonded Warehouses

SEC. 2872. ESTABLISHMENT AND CONTROL.

The Commissioner is authorized, in his discretion, and upon the execution of such bonds as he may prescribe, to establish warehouses, to be known and designated as internal revenue bonded warehouses, to be used exclusively for the storage of spirits distilled at a registered distillery, each of which warehouses shall be in charge of a storekeeper-gauger. Every such warehouse shall be under the control of the District Supervisor of the Alcohol Tax Unit district in which such warehouse is located, and shall be in the joint custody of the storekeeper-gauger and proprietor thereof, and kept securely

locked, and shall at no time be unlocked or opened or remain open except in the presence of such storekeeper-gauger or other person who may be designated to act for him. No dwelling house shall be used for such a warehouse, and no door, window, or other opening shall be made or permitted in the walls of such warehouse leading into a distillery. Such warehouses shall be under such further regulations as the Commissioner, with the approval of the Secretary, may prescribe.

The establishment, construction, maintenance, and supervision of internal revenue bonded warehouses shall be under such regulations as the Commissioner, with the approval of the Secretary, shall prescribe.

SEC. 2874. DISCONTINUANCE OF WAREHOUSE AND TRANSFER OF MERCHANDISE.

(a) **AUTHORIZATION.**—Whenever, in the opinion of the Commissioner, any internal revenue bonded warehouse is unsafe or unfit for use, or the merchandise therein is liable to loss or great wastage, he may in either such case discontinue such warehouse and require the merchandise therein to be transferred to such other warehouse as he may designate, and within such time as he may prescribe. Such transfer shall be made under the supervision of the collector, or of such other officer as may be designated by the Commissioner, and the expense thereof shall be paid by the owner of the merchandise. Whenever the owner of such merchandise fails to make such transfer within the time prescribed, or to pay the just and proper expense of such transfer, as ascertained and determined by the Commissioner, such merchandise may be seized and sold by the collector in the same manner as goods are sold upon distraint for taxes, and the proceeds of such sale shall be applied to the payment of the taxes due thereon and the cost and expenses of such sale and removal, and the balance paid over to the owner of such merchandise.

(b) **TRANSFER OF DUTIES.**—

For transfer of powers and duties of Commissioner and his agents, see section 3170.

All such permits may be issued for one year, and shall expire on the 31st day of December next succeeding the issuance thereof: *Provided,* That the Commissioner may without formal application or new bond extend any permit granted under this part after August 31 in any year to December 31 of the succeeding year.

Permits to purchase or procure specially denatured alcohol and tax-free alcohol shall be issued in such terms and under such conditions as the Commissioner shall by regulation prescribe.

No permit shall be issued to any person who, within one year prior to the application therefor or issuance thereof, shall not in good faith have conformed to the provisions of this part, or shall have violated the terms of any permit issued under this part, or made any false statement in the application therefor, or willfully failed to disclose any information required by regulation to be furnished, or violated any law of the United States relating to intoxicating liquor, or willfully violated any law of any State, Territory, or possession of the United States or of the District of Columbia relating to intoxicating liquor.

Every permit shall be in writing, dated when issued, and signed by the Commissioner or his authorized agent. It shall give the name and address of the person to whom it is issued and shall designate and limit the acts that are permitted and the time when and place where such acts may be performed. No permit shall be issued until a verified, written application shall have been made therefor, setting forth the qualification of the applicant and the purpose for which the alcohol or denatured alcohol is to be used.

The Commissioner may prescribe the form of all permits and applications and the facts to be set forth therein. Before any permit is granted, the Commissioner may require a bond in such form and amount as he may prescribe to insure compliance with the terms of the permit and the provisions of this part. In the event of the refusal by the Commissioner of any application for a permit, the applicant may have a review of his decision before a court of equity in the manner provided in subsection (c).

(b) VIOLATION.—If at any time there shall be filed with the Commissioner a complaint under oath setting forth facts showing, or if the Commissioner has reason to believe, that any person who has a permit is not in good faith conforming to the provisions of this part, or has violated the terms of such permit, or has made any false statement in the application therefor, or has willfully failed to disclose any information required by regulation to be furnished, or has violated any law of the United States or of any State, Territory, or possession of the United States or of the District of Columbia relating to intoxicating liquor, the Commissioner or his agent shall immediately issue an order citing such person to appear before him on a day named not more than thirty and not less than fifteen days from the date of service upon such permittee of a copy of the citation, which citation shall be accompanied by a copy of such complaint, or in the event that the proceedings be initiated by the Commissioner, with, a statement of the facts constituting the violation charged, at which time a hearing shall be had unless continued for cause. Such hearings shall be held within the judicial district and within fifty miles of the place where the offense is alleged to have occurred, unless the parties agree on another place. If it be found that such person is not in good faith conforming to the provisions of this part or has violated the terms of his permit, or made any false statement in the application therefor, or willfully failed to disclose any information required by regulation to be furnished, or violated any law of the United States relating to intoxicating liquor, or willfully violated any law of any State, Territory, or possession of the United States or of the District of Columbia relating to intoxicating liquor, such permit shall be revoked, and no permit shall be granted to such person within one year thereafter. During the pendency of such action such permit shall be temporarily revoked.

(c) INACCURATE DESCRIPTION OF DENATURED ARTICLES.—Whenever the Commissioner has reason to believe that denatured alcohol, denatured rum, or articles do not correspond with the descriptions and limitations as to such alcohol, rum, or articles provided by law and regulations, he shall cause an analysis of said alcohol, rum, or articles to be made, and if upon such analysis the Commissioner shall find that said alcohol, rum, or articles do not so correspond, he shall give not less than fifteen days' notice in writing to the person who is the manufacturer thereof to show cause why said alcohol, rum, or articles should not be dealt with as other distilled spirits, such notice to be served personally or by registered mail, as the Commissioner may determine, and shall specify the time when, the place where, and the name of the agent or official before whom such person is required to appear.

If the manufacturer of said alcohol, rum, or articles fails to show to the satisfaction of the Commissioner that the alcohol, rum, or articles manufactured by him correspond to the descriptions and limitations as to such alcohol, rum, or articles provided by law and regulations, his permit to manufacture and sell the same shall be revoked. The manufacturer may by appropriate proceeding in a court of equity have the action of the Commissioner reviewed, and the court may

affirm, modify, or reverse the finding of the Commissioner as the facts and law of the case may warrant, and during the pendency of such proceedings may restrain the manufacture, sale, or other disposition of such alcohol, rum, or articles.

A sale of an automobile truck shall, for the purposes of this subsection, be considered to be a sale of the chassis and of the body.

(b) Other automobile chassis and bodies and motor cycles (including in each case parts or accessories therefor sold on or in connection therewith or with the sale thereof), except tractors, 3 per centum. A sale of an automobile shall, for the purposes of this subsection, be considered to be a sale of the chassis and of the body.

(c) Parts or accessories (other than tires and inner tubes) for any of the articles enumerated in subsection (a) or (b), 2 per centum. For the purposes of this subsection and subsections (a) and (b), spark plugs, storage batteries, leaf springs, coils, timers, and tire chains, which are suitable for use on or in connection with, or as component parts of, any of the articles enumerated in subsection (a) or (b), shall be considered parts or accessories for such articles, whether or not primarily adapted for such use. This subsection shall not apply to chassis or bodies for automobile trucks or other automobiles. Under regulations prescribed by the Commissioner, with the approval of the Secretary, the tax under this subsection shall not apply in the case of sales of parts or accessories by the manufacturer, producer, or importer to a manufacturer or producer of any of the articles enumerated in subsection (a) or (b). If any such parts or accessories are resold by such vendee otherwise than on or in connection with, or with the sale of, an article enumerated in subsection (a) or (b) and manufactured or produced by such vendee, then for the purposes of this section the vendee shall be considered the manufacturer or producer of the parts or accessories so resold.

(e) If tires or inner tubes on which tax has been imposed under this chapter are sold on or in connection with, or with the sale of, a chassis, body, or motor cycle, there shall (under regulations pre-

MANUFACTURERS' EXCISE AND IMPORT TAXES 411

scribed by the Commissioner, with the approval of the Secretary) be credited against the tax under this section an amount equal to, in the case of an automobile truck chassis or body, 2 per centum, and in the case of any other automobile chassis or body or motor cycle, 3 per centum—

(1) of the purchase price (less, in the case of tires, the part of such price attributable to the metal rim or rim base) if such tires or inner tubes were taxable under section 3400 (relating to tax on tires and inner tubes); or

(2) if such tires or inner tubes were taxable under section 3444 (relating to use by manufacturer, producer, or importer) then of the price (less, in the case of tires, the part of such price attributable to the metal rim or rim base) at which such or similar tires or inner tubes are sold, in the ordinary course of trade, by manufacturers, producers, or importers thereof, as determined by the Commissioner.

(f) (1) Where prior to August 1, 1939, any article subject to the tax imposed by this section or section 3400, relating to tax on tires and inner tubes, has been sold by the manufacturer, producer, or importer, and is on such date held by a dealer and intended for sale, there shall be refunded to the manufacturer, producer, or importer the amount of the tax, or if the tax has not been paid, the tax shall be abated.

(2) As used in this subsection the term "dealer" includes a wholesaler, jobber, or distributor. For the purposes of this subsection, an article shall be considered as "held by a dealer" if title thereto has passed to such dealer (whether or not delivery to him has been made), and if for purposes of consumption title to such article or possession thereof has not at any time been transferred to any person other than a dealer.

(3) Under regulations prescribed by the Commissioner, with the approval of the Secretary, the refund provided by this subsection— (A) may be applied as a credit against the tax shown by subsequent returns of the manufacturer, producer, or importer, and (B) may be made to the dealer instead of to the manufacturer, producer, or importer, if the manufacturer, producer, or importer waives any claim for the amount so to be refunded.

(4) When the refund, credit, or abatement provided for in this subsection has been allowed to the manufacturer, producer, or importer, he shall remit to the dealer to whom was sold the article in respect of which the refund, credit, or abatement was allowed, so much of that amount of the tax corresponding to the refund, credit, or abatement, as was included in or added to the price paid or agreed to be paid by the dealer. Upon the failure of the manufacturer, producer, or importer to make such remission he shall be liable to the dealer for damages in the amount of three times the amount thereof, and the court shall include in any judgment in favor of the dealer in any suit for the recovery of such damages, costs of the suit and a reasonable attorney's fee to be fixed by the court.

(a) In determining, for the purposes of this chapter, the price for which an article is sold, there shall be included any charge for coverings and containers of whatever nature, and any charge incident to placing the article in condition packed ready for shipment, but there shall be excluded the amount of tax imposed by this chapter, whether or not stated as a separate charge. A transportation, delivery, insurance, installation, or other charge (not required by the foregoing sentence to be included) shall be excluded from the price only if the amount thereof is established to the satisfaction of the Commissioner, in accordance with the regulations.

(b) If an article is—

(1) sold at retail;

(2) sold on consignment; or

(3) sold (otherwise than through an arm's length transaction) at less than the fair market price;

(2) to any person who has paid tax under this chapter with respect to an article, when the price on which the tax was based is readjusted by reason of return or repossession of the article or a covering or container, or by a bona fide discount, rebate, or allowance; in the amount of that part of the tax proportionate to the part of the price which is refunded or credited.

(3) to a manufacturer, producer, or importer, in the amount of tax paid by him under this chapter with respect to the sale of any article to any vendee, if the manufacturer, producer, or importer has in his possession such evidence as the regulations may prescribe that—

SEC. 3444. USE BY MANUFACTURER, PRODUCER, OR IMPORTER.

(a) If-

(1) any person manufactures, produces, or imports an article (other than a tire or inner tube) and uses it (otherwise than as material in the manufacture or production of, or as a component part of, another article to be manufactured or produced by him which will be taxable under this chapter or sold free of tax by virtue of section 3442, relating to tax-free sales); or

(2) any person manufactures, produces, or imports a tire or inner tube and sells it on or in connection with, or with the sale of, an article taxable under section 3403 (a) or (b), relating to the tax on automobiles, or uses it;

he shall be liable for tax under this chapter in the same manner as if such article was sold by him, and the tax (if based on the price for which the article is sold) shall be computed on the price at which such or similar articles are sold, in the ordinary course of trade, by manufacturers, producers, or importers thereof, as determined by the Commissioner.

If a contract of the character above described was made with the United States, no tax shall be collected under this chapter. If any article has, under a contract of the character above described, been delivered, prior to June 21, 1932, to any person (other than a dealer or other than a person intending to use the article as material in the manufacture or production of another article, or to sell it on or in connection with, or with the sale of, another article), no tax shall be collected under this chapter.

erty subject to seizure or distraint, from which the money due for tax can be collected, such collector shall transmit a statement containing the name of the person liable to such tax, with the amount and nature thereof, duly certified under his hand, to the collector of any district to which said person shall have removed, or in which he shall have property, real or personal, liable to be seized and sold for tax. And the collector to whom the said certified statement is transmitted shall proceed to collect the said tax in the same way as if the name of the person and objects of tax contained in the said certified statement were on any list of his own collection district; and he shall, upon receiving said certified statement as aforesaid, transmit his receipt for it to the collector sending the same to him.

Such tax, penalties, and interest shall thereupon become immediately due and payable, and immediate notice and demand shall be made by the collector for the payment thereof. (b) PART PAYMENT.—Subject to such regulations as the Commissioner, with the approval of the Secretary, may prescribe, the collector charged with an assessment in respect of any tax may issue a certificate of discharge of any part of the property subject to the lien if there is paid over to the collector in part satisfaction of the liability in respect of such tax an amount determined by the Commissioner, which shall not be less than the value, as determined by him, of the interest of the United States in the part to be so discharged. (A) A closing agreement made under section 3760;

(B) A decision by the Board of Tax Appeals or a judgment, decree, or other order by any court of competent jurisdiction, which has become final; or

(C) A final disposition by the Commissioner of a claim for refund. For the purposes of this section a claim for refund shall be deemed finally disposed of by the Commissioner—

(i) as to items with respect to which the claim was allowed, upon the date of allowance of refund or credit or upon the date of mailing notice of disallowance (by reason of offsetting items) of the claim for refund, and

(ii) as to items with respect to which the claim was disallowed, in whole or in part, or as to items applied by the Commissioner in reduction of the refund or credit, upon expiration of the time for instituting suit with respect thereto (unless suit is instituted prior to the expiration of such time).

Such term, shall not include any such agreement made, or decision, judgment, decree, or order which became final, or claim for refund finally disposed of, prior to August 27, 1938.

(2) TAXPAYER.—Notwithstanding the provisions of section 3797 the term "taxpayer" means any person subject to a tax under the applicable Revenue Act.

(3) RELATED TAXPAYER.—The term "related taxpayer" means a taxpayer who, with the taxpayer with respect to whom a determination specified in subsection (b) (1), (2), (3), or (4) is made, stood, in the taxable year with respect to which the erroneous inclusion, exclusion, omission, allowance, or disallowance therein referred to was made, in one of the following relationships: (A) husband and wife; (B) grantor and fiduciary; (C) grantor and

472 CODIFICATION OF INTERNAL REVENUE LAWS

beneficiary; (D) fiduciary and beneficiary, legatee, or heir; (E) decedent and decedent's estate; or (F) partner.

(b) CIRCUMSTANCES OF ADJUSTMENT.—When a determination under the income tax laws—

(1) Requires the inclusion in gross income of an item which was erroneously included in the gross income of the taxpayer for another taxable year or in the gross income of a related taxpayer; or

(2) Allows a deduction or credit which was erroneously allowed to the taxpayer for another taxable year or to a related taxpayer; or

(3) Requires the exclusion from gross income of an item with respect to which tax was paid and which was erroneously excluded or omitted from the gross income of the taxpayer for another taxable year or from the gross income of a related taxpayer; or

(4) Allows or disallows any of the additional deductions allowable in computing the net income of estates or trusts, or requires or denies any of the inclusions in the computation of net income of beneficiaries, heirs, or legatees, specified in section 162 (b) and (c) of chapter 1, and corresponding sections of prior revenue Acts, and the correlative inclusion or deduction, as the case may be, has been erroneously excluded, omitted, or included, or disallowed, omitted, or allowed, as the case may be, in respect of the related taxpayer; or

(5) Determines the basis of property for depletion, exhaustion, wear and tear, or obsolescence, or for gain or loss on a sale or exchange, and in respect of any transaction upon which such basis depends there was an erroneous inclusion in or omission from the gross income of, or an erroneous recognition or nonrecognition of gain or loss to, the taxpayer or any person who acquired title to such property in such transaction and from whom mediately or immediately the taxpayer derived title subsequent to such transaction—

and, on the date the determination becomes final, correction of the effect of the error is prevented by the operation (whether before, on, or after May 28, 1938) of any provision of the internal-revenue laws other than this section and other than section 3761 (relating to compromises), then the effect of the error shall be corrected by an adjustment made under this section. Such adjustment shall be made only if there is adopted in the determination a position maintained by the Commissioner (in case the amount of the adjustment would be refunded or credited in the same manner as an overpayment under subsection (c)) or by the taxpayer with respect to whom the determination is made (in case the amount of the adjustment would be assessed and collected in the same manner as a deficiency under subsection (c)), which position is inconsistent with the erroneous inclusion, exclusion, omission, allowance, disallowance, recognition, or nonrecognition, as the case may be. In case the amount of the adjustment would be assessed and collected in the same manner as a deficiency, the adjustment shall not be made with respect to a related taxpayer unless he stands in such relationship to the taxpayer at the time the latter first maintains the inconsistent position in a return, claim for refund, or petition (or amended petition) to the Board of Tax Appeals for the taxable year with respect to which the determination is made, or if such position is not so maintained, then at the time of the determination.

(c) METHOD OF ADJUSTMENT.—The adjustment authorized in subsection (b) shall be made by assessing and collecting, or refunding or crediting, the amount thereof, to be ascertained as provided in subsection (d), in the same manner as if it were a deficiency determined by the Commissioner with respect to the taxpayer as to whom the

MISCELLANEOUS PROVISIONS 473

error was made or an overpayment claimed by such taxpayer, as the case may be, for the taxable year with respect to which the error was made, and as if on the date of the determination specified in subsection (b) one year remained before the expiration of the periods of limitation upon assessment or filing claim for refund for such taxable year.

(d) **ASCERTAINMENT OF AMOUNT OF ADJUSTMENT.**—In computing the amount of an adjustment under this section there shall first be ascertained the tax previously determined for the taxable year with respect to which the error was made. The amount of the tax previously determined shall be (1) the tax shown by the taxpayer, with respect to whom the error was made, upon his return for such taxable year, increased by the amounts previously assessed (or collected without assessment) as deficiencies, and decreased by the amounts previously abated, credited, refunded, or otherwise repaid in respect of such tax; or (2) if no amount was shown as the tax by such taxpayer upon his return, or if no return was made by such taxpayer, then the amounts previously assessed (or collected without assessment) as deficiencies, but such amounts previously assessed, or collected without assessment, shall be decreased by the amounts previously abated, credited, refunded, or otherwise repaid in respect of such tax. There shall then be ascertained the increase or decrease in the tax previously determined which results solely from the correct exclusion, inclusion, allowance, disallowance, recognition, or non-recognition, of the item, inclusion, deduction, credit, gain, or loss, which was the subject of the error. The amount so ascertained (together with any amounts wrongfully collected, as additions to the tax or interest, as a result of such error) shall be the amount of the adjustment under this section.

(e) **ADJUSTMENT UNAFFECTED BY OTHER ITEMS, ETC.**—The amount to be assessed and collected in the same manner as a deficiency, or to be refunded or credited in the same manner as an overpayment, under this section, shall not be diminished by any credit or set-off based upon any item, inclusion, deduction, credit, exemption, gain, or loss other than the one which was the subject of the error. Such amount, if paid, shall not be recovered by a claim or suit for refund or suit for erroneous refund based upon any item, inclusion, deduction, credit, exemption, gain, or loss other than the one which was the subject of the error.

(f) **NO ADJUSTMENT FOR YEARS PRIOR TO 1932.**—No adjustment shall be made under this section in respect of any taxable year beginning prior to January 1, 1932.

SEC. 3802. SEPARABILITY CLAUSE.

If any provision of this title, or the application thereof to any person or circumstances, is held invalid, the remainder of the title, and the application of such provisions to other persons or circumstances, shall not be affected thereby.
